Rica, that is elected to oversee the accreditation process for its membership. We have 77 people on that commission elected from all the states according to a formula and some are elected at large.

Q And what is accreditation?

Accreditation is, in a heart sense of A the word, an evaluation of an academic institution that offers degrees by peer reviewers from other institutions that also offer degrees according to a set of standards 12 that are agreed on by the almost 800 members that we have. And that goes to assure the public and other students, faculty and other folks that institutions meet our minimum requirements and are striving for improvement.

Q If you can give us just a little historical background. How did this process begin? How did it start?

A The gestation period for this, I think, started with folks from Vanderbilt in 21 the 1880s, early 1890s when the Southern region did not really have any standards that were agreed upon. There was no system of education that existed in that sense, and so there was 25

things that we've come to know as part of the collegiate experience. They were highly quantitative in the early days because it was 3 easy to apply those quantitative standards 2 because most of those colleges were liberal 5 arts colleges, and they were very similar in 6 7 nature.

> Now, are they quantitative today? Q

No, they aren't. And the reason that's happened primarily is because the 10 association has in response to a number of 1.1 types of institutions decided to expand the 12 accreditation functions and include those. We 13 didn't accredit two-year colleges in the 14 beginning or state teacher's colleges or even 15 technical colleges. All of those have come 16 into the membership over the years since 1920. 17 And so in order to accommodate these, you 18 really didn't want to create six or seven 19 different sets of standards. What they decided 21 at a certain point was to have one set of standards that would be applied to all 22 institutions according to what their purpose in 2.3 24 education was.

And so we don't have things that say

6

not much of a differentiation between high schools and colleges. And so certain 2 institutions in the south, Vanderbilt, Duke, 3 University of North Carolina, University of the 4 South, University of Tennessee, University of 5 Mississippi, among others, and others who 6 weren't the original members got together in 7 Atlanta and decided that they wanted to 8 separate off colleges from high schools, and so g they decided to adopt a set of standards that 10 would effectively do that. 11

And did those standards evolve over Q

13 time? They did evolve. Primarily at first, they were admission standards that said that 15 you had to have something in high school 16 requiring the units to proceed onto college or the colleges had to have admission standards, 18 these kinds of things. Eventually starting in 19 1920, the standards expanded to include lots of 20 21 things that we think of as part of the integral 22 core of a college now; faculty requirements, requirements for endowment, or per student 23 expenditure, if you were a public institution,

25 requirements for libraries and all of these

you need 10,000 books in your library. It's according to what you -- the purpose of your institution is. The University of Georgia 3 would have a different purpose than a community 4 5 college, for example.

Q But by way of example; when the peer 6 review - when these colleges seeking 7 accreditation are submitted to peer review, are 8 they compared in accordance with the category 9 they're in; four-year colleges compared to 10 other four-year colleges as opposed to four-11 year colleges compared to your genuine 12 colleges? 13

A Yeah. That's generally the case. 14 Our process involves people at all levels of 15 institutions; from two-year colleges through comprehensive graduate institutions. And so for the most part, we try to have similar types of institutions, the evaluation, those 19 evaluated institution of similar type. But on 20 the other hand, we don't want it to be all uniform. It would result in separate sets of 22 accreditation. So there are other eyes in this 23 as well, and so we have people with 24

25 comprehensive institutions that will be part of

the evaluation at some stage on a two-year college, for example.

Q Well, let me ask you some more specific questions. In 1986 when Regions University, then Southern Christian University. was accredited, were there criteria for accreditation that were imposed by the Commission on Colleges?

Yes. In fact, they were called the criteria for accreditation at that point. There were a number of assessed and fairly specific standards that the institutions were required to meet, not only for their initial candidacy for accreditation, but for -- We don't call it full accreditation -- for their accreditation process itself.

> (Whereupon, Defendant's Exhibit No. 1 was marked marked for identification)

BY MR. HUDSON: (Resuming)

23 Q I'll show you what I've marked as 24 Exhibit 1 and ask you if those are the

criteria.

11

they give them a little bit more flexibility in demonstrating how they do that.

Q And the Southern Christian University, now Regions University, would have been accredited under Exhibit 1 criteria?

A That's right.

(Whereupon, Defendant's Exhibit No. 2 was marked for identification)

BY MR. HUDSON: (Resuming)

13 Q All right. So then I show you the 14 principles of accreditation that have been 15 marked as Exhibit 2, the 2007 interim addition, 16 and ask you if those are the principles to 17 which you refer.

> That's right. Α

Q Are those the principles that are --

Α Current.

-- that are utilized today? Q

Current.

Q Current accreditations?

Α

Q Now, discussing the accreditation

10

Those are, uh-huh (affirmative),

And did those in time evolve into the principles of accreditation?

3 4 A They did. Over the last few years, the decision was made, I think, to allow a 5 little bit more flexibility without giving up the rigor that's part of the accreditation process. In other words, without all of the 9 specifics, institutions were still going to be 10 required to provide resources, faculty re-11 qualified, and these kinds of things. But 12 there was, I think, an intent to allow them a little bit more flexibility in demonstrating 13 14 that those things occurred. 15 And so that's the transition between

the criteria, which had about three or 400 specific requirements to the set of requirements that we have now, which are called the principles of accreditation.

Q Principles of accreditation are similar to the criteria, but a little bit more challenging?

There's several in the intent that 24 the institution would maintain the rigor of the process and their educational programs, but

12

process itself as it relates to peer review 1 2 that comes from the Commission on Colleges. 3 Would you describe to me how in 1986 and today,

in general terms, an institution seeks accreditation and how that process works?

5 6 A In terms of seeking accreditation, we 7 have these items in current principles that are called core requirements. In 1986, they were 9 called conditions of eligibility. Essentially the same types of requirements. Each 10 institution that applied for membership needed 11 12 to meet those core requirements plus the faculty area, credentials area, their faculty 13 qualifications in order to be considered for 14 candidacy. And then we would have a committee 15 16 or peers that would visit the institution and decide whether indeed they were going to be 17 awarded candidacy.

Q And when you say a committee of peers, what is that? Who would that be?

A That would be in the case of, say, a private institution, perhaps we might have seven or eight, perhaps nine people who would visit the institution. There would be a business officer, the librarian, a number of

academics, perhaps someone who had expertise in institutional research to look at the outcome as part of our process.

So there would be a good cross-4 section of people represented. They would 5 visit the institution and prepare a report, б which would -- At that time, they actually made a recommendation for whether the institution 8 should have candidacy or not. I don't think 9 10 that's the case now, but the decision would be made on the basis of that report whether the 11 12

institution were awarded candidacy. And then the same process would 14 repeat itself after a period of time where the institution would have to demonstrate 15 compliance with all of the requirements, not 16 just the core requirements, or what they were 17 called in the conditions of eligibility, but 18 all of them. And that would occur usually within about two years of the awarding of candidacy. They couldn't go beyond four years after they were awarded candidacy. Q Once that occurs, the second stage after the two-year period, is all or any

15

can make a decision?

A That's right.

And that's part of the peer review process, the peers make the decision -

A That's right.

Q -- on whether to include this institution as one of their members?

A That's right.

(Whereupon, Defendant's Exhibit No. 3 was marked for identification)

BY MR. HUDSON: (Resuming)

Q Let me show you what has been marked as Exhibit 3 and ask you if you can identify 16 17 that.

A This is the current list of the members of the Commission on Colleges that are 19 elected by the membership. And these would 21 include a number of college presidents, some 2.2 other administrators, perhaps some faculty and 23 some public members that represent that particular sector that aren't associated with 24 25 colleges.

14

information submitted to the Commission on

Colleges? 1

2 A Well, all of the reports -- If, for example, the candidacy stage, with that committee, they would send their report to the Commission alone and the institution would 5 respond to it, and the Commission would make a ę decision on candidacy. And the same thing 7 would happen in the case of the accreditation committee, which would be there to examine them 9 for the purposes of awarding accreditation. 10 11 So all of that would go up to the

12 Commission, so there were certain rules of 13 evaluation there. First, the committee visit, 14 then the Commission action.

Q And by whom would the decision be 16 made about whether or not the institution would be accredited?

A It would be made by the 77 members of 19 the Commission on Colleges. The elected body. 20 as I have mentioned, from the states that we 21 represent, the 11 Southern states. Kentucky to 22 Florida, Virginia to Texas, and to Mexico and 23 Costa Rica. They will make the final decisions 24 on these.

In fact, they were the only ones that

16

Q And can you give me a - just a rough idea of what percentage of the membership 10 ordinarily is composed of college presidents?

A I would say about three quarters of 1.2 the Commission on Colleges presidents. I'd 3.3 have to look through this. 14

Q Count up.

15 A Count up to make sure. Others, 16 17 again, are administrators or some faculty, and we're probably going to be adding more faculty 18 to the mix in the future. And then, again, 19 there are a number of public members. For example. I see on the first page Ms. Gale

Adcock, Director, Corporate Health Services at

23 a health center in North Carolina who represent

24 the public interest part of this. 25

So the peer review process also

A

Okay. Does the Commission on Colleges also have a chairman or presiding officer of some sort?

A They do. There's a chair of the Commission, yes.

٥ Can you give me an example of some of those who have served in that position?

12 A Well, the current chair of the 1.3 Commission is Phil Stone, who is the president 14 of Bridgewater College up in Virginia. Previous presidents have included -- The recent 15

president chairs has included Jim Barker, who 16 17 is president of Clemson; John Casteen,

1.8 president of the University of Virginia; Robert

19 Khayat, president of the University of 20 Mississippi; and Mike Adams, president of the

21 University of Georgia.

22 Q Has -

23 Α Those have been recent -

O Okay.

Α - chairs.

Д They have had some changes, yes. We can look at those.

> O And had some recent ones as well?

That's right. The most recent one was a doctoral program; marriage and family counseling.

O Now, are there also annual audits and annual reviews?

8 9 Α There are. There are annual profiles 10 that are submitted that do contain some financial information and enrollment figures. 12 We also have what's called a fifth-year report 13 that can be asked for for institutions for follow-up on certain things that might have 14 been noted about their reaffirmation process, 15 if the Commission would like to re-evaluate at 16 17 some point. And our new process, not only do 18 we have -- We're in the process of some change 19 now, but we ask - we're going to ask for a 20 fifth-year report on what's called the quality 21 enhancement plan, which is required of all 22 institutions that go through the process. And they will need to report on how that's worked 23

18

Now, the process itself I'd like to talk to you about just a little bit more. Once an institution is accredited, is there any follow-up with regard to that institution?

A There is. Normally in the accreditation process, which we go through a cycle every ten years. It's mandatory, There's usually follow-up after those visits in that ten-year period. Almost every institution has some type of follow-up report to submit.

In addition to that, we have a situation whereby if an institution changes significantly, if they offer a new level of programming, say, from bachelor's to master's, master's to doctorate, or if they introduce significantly new types of programs even at their own level, then that would call for not only a notification by the institution, but submission of a respectus, and in most cases, a visit to review those particular changes.

So it's a dynamic process that just doesn't occur every ten years, depending on what happens with the institution.

24 Q And has Regions University had those 25 substantial changes over the years?

20

itself out, whether they succeeded or falled or

what their experience has been with that.

1 In addition, the Department of 2 Education, the United States Department of Education has asked that we require, and we 3 will be doing this, a more comprehensive review 4 of standards at the fifth year. I don't know 5 6 exactly how that's going to be worked out, but 7 there will be a review of that, 8

Q But speaking specifically about the accreditation of Southern Christian University, it would have been accredited in 1986. And then each year after that, would there have been annual reviews and annual audits?

A There's an annual profile. It's not necessarily audits. The fifth year we do require audits,

Q And there was one required of Regions University?

And the ten-year audit or review that you referred to, what is that called?

A It's called reaffirmation of accreditation. Some people refer to it as reaccreditation. We say reaffirmation of accreditation.

> Q. Whether it's called reaccreditation

or reaffirmation of accreditation, would that process have been one that Regions University would have successfully completed?

That's correct. А

And also as it had substantial changes, that would have triggered other reviews?

That's correct, too.

Now, the -- Is accreditation required Q by the U.S. Department of Education for any particular program or benefit?

A I'm not sure about the pragmatic requirements, but for most institutions, some accreditations is required for the extension of student loans, research monies, and these kinds of things. And the Department of Education maintains a list of recognized accrediting bodies, such as the Southern Association. As does the private counterpart of that counsel for higher education accreditation, which also

maintains a list. Q And does the U.S. Department of Education require that an institution be accredited by a recognized accrediting association in order to qualify for VA

22

benefits?

As far as I know, that's correct. I mean, they may have some exceptions in their policy, but I think the general requirement is you need an accreditation by a recognized accrediting body to receive those kinds of benefits.

And is there also similarly a general requirement for student loans, Pell grants, and research funding?

As far as I know, there is.

Okay. Now, if something like the 13 reaffirmation of accreditation or an annual 14 review or complaints that come to your attention, anything, is there anything that can subsequently affect an accreditation once aiven?

Yes. Other than the substantive 19 change items and the usual follow-ups that we 20 have an accreditation visits, if it comes to 21 the Commission's attention that there is a problem with an institution that comes through 22 23 people letting us know, complaints, newspaper 24 reports, or whatever, we can act on it. We need to investigate those if they show some 25

23

significant problems with our accreditation requirements.

Q And in the event that your investigation shows some negative result, what are you entitled to do?

A Well, the institution can certainly correct whatever the situation is. They could be placed on some type of warning sanction, probation, these kinds of things, ask for some follow-up.

So there are a wide range of things 11 that could happen in a case of an institution 12 that is in violation of one of our regulrements.

> And in the extreme, what can occur? Q

Α They could lose membership.

And --Q

In other words, lose their 18 Δ 19 accreditation.

And are there steps prior to their 20 losing their accreditation, such as warnings 21 22 and probation?

That's normally the case. Although, 23 Α as a counterpart, if a situation develops 24 that's so serious, whether it involves the 25

integrity of the institution or a complete violation of our requirements, they could be 2 3 dropped from membership --

Q Immediately.

-- immediately. By action of the А Commission.

And once again, the Commission itself O relies upon its peer review capabilities?

A That's right.

10 Now, notwithstanding that, would you describe the system of warnings and probation 11 12 to us?

A This gets a little bit technical, but when we review an institution and a report comes in to the Commission, that starts a process of monitoring the institution, if there 17 are problems. And the Department of Education asked us, and we've adopted this policy, that 19 If an institution does not correct whatever 20 deficiency there is in relation to our 21 standards within two years, then they have to be either dropped from membership or placed on probation, if they show significant

improvement. But we still have to track it.

Well, you know, I can't recall. Some of this is reviewed by the off-site committee and they get documents from the institution about what their admissions policies are, what type of tests, what - do they require a high school diploma, a GED, these kinds of things for the undergraduate program. And in terms of graduate programs, we also get similar kinds of information about who they're going to be admitted -- who are going to be admitted.

Q Are you aware that the admission requirements at Regions University for applicants in excess of 20 years of age are simply a high school diploma or a GED?

A I'm not necessarily aware of that, 16 but if -

That would pass SAC's minimum requirements, right?

For an undergraduate program.

Q Correct?

Yeah. Α

I'm not sure about that.

But that would be within the minimum requirements of SACS if that was the case, correct?

Well, I suppose it could be a judgement on the part of the Commission depending on what programs we've got at the institution as to whether that was appropriate. But that's a general requirement that we have that people should have the equivalent of a high school diploma or show like a GED or have some other experience in their background, which would lead the institution to believe that they could be successful in the program.

Q The fact that Regions University is accredited by SACS, do you feel like that creates national recognition or recognition of prominence for a school that's accredited?

A Well, the only thing I can say is that apparently it does because the Department of Education relies on that, to expend funds, to extend funds to students. And so in that sense, some states do the same thing in many cases. So that's one of the purposes accreditation serves. It's not the original

Q Do you know what peers accompanied you on that trip?

No. That's what I answered before. I know you don't know the individual names, but do you know what representatives of ... what other schools?

1	JANET ARMITAGE, having been first duly sworn
2	to speak the truth, the whole truth, and nothing
3	but the truth, testified as follows:
4	EXAMINATION
5	BY MR. HUDSON:
6	Q Would you please state your name for the
7	record?
8	A Janet Armitage.
9	Q Where are you employed, Ms. Armitage?
10	A I'm employed by Regions Asset Company.
11	Q Is it Mrs. or Ms.?
12	A It's Ms.
13	Q In what capacity are you employed?
14	A I'm the president of Regions Asset
15	Company.
16	Q How long have you held that position?
17	A One year.
18	Q For whom did you work prior to becoming
19	the president of Regions Asset Company.
20	A For four years, I was a stay-at-home
21	- mom. Before that, I worked for Deutsche Bank
22	- Securities. And before that, I worked for the

- Chase Manhattan Bank.

1	——————————————————————————————————————
2	any experience that was the same or similar to
3	<del>- your present job?</del>
4	A In my Deutsche Bank job, I had an
5	- oversight role that oversaw the equities trading
6	- businesses in North America.
7	Q I'm trying to make this short for you if
8	<del>I can.</del>
9	A Uh-huh.
10	Q Tell me what your job responsibilities
11	as president of Regions Asset Company are.
12	A We do maintenance and registration of
13	all the trademarks. I work with outside counsel
14	and our internal IP counsel on protest letters.
15	We also do evaluation of the trademarks held by
16	Regions Asset Company.
17	And we license the intellectual property for
18	use by Regions Bank and Regions Financial
19	Corporation, and we have some third party
20	licenses.
21	Q Have you reviewed those licenses in
22	preparation for your deposition today?

- A The licenses with Regions Bank and

- Regions Financial Corporation?
- 2 Q Yes, as well as the third-party
- $3 \frac{-licenses.}{}$

- 4 Not in preparation for this deposition.
- 5 Q Did you assist in collecting them so
- 6 that they could be produced in this litigation?
- 7 A Yes.
- 8 Q And have they all been produced?
- 9 A The ones I was asked to produce are the
- 10 Regions Bank and Regions Financial Corporation
- 11 licenses.
- 12 <del>O Okay.</del>
- 13 A And I believe they've been produced.
- 14 Q What other third party licenses are
- 15 there?
- 16 A We have some sponsorships with sports
- 17 arenas and we have some licenses with some
- suppliers, I think, property developers.
- 19 Q Licenses with suppliers and property --
- 20 A Well, maybe not suppliers. With some --
- 21 some of our clients who are property developers.
- Q Have those been produced?
- 23 A I did not produce them.

- 1 Q Okay. Other than sponsorships and
- licenses with clients who are property developers,
- 3 are there other licenses?
- 4 A Not that I'm aware of.
- 5 Q Okay. Now, can you describe in more
- 6 general terms to me a license with a client that
- 7 is a property developer?
- 8 A We allow -- or we have the use of our
- 9 logo on their website, which is to our benefit as
- 10 giving business to some of our mortgage lenders,
- and I guess to their benefit for having -- for
- showing a list of banks maybe that people could
- 13 get mortgages from.
- 14 Q And who are those customers?
- 15 A I don't recall.
- 16 Q Do you recall any of them?
- 17 A Well, I don't have the names on top of
- $\frac{-my\ head.}{}$
- 19 Q Maybe I mischaracterized it. The
- 20 licenses with clients. Who are the clients that
- 21 you have licenses with?
- 22 A These are some property developers but I
- 23 can't recall the names.

1 Q Okay. Now, sponsorships. What sort of 2 sponsorships are there? 3 Α One was sponsorship with the Birmingham Barons, naming the ballpark Regions Park. 4 5 Q Okay. 6 A And we have another one with the -- I 7 believe -- is it the Devil Rays? 8 Q Double A baseball team? 9 A Is it the Tampa Bay Devil Rays? 10 Q I don't know. 11 A I think it's the Tampa Bay Devil Rays. 12 I'm not sure if they're a double A baseball team. 13 Q Okay. With regard to the sponsorships 14 - with clients involved in property development, 15 - these sponsorships all have used the logo? 16 ----A Yes. 17 Q Okay. Now, prior to having your job, 18 - your present job, did-you have anything in your 19 - prior experience that was the same or similar to 20 -your job responsibilities today? 21 22 Objection, asked and answered. You

----can answer.

	TATE TO NITE OF CO.
 11117	MITIMEDO.

- 2 Oh. I would say that my role of
- oversight in coordinating a lot of 3
- 4 — different functions was the same
- general type of responsibility that 5
- 6 — I have teday.
- 7 - BY MR. HUDSON:
- Oversight and coordination of different 8
- 9 - functions. Where did you have that job
- 10 - responsibility?
- 11 - A Deutsche Bank Securities.
- 12
- A Deutsche Bank Securities. 13
- 14 - Q And what did you oversee and coordinate
- 15 <del>there?</del>
- 16 A I oversaw all the North American equity
- 17 - businesses and I coordinated input from our legal
- 18 - department, our controller's department, the
- 19 - traders in compliance.
- 20 Q Okay. I'm just trying to cut this short
- 21 so I don't have to go through everything that you
- 22 - did with every job. But let me see if I
- 23 understand correctly. From each job, we

- 1 - frequently take skills forward to the next job.
- 2 A Uh-huh.
- Q In this respect, the skills that you 3
- 4 - took forward, I gather, were oversight and
- 5 - coordination skills that you were able to bring to
- 6 <del>your present job.</del>
- <del>- A Yes.</del> 7
- 8 - Q Was there any other skill set that was
- 9 - in an earlier job that you were able to bring to
- 10 - your present job?
- 11 A In both the Deutsche Bank job and the
- 12 - Chase job, I did a lot of quantitative analysis
- 13 - which is helpful in the evaluation studies that we
- 14 - have had for the intellectual property.
- 15 Q Okay. Now, was it your job
- 16 - responsibility to evaluate your company's
- 17 - intellectual property?
- 18 - A At Chase or Deutsche Bank?
- 19 — Q I'm sorry. In your present job.
- 20 - A In my present job?
- 21 <del>Q Yes.</del>
- 22 - A In my present job, it's my
- 23 responsibility to assist with writing a request

- for proposal to have a third party evaluation firm 1
- 2 —do the evaluation.
- Q And have you done that? 3
- 4 A I'm in the process of doing that.
- 5 Q Has the intellectual property yet been
- 6 <del>- evaluated?</del>
- 7 A It's been evaluated in previous studies
- 8 -before I joined. And this will - I think about
- 9 - cvery - you know, every period of years, a new
- 10 - evaluation study needs to be done.
- Q Am I correct that during your tenure, an 11
- 12 - evaluation study has not been completed?
- 13 ----A---Correct.
- 14- Q And do you have any knowledge of the
- 15 past evaluation studies other than to know that
- 16 - they exist?
- A Yes. I've read them. 17
- 18 — Q Excuse me?
- 19 A Yes. I've read them. I have copies of
- 20 <del>them.</del>
- 21 Q Okay. But except for what appears in
- 22 them that you could gather from reading them, do
- 23 <u>you have any knowledge of them?</u>

- 1
- 2 — Q Had you had any previous experience in
- 3 - evaluating intellectual property?
- 4 A In evaluating intellectual property, no.
- Who owns the Regions trademarks and 5
- 6 <del>logos?</del>
- 7 A Regions Asset Company.
- Q All right. How many employees does 8
- 9 - Regions Asset Company have?
- A I'm the full-time employee. And we have 10
- 11 - some part time employees.
- 12
- A Well-13
- 14 Q I'm hard of hearing. If you'll forgive
- 15 -me.
- A Okay. I'm the full-time employee. And 16
- 17 then we have, I believe, two part-time employees.
- 18 - Q Okay. You believe two?
- 19 A Well, I know two. Two.
- 20 Okay. And where are you located?
- A In Wilmington, Delaware. 21
- 22 Q And where are your part time employees?
- A In Wilmington, Delaware. 23

- 1 Q Do you have office space? - A Yes. 2 - Q Is your office space in a Regions Bank 3 4 -building? 5 6 Q Does Regions Bank have a market presence 7 in Delaware? 8 A No. 9 Is Regions Bank a Delaware corporation? Q 10 A I believe so. 11 Q Is Regions Asset Company a Delaware 12 corporation? 13 A Yes. 14Q Do you know why you're located in 15 - Delaware as opposed to some place within the 16 - market area of Regions Bank? 17 A I believe the intent was to centralize 18 - the management and the maintenance of intellectual 19 - property, and it could be located anywhere. And I 20 - understand there is a tax advantage to doing it in 21 - Delaware.
- 23 - A Yes.

Q Is your home Delaware?

1 Q So that was an advantage, as well, to 2 <del>you.</del> A Oh, to me. Definitely. 3 4 Q Okay. Now, was part of your 5 - responsibility the protection of the Regions mark 6 <del>—and name?</del> 7 - Yes. 8 And who had the responsibility prior to 9 <del>- you?</del> A Pam Jasinski. 10 11 12 — A Pam Jasinski. 13 14 — A It's J-A-S I N S K-I. 15 Q And how long did she have that 16 <u>responsibility?</u> A I don't know. 17 18 O Do you have any feel for how long she 19 -worked there before you? 20 21 - Objection. 22 THE WITNESS:

No, I don't.

- 1 BY MR. HUDSON:
- 2 O Was she still there when you got there?
- A No well, she was -- she was still 3
- there. She does a different function. 4
- Q What is the function she does now? 5
- A She does the maintenance maintenance 6
- 7 of the bank accounts.
- Q Is she one of the two part time 8
- 9 - employees?
- Q Was she demoted? 11
- 12 A Well, her function has been reduced.
- 13 ——— Q And does she now report to you?
- 14 A Yes.
- 15 Q Was she previously the president of
- 16 - Regions Asset Company?
- A I don't believe so but I don't know. 17
- 18 - Q Do you know who was the president of
- Regions Asset Company at any time prior to you? 19
- ----A I don't. 20
- 21 Q Who hired you for your job?
- 22 A Jim Ahern.
- 23 Q And where does he work?

- A He left Regions Bank in February. 1
- 2 Q Prior to that, where did he work?
- 3 A He worked in the tax group at Regions
- 4 - Bank in the accounting area.
- 5 - Q And in what office?
- 6 A Do you mean the location?
- -- Q Yeah. 7
- 8 ----- A Here in Birmingham.
- Q Okay. And what was his title? 9
- 10 A I don't know.
- 11 Q To whom do you report now?
- 12 A Linda Kern.
- O And what is her title? 13
- 14 A She's -- I believe she's a senior vice
- 15 president in that same group.
- Q In the tax accounting group? 16
- 17 A I think it's called Tax Accounting.
- 18 Q Does Regions Asset Company have a board
- 19 of directors?
- 20 A Yes.
- 21 Q And who serves on that board?
- 22 A I serve. Tonya Murray serves, and
- 23 William Askew serves.

- 1 - O Does the board have a chairman?
- 2 A I'm not aware of who the chairman is.
- Okay. Does the board meet? 3
- 4 - A Yes, the board has meetings.
- 5 — Q How frequently does the board meet?
- A It has to be within every thirteen 6
- 7 - months at a maximum.
- 8 Q Okay. How many times has the board met
- 9 - since you have been the president and a member of
- 10 <del>the board?</del>
- A It has not met since I've been a member 11
- 12 —of the board.
- 13 Q Okay. And were you made a member of the
- 14 - board at the same time you were made president?
- 15
- Okay. How many times has it met since 16
- 17 - you have been president?
- 18 A I don't believe it's met. I don't
- 19 - believe it's met. I believe they've had special
- phone meetings but I don't believe it's physically 20
- 21 met.
- 22 Q Okay. Are you responsible for enforcing
- 23 the Regions mark against third party use?

- 1 A Yes.
- 2 Q And did I ask you who had that
- 3 responsibility before you?
- 4 A I believe you -- if you --
- 5 Q I'm not trying to ask questions twice.
- 6 A If you asked me, I believe it would have
- 7 been Pam Jasinski.
- 8 Q All right. That is how we got to her.
- 9 Did you review her books and records to determine
- 10 what she had done to enforce the mark against
- 11 third party use?
- 12 A No.
- 13 Q Do you know what she would have done to
- enforce the mark against third party use?
- 15 A No.
- 16 Q Okay. What have you done to enforce the
- 17 mark against third party use?
- 18 A I've worked with our outside counsel and
- 19 our internal counsel.
- Q And who is that?
- 21 A Our internal counsel -- our internal IP
- 22 counsel is Hope Mehlman. And our external IP
- 23 counsel is Steptoe. And I get watch reports and I

- get an analysis of the watch reports.
- 2 Our external counsel generally writes the
- 3 protest letters. And I get copies of the protest
- 4 letters, their analysis. I speak to them, speak
- 5 to Hope as to whether -- you know, as to issues
- 6 there. So that's what I've done.
- 7 Q Do you rely upon them to tell you
- 8 whether or not to proceed with a particular third
- 9 party usage?
- 10 A Yes.
- 11 Q Okay. Do you make any independent
- decisions with respect to whether or not to
- 13 proceed against a third party?
- 14 A "Independent", meaning without taking
- their advice, without asking for their advice?
- 16 Q Well, advice is just that. It's
- advice. But ultimately, the decision is yours, is
- 18 it not?
- 19 A I do take those decisions, relying on
- 20 their advice.
- 21 Q Okay. And you don't make any
- independent decisions of your own?
- MR. PECAU:

1 Objection to the form of the 2 question. 3 THE WITNESS: 4 I always get the advice of our outside counsel and oftentimes of 5 our internal counsel. 6 BY MR. HUDSON: 7 8 And always rely upon it? 9 MR. PECAU: 10 Objection. Let her finish answering 11 the question. 12 THE WITNESS: To date, I believe I've followed 13 their advice. 14 15 BY MR. HUDSON: 16 0 Always? 17 So far to date, yes, I've followed their 18 advice. 19 Have you established any criteria, 20 yourself, as a business person in charge of the 21 enforcement of the Regions Asset Company's mark as 22 to what criteria you consider should be utilized

in challenging third party use?

1 MR. PECAU: 2 You can't answer -- you can't 3 give --4 MR. HUDSON: 5 Wait a minute. 6 MR. PECAU: 7 Okay. I have an objection on the 8 basis of the attorney-client 9 privilege. I'm advising the client 10 that she has a privilege with 11 respect to anything that her 12 attorney has told her. 13 MR. HUDSON: 14 I agree with that. 15 MR. PECAU: 16 And she cannot disclose any advice 17 that she's been given from her 18 attorney. Now, I don't know that 19 she can answer this question without 20 disclosing the advice that she's 21 gotten. So I'm warning her that she 22 can't. 23 BY MR. HUDSON:

PECAU: 12 That's enough. 13 BY MR. HUDSON: All right. Now, regardless of where you 14Q 15 got the information to establish the criteria, are there criteria that are utilized by you as the 16 17 president of Regions Asset Company to determine 18 whether or not to challenge third party use? 19 MR. PECAU: 20 Again, I caution you about 21 disclosing any advice that you've 22 gotten from counsel. 23 MR. HUDSON:

1 Well, I don't care if she got advice 2 from counsel. 3 MR. PECAU: It makes a big difference. 4 5 MR. HUDSON: 6 Well, I understand that. But I want 7 to know as matter of a business 8 position whether or not Regions 9 Asset Company has any criteria that 10 it relies upon in determining 11 whether or not to challenge third 12 party use. 13 BY MR. HUDSON: 14 I'm not picking at you. Q 15 MR. PECAU: 16 I'm telling you that if there's 17 additional criteria that you use in 18 addition to what your counsel has 19 told you that's independent of your 20 counsel's advice, then you can 21 answer the question. But only to 22 that additional matter. 23 THE WITNESS:

1 Okay. Well, as a business person, 2 my decision is that this is really a 3 legal matter with legal 4 definitions. So I rely on my legal 5 counsel. 6 7 Okay. Now, this is we're going 8 to have to deal with this, 9 10 question again because I want to be 11 ----understood. 12 - BY MR. HUDSON: 13 - Q I'm not asking you about legal advice 14 — that you got. 15 ---- A Uh-huh. 16 - Q And I don't intend to ask you about 17 - legal advice. But if you got legal advice or you 18 got advice from some business person, wherever you 19 got the advice, if you decided to implement the 20 -advice and develop criteria, I think I'm entitled 21 - know what the criteria is. 22 And so I'm not asking about who told you what 23 or why you decided to do something. - 14 There's a fundamental difference in

- MR. HUDSON: 4
- That, in fact, is a speaking 5
- objection. I ask you, please, not 6
- to make another one. 7
- MR. PECAU: 8
- 9 If you ask questions like that, I'll
- make another speaking objection. 10
- <u>It's an unfair question.</u> 11
- 12
- 13 --- Mark that, please.
- BY MR. HUDSON: 14
- O I'll ask the question again. Are these 15
- interrogatory responses true and correct, to your 16
- knowledge, sufficiently for you to be able to sign 17
- 18 and verify them?
- To my knowledge, either -- yes. I've 19
- either been told of these or I know these other 20
- facts to be correct. 21
- Q Thank you. One of the questions asked, 22
- it says -- in Paragraph Seven of your complaint, 23

- 1 you allege that Regions now, and since prior to
- 2 the acts of Defendant complained of herein, has
- 3 been a famous name in Alabama and elsewhere in the
- 4 United States. State each and every fact upon
- 5 which you rely in support of the allegation that
- 6 Regions is quote "a famous name in Alabama" close
- quote, and in support of the allegation that
- 8 Regions is a famous name quote "elsewhere in the
- 9 United States".
- 10 Do you have any facts upon which you can base
- 11 a conclusion that Regions is a famous name
- 12 elsewhere in the United States?
- 13 MR. PECAU:
- 14 Object to the form of the question.
- 15 THE WITNESS:
- 16 I've been told that we've done
- 17 marketing studies in other states in
- 18 addition to Alabama that show that
- 19 Regions has a high name
- 20 recognition.
- 21 BY MR. HUDSON:
- Q Were you also told that those marketing
- 23 studies were all in states in which Regions has a

- 1 market and a presence?
- 2 A I haven't been told that they were all
- in the states in which Regions has a presence. I
- 4 believe I have been told that the name recognition
- 5 is high in states where Regions has a presence and
- 6 higher in some states, in Alabama, for instance.
- 7 Q Do you have any information or have you
- 8 been told any information about whether Regions'
- 9 name is a famous name in every state of the United
- 10 States?
- 11 A I have not been told.
- 12 Q Is Regions a famous name in Delaware?
- 13 MR. PECAU:
- 14 Object to the form of the question,
- 15 asking for a legal conclusion.
- 16 THE WITNESS:
- I haven't been told that.
- 18 BY MR. HUDSON:
- 19 Q To your knowledge, is it a famous name
- in Delaware?
- MR. PECAU:
- 22 Objection.
- THE WITNESS:

- I don't know. I have not asked.
- 2 BY MR. HUDSON:
- 3 Q Okay. Well, if it is a famous name in
- 4 Delaware, that has not come to your attention. Is
- 5 that correct?
- 6 MR. PECAU:
- 7 Objection to the form of the
- 8 question.
- 9 THE WITNESS:
- 10 It's not something that I have any
- 11 direct knowledge of.
- 12 BY MR. HUDSON:
- 13 Q Okay. In response to the first
- interrogatory -- and we can look at the question.
- 15 I'm not trying to deprive you of that but I'm
- interested in part of the answer. It says,
- 17 "documents showing Regions great and successful
- 18 efforts to protect its famous Regions mark."
- 19 What information do you have about Regions
- 20 great and successful efforts to protect its famous
- 21 Regions mark?
- 22 A I have copies of opposition letters that
- 23 have been sent out and copies of the replies that

- 1 have been made saying that the person will cease
- 2 and desist using the name.
- 3 Q Were you able to determine when Regions
- 4 first started getting watch reports?
- 5 A I don't know. I believe I have watch
- 6 reports going back to, say, maybe 2002, 2003. But
- 7 I don't know if that was when they first started
- 8 getting watch reports.
- 9 Q And do you know when Regions first
- 10 started getting trademark search reports?
- 11 A I don't know.
- 12 Q Okay. Do you have any information to
- 13 indicate that Regions did anything proactive to
- 14 protect its mark between 1994 and 2002?
- 15 A I don't know.
- 16 Q Okay. Who should know the answer to
- 17 that question?
- 18 MR. PECAU:
- 19 Objection.
- THE WITNESS:
- 21 I don't know.
- 22 BY MR. HUDSON:
- 23 Q Okay. Does Regions, to your knowledge,

1	- do anything today to protect its mark proactively
2	- other than to obtain trademark search reports,
3	- watch reports and to write cease and desist
4	- letters and to file a lawsuit like this one or the
5	- one against Regional Finance?
6	MR. PECAU:
7	Objection to the form of the
8	question.
9	THE WITNESS:
10	Could you read the question back,
11	——————————————————————————————————————
12	THE REPORTER:
13	"Does Regions, to your knowledge, do
14	anything today to protect its mark
15	proactively other than to obtain
16	trademark search reports, watch
17	reports and to write
18	cease-and-desist letters and to file
19	a lawsuit like this one or the one
20	against Regional Finance?"
21	THE WITNESS:
22	I'm not sure that the watch reports
23	are the sole thing that's relied

on, in that I might get email 1 2 correspondence from Hope or I might 3 speak to Hope and some names will come up that may not have been in 4 5 the watch reports. BY MR. HUDSON: 6 7 Are you the business person that that information is supposed to come to? 8 9 Any information -- information comes to me from different sources. So Hope would be one 10 good example. And then, yes, it generally comes 11 12 to me. 13 Who is primarily responsible for having Q 14 that information within Regions Asset Company? 15 Α I would be within Regions Asset Company. And do you delegate the responsibility 16 17 for obtaining that information to lawyers? 18 Α Yes. I would rely on Hope internally and I would rely on, say, Steptoe externally. And 19 20 where Hope gets her information, I don't know. 21 Watch reports is one source.

Is there a reason that you don't order

the watch reports directly, yourself?

22

- 1 A They've been ordered through counsel in
- the past, and I rely on counsel's advice in
- 3 interpreting them.
- 4 Q Is that the only reason that you don't
- 5 order them, yourself?
- 6 A That's a sufficient reason.
- 7 Q Is there any other?
- 8 A No.
- 9 Q Is the same true of trademark search
- 10 reports?
- 11 A Yes.
- 12 Q Now, is the same true of searching the
- internet to determine whether there are domain
- names or other names in third party use?
- 15 A Again, we get that through the search --
- or the watch reports. I sometimes go on the
- internet to search, myself. But I really
- 18 systematically would rely on our outside counsel
- and the -- or our counsel and the watch reports.
- 20 Q Because you delegate that
- 21 responsibility?
- 22 A To get the watch reports, yes.
- Q Okay. I've marked for identification

Exhibit One Thirty-eight. Are those, in fact, the interrogatories that I asked you about and that you've read and answered questions about in this  $^4$ deposition? I'm just trying to identify them so when we can go back to the record, we'll know what you are looking at. - A Yes. MR. HUDSON: I don't have any further questions. MR. PECAU: --- I have no questions. FURTHER, DEPONENT SAITH NAUGHT. \* \* \* \* \* \* \* \* \*

1	NEAL BERTE, having been first duly sworn to
2	speak the truth, the whole truth, and nothing but
3	the truth, testified as follows:
4	EXAMINATION
5	— BY MR. HUDSON:
6	Q Dr. Berte, would you please state your
7	name for the record?
8	A Neal Berte.
9	Q Would you give us a brief sketch of your
10	employment history over the past twenty-five
11	years?
12	A All those years, I was at Birmingham
13	Southern, twenty-eight and a half years as
14	President and then two and half years as
15	chancellor. And then I'm fully retired now and I
16	have an office in downtown Birmingham at the
17	Landmark Center.
18	Q What association did you have with
19	Region 2020?
20	A I was the founding Chairman.
21	Q And what is the business of Region 2020?
22	A It is a citizen-driven region-wide

organization that gathered citizens together

- 1 across seventeen community meetings throughout
- 2 central Alabama and asked them to develop
- 3 priorities for the region of central Alabama.
- 4 And then we took all the priorities that the
- 5 citizens had come up with. This is almost from
- 6 Montgomery to Walker County to Cullman, throughout
- 7 central Alabama, Jefferson and other areas. And
- 8 then they prioritized those, the citizens did, at
- 9 a meeting at the Birmingham Museum of Art.
- 10 And so that's the agenda for Region 2020. As
- 11 you would expect, the priorities that citizens
- came up with were education, economic development,
- all sorts of environmental concerns and amenities,
- if you will, quality of life issues.
- 15 Q And does Region 2020 have a mission?
- 16 A It does.
- 17 Q What is that?
- 18 A It's a citizen-driven mission to improve
- the overall development of central Alabama.
- 20 Q Can you tell me the counties that are
- 21 within central Alabama that are part of the Region
- 22 2020 outreach?
- 23 A Well, it really shifted in recent years

- from twelve counties down to -- again, I'm no
- 2 longer Chairman of the board. But shifted to a
- 3 smaller number.
- 4 I think it's primarily about eight now. So
- 5 -- and as you would, those -- those -- as you
- 6 would expect, those are contiguous to the largest
- 7 populated area of Jefferson County.
- 8 Q Do you have an estimate of the
- 9 percentage of the population of Alabama that would
- 10 be within those eight counties?
- 11 A It would just be a guesstimate to be
- 12 honest with you. But, you know, my guess would be
- 13 somewhere in the range of thirty-three to forty
- 14 percent, something like that.
- 15 Q And do you recall the names of the eight
- 16 counties?
- 17 A Now, you're testing me here. Some of
- them were in and some of them were out.
- 19 Q Well, just do your best.
- 20 A Certainly Jefferson County, Cullman,
- 21 Walker, St. Clair, Blount, Shelby. I'm trying to
- think which ones stayed in and which ones didn't
- originally. Those are the primary ones, I guess,

- 1 now, for the mission of the organization.
- 2 But again, we went as far as Wetumpka and
- 3 Prattville in the citizen-driven meetings, and
- 4 also, I guess, the northern part of Cullman County
- 5 was as far as we went north.
- 6 Q Are there some counties that were once
- 7 in and are no longer in that you can recall?
- 8 A Well, I'm going to let Dalton respond to
- 9 that, the Executive Director. They shifted that
- in the last year or so since he's the new
- 11 Executive Director. I'm no longer --
- 12 Q So you're not sure which ones are in
- 13 now?
- 14 A That's right. He can tell you that when
- 15 you meet with him.
- Q Would you give me your best recollection
- of which counties were in at the time that you
- 18 were serving?
- 19 A Well, I'm just -- I want to be honest
- 20 here. All the way down to north of Montgomery.
- 21 And again, I think northern Cullman County was as
- far north as we went. So Calhoun County certainly
- 23 was included. I just don't want to say the wrong

1 thing.

- 2 And I'm not sure what that's got to do with
- 3 anything, to be honest with you. But that's my
- 4 best recollection.
- 5 Q Thank you. Who chose the name Region
- 6 2020?
- 7 A It was decided by about forty
- 8 individuals that met for a couple-year period and
- 9 looked at what other parts of the country did, for
- 10 example, Portland, Oregon; Chattanooga, Charlotte,
- in terms of getting people to think outside their
- immediate jurisdiction where they lived and try to
- look at a larger perspective in terms of utilizing
- the strengths of the central Alabama area, working
- together to ameliorate the weaknesses.
- 16 And out of that, there have been some
- 17 significant developments. I mean, in this area,
- 18 Homewood, Mountain Brook, Vestavia are now
- 19 cooperating on building a jail rather than all
- three jurisdictions building a jail separately.
- 21 Lots of inter-library cooperation that wasn't
- there before. We've made some in-roads on waste
- 23 management issues for central Alabama, also made

- 1 some in-roads on purchasing, cross communication
- 2 across law enforcement jurisdictions has
- 3 improved.
- 4 It still isn't what it needs to be but that's
- 5 the reason we chose Region 2020. We knew we
- 6 couldn't do this overnight.
- 7 And also, we continued to do some things like
- 8 professional development opportunities for
- teachers. We would get grants and do that kind of 9
- 10 thing, as well.
- 11 - Q Among these forty people that you spoke
- 12 of that chose the name Region 2020, were any of
- 13 - them associated with then First Alabama Bank or
- 14 - now, Regions Financial, or Regions Bank?
- 15 A You know, I really don't know. There
- 16 - were forty individuals, community types from all
- walks of life; I mean, from social service areas, 17
- 18 - cducation areas. Business certainly was
- 19 - represented. The church community was
- 20 - represented. Racial diversity. But I can't tell
- 21 -you, you know.
- 22 ----Q Were banks represented?
- 23 A I'm sure they were.

- 1 Q All right. And these people, were they
- 2 - fairly senior members of the community that
- 3 - participated?
- 4 A They were really, it was a diverse
- 5 - group, all ages.
- 6 Q When I said "senior", that didn't make
- -sense. I meant prominent. 7
- A Well, they were leaders, you know, in 8
- 9 - their own areas, some neighborhood presidents, for
- 10 - example, community leaders from Jefferson County,
- 11 - but also, somebody who worked in the utility area
- 12 - out of Wetumpka. So it was a cross section,
- 13 - deliberately a cross section of folks.
- 14Q And whoever served, for instance, from
- 15 - banking would be a leader, as well, in that field?
- 16 A Well, Richard Moore, for example, was --
- 17 still is, I think, involved from I think
- 18 Richard is from down in Coosa, down in that area,
- 19 - Coosa County. I'll be honest with you. I cannot
- 20 - remember who else out of the banking community
- 21 - even locally here would have been involved. I
- 22 -really can't.
- Q Is there a member of the board presently 23

- 1 - who is associated with Regions Bank or Regions
- 2 - Financial?
- A If you give me the list, I can tell you 3
- 4 <del>that.</del>
- Q I don't think I have it in front of me. 5
- 6 -----A Okay.
- Q Is there a Dowd somebody? 7
- A I don't think Dowd Ritter is a member of 8
- 9 the board currently. And I'm not sure he ever
- 10 - was, to be honest with you. He may have been. If
- 11 -you have a list --
- Q If I had it, I'd give it to you. 12
- 13 ----A Okay.
- 14 Q I'm not holding anything back from you.
- 15 A Okay.
- 16 Q Who is Dowd Ritter?
- 17 A He's chairman of Regions Bank.
- 18 Q Has he ever participated in any way with
- 19 Region 2020?
- 20 A Now, I don't know the answer to that.
- <del>Q Okay.</del> 21
- 22 A He certainly is a civic minded
- 23 individual and supportive of community causes.

- But whether or not he's been in any of the
- 2 meetings, I simply don't know, or can't remember.
- 3 Q I'm going to show you a document that
- 4 I'll mark as One Thirty-seven. I'll tell you that
- 5 it's a non-exclusive license agreement that
- 6 purports to have been signed by you on December 2,
- 7 1997. Have you seen that recently?
- 8 A Well, I did, because I asked for a file
- 9 copy from the Region 2020 office after I spoke
- 10 with you the other day briefly. I said to my
- 11 secretary -- and I think I mentioned that to you
- 12 too -- that I remember something back there.
- 13 And so -- and obviously, when I got the
- subpoena, I thought, well, I better remember more
- 15 specifically. So I called and asked the Region
- 16 2020 office to send me a copy.
- 17 And my recollection was correct. There was
- 18 something back there that lawyers had worked out,
- 19 this non-exclusive agreement. And I signed it as
- then Chairman of the board.
- 21 Q Do you recall now that you signed it at
- 22 that time?

23 A I do. And this is my signature.

```
1
    - Q All right, sir. Now, after you signed
 2
    - that agreement --
 3
      MR. PATERSON:
 4
            Can we mark that, Tom?
 5
      MR. HUDSON:
 6
       - It's marked.
 7
     MR. PATERSON:
 8
            - I'm sorry. I didn't hear you. I
 9
      ----apologize.
10
    MR. HUDSON:
11
    It was marked as One Thirty-seven.
12
       13
             Okay. I just didn't hear the
      exhibit number.
14
15
    BY MR. HUDSON:
16
          Q After you signed Exhibit One
17
     Thirty-seven, do you recall occasions when the
18
     bank raised any question with you about the use of
19
    its name?
20
         A I do not.
21
         Q
              Do you recall anything that the bank did
22
     with respect to quality control concerning the use
```

of its name?

1 MR. PATERSON: 2 I object to the form. 3 THE WITNESS: 4 I just want to make sure everybody 5 understands. I was the volunteer 6 Chairman. I think if there was any 7 official contact from the bank, 8 possibly I would have known that. I 9 can't recall any of that. But I 10 think obviously the person who might 11 know that would be the Executive 12 Director, who was the paid 13 professional. But I don't recall --14 I don't recall anything, any contact 15 after we signed this. 16 BY MR. HUDSON: 17 Okay. And that's consistent with what Q you told Dr. Turner, as well, isn't it? 18 19 Α It is. 20 Now, let me show you --21 Actually, I didn't -- I was not totally

sure when we talked because I -- this was a bolt

out of the blue. But anyway, I would just say to

22

- 1 you, I recalled something. But, you know, I had 2 to go get this. I've signed a lot of stuff as a 3 volunteer Chairman or the college over the years. 4 Q I understand. When you talked to Dr. 5 Turner, do you remember saying to him that you 6 didn't think the names were similar and that you 7 didn't think that you needed the permission of the 8 bank to use the name Region 2020? 9 MR. PATERSON: 10 Object to the form. 11 THE WITNESS: 12 Well, I mean, we did talk about the 13 term, Region 2020. And I had a 14 tough time even understanding what 15 Regions University was, to be honest 16 with you. But that's correct. 17 BY MR. HUDSON: 18 Q That is correct? 19 A Right. 20 Q Now, let me show you Exhibit One-ten 21 - that was previously marked, and ask you if you've
- 23 MR. PATERSON:

-seen that before.

1	——————————————————————————————————————	vhat-	is	that?

- 2
- 3 Here's a copy of it.
- THE WITNESS: 4
- It seems to me there was some sort 5
- 6 of this is probably not the right
- 7 word here. But lawyering, if you
- 8 --- will. I don't mean to say that
- despairingly. Back and forth. And 9
- 10 this was probably an earlier
- 11 document. I'm shown here as getting
- 12 a copy of it. But I -- you know,
- 13 that's about all I can say.
- 14 BY MR. HUDSON:
- 15 - Q Let me see if I can summarize
- 16 - correctly. Exhibit One-ten contains some earlier
- 17 - drafts, what ultimately was signed as Exhibit One
- 18 - Thirty-seven, but they are different. And you
- 19 - expect there was some lawyering going on before
- 20 - the final document was executed?
- 21 A That would be my guess. And again, I
- 22 - don't know that that would be irregular. I mean,
- 23 I think that's sort of —

- ----Q Normal? 1
- 2 - A That would be normal, I would think.
- 3
- 4 A Before you finalized a document. But I
- 5 <del>don't know.</del>
- 6 - Q Now, if you look at the first page of
- 7 Exhibit One-ten, it's addressed to Ann Florie,
- 8 -F-L-O-R-I-E. Who is she?
- 9 A She was then the Executive Director of
- 10 - Leadership Birmingham - I mean, Region 2020.
- 11 - She's now the Executive Director of Leadership
- 12 - Birmingham.
- 13 Q How long did she serve as Executive
- 14 Director?
- 15 A Maybe seven or eight years. Something
- 16 -in there.
- 17 Q The present Executive Director, as I
- 18 understand it, she or he has only been there a
- 19 very short period of time. Is that your
- 20 <del>understanding?</del>
- 21 A It is, wh huh.
- 22 Q And who was the previous Executive
- 23 Director?

- 1 A Who followed Ann Florie?
- 2
- A Guin Robinson. 3
- Q Where is she located now? 4
- A That's a man. He's --5
- 6 O I'm sorry?
- 7 A It's a man, G-U-I-N. And he, I believe,
- 8 lives in Talladega County. He had been a long
- 9 time mayor of Pell City, and as a volunteer, had
- 10 - been very active in citizen meetings for Region
- 11 - 2020. And he was really a natural to move up to
- 12 - that position. He was head and shoulders the
- 13 - strongest candidate to follow in.
- 14 - Q Do you know whether he's employed or not
- 15 -now?
- A I think the last I heard, he was 16
- 17 - employed doing some sort of manpower training
- 18 - program through the state. In other words,
- 19 - working for the State of Alabama. I think that's
- 20 -right, in the area of manpower training in
- 21 <del>- Talladega.</del>
- 22 He may still live in Birmingham because I
- 23 - think he's a member of the Regional Transportation

- 1 - Board in Birmingham still.
- 2 O Did you have an opportunity to review
- 3 - Exhibit One ten prior to today?
- 4 A Did not. I mean, I may have. It shows
- 5 - that I got a copy back in October of '97 but I did
- 6 - not see this in the same way --
- 7 - Q You didn't review it in preparation for
- 8 -your deposition today?
- 9
- 10 Q Would you look at the fourth paragraph
- 11 - of the Non exclusive License Agreement attached to
- 12 Exhibit One ten, please?
- 13 A Duration and termination? Is it 4.1?
- 15 -similar". Do you see that?
- MR. PATERSON: 16
- 17 Is this the one that's signed or not
- ---signed? 18
- 19
- ----One-ten. 20
- 21 BY MR. HUDSON:
- 22 Q And I would also like you to compare it
- 23 to the one that was signed, Exhibit One Thirty-

- 1 seven. Do you see the clause that says, "the
- 2 - Licensee's name is deceptively similar"?
- A I'm sorry. Just a minute here. I 3
- 4 -apologize.
- Q Let me point it out to you. 5
- 6 A Sure.
- O Right here. 7
- A Oh, okay. 8
- 9 Q And I would ask you to compare it with
- 10 - One Thirty seven. If you'd look at One-ten,
- 11 - please, sir, you can see the phrase that says,
- 12 - "where the Licensee's name is deceptively similar
- 13 - to the Licensor's Registered Marks so as to be
- 14 - likely to cause confusion in the marketplace."
- 15
- 16
- 17 A I see that, uh huh.
- Q All right. And was that clause omitted 18
- from the Exhibit One Thirty seven that you signed? 19
- 20 A I believe so.
- Q Do you recall why that was omitted? 21
- 22
- Q Okay. Now, if you'll look, please, at 23

- 1 - the first license agreement that appears in
- 2 - Exhibit One ten, and look at Section 2.1 of it
- 3 - where it says "Royalty Payment".
- A Uh-huh. 4
- Q And then compare that, if you will, to 5
- 6 - the second license agreement that is attached to
- 7 - One ten, specific to Section 2.1.
- A It's a difference of a thousand dollars 8
- 9 - in one versus the hundred dollars in the other.
- 10 - Q Yes, sir. Specifically, it says for the
- 11 - record, "Licensee shall pay to Licensor a royalty
- 12 - of one thousand dollars per year until the
- 13 - expiration of the Registered Marks or any renewals
- 14 - thereof", and it goes on.
- 15 - And in the second one, it says, "Licensee
- 16 - shall pay the Licensor a royalty of one hundred
- 17 - dollars per year until the expiration of the
- 18 - Registered Marks or any renewals thereof".
- --- Is that correct? 19
- A It is. 20
- 21 Q And would you compare that to Section
- 2.1 of One Thirty seven, the one you signed? 22
- A You mean the thousand dollars versus the 23

- -hundred dollars?
- 2 Q Yes. What does it say in 2.1 of the one
- 3 -you signed?

- A "Royalty Payment. Licensee shall pay to 4
- 5 - Licensor a royalty of a thousand dollars per year
- 6 - until the expiration of the Registered Marks or
- 7 - any renewals thereof. All royalties shall be paid
- 8 - yearly, based on a calendar year, on or before the
- 9 -last day of any month following the end of a
- 10 <del>- calendar year".</del>
- 11 - Is that what you're -
- 12 - Q I think we're confused. You're reading
- 13 -from One-ten.
- A I apologize. 14
- 15 Q That's all right. Let's start over
- 16 - again and it will make the record make more
- 17 - sense. And that's quite all right.
- Would you first look at Exhibit One ten at 18
- 19 - Section 2.1, the first license agreement? Does it
- 20 - say "Licensee shall pay the Licensor a royalty of
- 21 - a thousand dollars per year until the expiration
- 22 - of the Registered Marks or any renewals thereof "?
- 23 ----A --- It does.

- 1 Q And then later in One-ten, as part of
- 2 - the attachments, there is another unexecuted
- 3 -license agreement, is there not?
- 4 A Why don't you just tell me exactly where
- 5 - you're-looking?
- 6 Q Yes. Right here.
- A And you're saying One-ten? 7
- 8 ---- Q You can use mine.
- 9 A Okay. I apologize. I'm not trying to
- 10 - be dense here.
- 11 --- Q Okay. If you would just read Section
- 12  $\frac{-2.1 \text{ of that.}}{}$
- 13 - A "Licensee shall pay to Licensor a
- 14- royalty of a hundred dollars per year until the
- 15 - expiration of the Registered Marks or any renewals
- 16 <del>- thereof."</del>
- 17 - Q All right. Now, let's look at Section
- 18 2.1 of Exhibit One Thirty-seven, which is the
- 19 - license agreement you actually executed.
- -----A Right. 20
- 22 - A "Licensee shall pay to Licensor a total
- 23 royalty of a hundred dollars which shall be the

- 1 total payment due from Licensee during the
- 2 <u>duration of this license.</u>
- 4 <u>negotiation progressed from being asked for a</u>
- 5 thousand dollars per year to then being asked for
- 6 a hundred dollars per year, to then being asked
- 7 for a hundred dollars as a total payment?
- 8 A I really can't. I mean, I wasn't
- 9 involved. To my knowledge, I was not involved in
- 10 all that. If I was, it's been a while and I don't
- 11 recall any negotiation like that.
- 12 Q But you do know that you were asked to
- 13 sign the final agreement.
- 14 A I was, uh-huh.
- 15 Q Why would it be that you would sign the
- 16 final agreement?
- 17 A I guess we're incorporated as a -- and
- still are -- as a not-for-profit 501 -- is it (c)
- 19 (3) or (3)(c) -- organization. So as Chairman of
- 20 the board, along with the Executive Director, I
- 21 would have, I guess, had that responsibility, or
- that's what Alton Parker recommended, who
- represented Region 2020 in all this.

- Recommended that you sign documents such 1 2 as Exhibit One Thirty-seven? 3 A Well, he's the one that recommended 4 this. There's no question about that. 5 Do you recall that? 0 6 A I do not. 7 Okay. Q 8 In fact, again, I had to think about it Α 9 after we had the initial conversation. And then I 10 got the subpoena and thought about it some more 11 and said to my secretary, you know, what I did. And then we called Region 2020 and asked for a 12 13 xerox copy and they sent it over Thursday. 14 0 And is it fair to say that but for that 15 inquiry, you wouldn't have thought about any 16 relationship between Region 2020 and Regions Bank 17 at all? 18 MR. PATERSON: 19 Object to the form. 20 THE WITNESS: 21 I don't think so. 22 - BY MR. HUDSON:
- 23 Q You don't think you would have thought

- 2 A Right.
- 3 Q How long were you the Chairman of the
- 4 board of Region 2020?
- 5 A From its inception until last February.
- 6 Q This February?
- 7 A This past February, '07.
- 8 Q And what are the job responsibilities of
- 9 the Chairman of the board of Region 2020?
- 10 A Convene the annual meeting and serve as
- 11 a member of the executive committee. And in the
- 12 course of the ten years plus of the organization,
- 13 that involved participating on search committees
- 14 to hire the Executive Director, very much an
- 15 Executive Director driven organization in terms of
- the day-to-day operation, as a lot of non-profits
- 17 are.
- 18 Q Were you paid as Chairman of the board?
- 19 A No.
- 20 Q Did you attend each board meeting?
- 21 A I did.
- Q How frequently did the board meet?
- A Annually. And there were maybe one or

- 1 two times that we met twice a year. But
- 2 typically, it was just an annual meeting to
- 3 approve the budget and the finances and get a
- 4 status report on what happened during that year.
- 5 - Q Did you participate in other meetings
- 6 - with Region 2020 that were not board meetings?
- 7 A I went to almost all seventeen meetings
- 8 - all over central Alabama.
- 9 - Q And how frequently were those meetings
- 10 --conducted?
- 11 A Well, those were conducted in about a
- 12 - four month period all over central Alabama back
- 13 - when we started the organization.
- 14Okay. Did you attend any other meetings
- -of Region 2020? 15
- 16 A I'm sure, off and on, I did attend
- 17 - public hearings and just as an interested citizen,
- 18 - not necessarily as Chairman of board. But I
- 19 - certainly attended educational functions because
- 20 of my role and my interest in education, but also
- 21 - attended a few other public hearings on issues
- 22 - over the period of time.
- 23 Q Did the board do any of its work through

1	-eommittees?
---	--------------

- 2 A Not not really. The executive
- 3 - committee was the strongest organized group. And
- 4- basically, we did not function by committees. We
- 5 - had a strong, lean staff with the Executive
- 6 - Director and a secretary, basically. And then we
- 7 - hired somebody part time to assist with public
- 8 - information and that kind of thing.
- 9 - Q To whom did the Executive Director
- 10 <del>-report?</del>
- 11 A To the executive committee.
- 12 - Q And were you on the executive committee?
- ----A I was. 13
- Q For this entire time? 14
- ----A Yes. 15
- Q And was the Executive Director 16
- 17 - responsible to the executive committee?
- ---- A Yes. 18
- Q Did the executive committee direct, at 19
- -least in broad terms, the activities of the 20
- 21 - Executive Director?
- 22 A Yet. But I think it's fair to say that
- 23 the mission of Region 2020 is to implement the

- 1 - citizen developed goals from those seventeen
- 2 - meetings that we had all over central Alabama.
- In other words, it was not an executive 3
- 4 - committee driven organization, nor was it a full
- 5 - bore driven organization. It was, these are the
- 6 - goals the citizens have come up with, now, do what
- 7 you can to try to implement those.
- Q And was the Executive Director's 8
- 9 - function primarily one of implementation of those
- 10 <del>-goals?</del>
- 11 A It was.
- 12 - Q Did the board, itself, set the goals?
- 13
- Q Okay. Once the goals were recommended 14
- 15 - and suggested by citizens, did the board determine
- 16 - which would be pursued and which would not?
- 17 A Well, I mean, the mission is to pursue
- 18 - all of them. That sounds very idealistic, but
- 19 - that was the goal anyway. So we didn't pick and
- 20 -choose.
- Q Did you prioritize? 21
- 22 A We didn't. The citizens did, the
- 23 Birmingham Museum of Art.

1	Okay. Now, to whom was the Executive
2	- Director expected to turn for advice and help in
3	- the event that the Executive Director encountered
4	- some difficulty in performing the job?
5	- A She would talk certainly to members of
6	- the board, members of the executive committee.
7	- And then because of the citizen-driven nature of
8	- the organization, she would also talk to experts
9	- in the field.
10	For example, she might talk to the chief of
11	- police in Birmingham, as well as the Sheriff of
12	Jefferson County about law enforcement issues,
13	- even though those individuals were not on the
14	- executive committee or on the board, to my
15	- knowledge, if I'm remembering correctly.
16	But that's just an example. In other words,
17	- you went for resources across the area in the
18	- particular topic area of interest or work area at
19	- that point; somebody from waste management,
20	whatever:
21	But certainly, you know, try to respect the
22	goals that the citizens had come up with.
23	MR. HUDSON:

1 I don't have any further questions, 2 Dr. Berte. Thank you. <del>EXAMINATION</del> 3 4 BY MR. PATERSON: 5 Q Dr. Berte, my name is Charlie Paterson. 6 I represent Regions in this litigation. I have 7 just a very few questions for you. 8 During the course of your relationship with 9 Region 2020, are you aware of any violation of 10 this license agreement that has been identified, I 11 think, as Exhibit Number One Thirty-seven? 12 A I am not. And I do think, as a member 13 of the executive committee, I would have known if 14 something like that came up. But I don't recall 15 ever. 16 - Q If Regions 2020 violated the license and 17 - used the name in a way that was offensive to 18 - Regions Bank, would you, as an executive committee 19 - member, expect to hear from Regions Bank? - A I would. And I don't mean to be out of 20 21 - line here. But it is Region 2020. It's not 22 - Regions 2020. And I don't -Q Did I say "Regions"? I'm sorry if I 23

- 1 did.
- 2 A You did. But I just want to be sure.
- 3 Q Okay.
- 4 ---- A In fact, we even set it up in such a way
- 5 that Region 2020, I think the N actually, with the
- 6 logo, runs into the first 2.
- 7 Q Did Regions Bank or Regions Financial
- 8 always participate in Region 2020 as a supporter
- 9 and a contributor?
- 10 A You use the word "always". I'll just
- 11 qualify and say to my knowledge, they usually
- 12 did. And again, it's just another example. Both
- 13 AmSouth and Regions have been great community
- 14 citizens. So, yes, they typically were one of the
- 15 funders of the organization.
- 16 Q Take a look at this Exhibit One-ten that
- was placed in front of you. Look at the last page
- of it. This is a copy of a letter that was cc'd
- 19 to you on November 2nd, 1997. Do you see that?
- 20 A Yes.
- 21 Q Look down at the directors. Am I
- 22 correct in understanding that this is the board of
- 23 directors of Region 2020 at the time shown here,

- 1 November of 1997?
- 2 A I believe that's correct.
- 3 Q Now, if you look down on that list, you
- 4 see the name Stan Mackin, Mr. Stan Mackin. It's
- 5 about halfway down.
- 6 A Yes, sir.
- 7 Q Do you know Stan Mackin?
- 8 A I do.
- 9 0 Who is he?
- 10 A He's the retired chairman of the board
- 11 of Regions Bank.
- 12 Q Okay. And was Stan Mackin on the board
- of directors of Region 2020 in November of '97?
- 14 A Yes, sir.
- 15 Q Now, I also see down -- look down below
- 16 Mr. Mackin's name. There's a name, Alton Parker.
- 17 Is that the lawyer at the Spain Gillon firm that
- assisted Region 2020 with this license agreement?
- 19 A It is. And I can also say that Alton
- 20 was one of the original forty or so folks that
- 21 served as a volunteer and came to all those
- 22 meetings we had that decided what the organization
- 23 could look like. And I see Dowd Ritter's name

- 1 there too, in response. I want to be honest about
- 2 that.
- 3 Q So that's the Dowd Ritter that is
- 4 currently the chairman of Regions Bank?
- 5 A That's correct.
- 6 Q Do you know a lady named Sheila Blair?
- 7 A I do.
- 8 Q Do you know whether or not Sheila Blair
- 9 has ever served on the board of directors of
- 10 Regions Financial?
- 11 A I do. She did.
- 12 Q Does she still serve?
- 13 A I think she's fully retired. If she
- does, I'm not aware that she's currently serving.
- 15 But she did at one point.
- 16 Q Now, when did you become aware that
- 17 Southern Christian University had changed its name
- 18 to Regions University?
- 19 A Well, no offense. But it was when I got
- 20 the phone call from Dr. Turner.
- 21 Q And tell me about that phone call. When
- 22 was it and what was discussed?
- 23 A It was within the last two to three

- 1 - months. And you left me a number of messages
- indicating that we needed to talk, and left me 2
- your cell phone. And I called back and you called 3
- 4 - back. And we missed each other and finally we
- 5 -connected.
- Q And what was the substance of that 6
- 7 - conversation, just in your own words?
- 8 - A Just asked me about the relationship
- 9 - between Region 2020 and Regions Bank. And that's
- 10 -- it was a pretty short conversation, reminded me
- 11 - that we had met at the university years ago. And
- 12 - I appreciated that. But that that was also
- 13 - part of our conversation.
- 14 Q Did he tell you that Southern Christian
- 15 - University had changed its name to Regions
- 16 - University?
- 17 - A I think so. I think that's where I
- 18 - first learned that the change had taken place.
- Q Did you have any discussion with Dr. 19
- 20 - Turner as to why they changed their name?
- A Not to my knowledge. 21
- 22 - Q Did you talk about this lawsuit that
- 23 you're here today testifying in?

- 1 A No. I asked what was going on. And I
  2 can't remember the exact words. But it was
- 3 pointed out that there was some confusion and
- 4 questions being raised about Regions University,
- 5 the new name for Southern Christian and the bank.
- 6 Q What did he tell you about that
- 7 confusion?
- 8 A Well, he just wanted to know from my
- 9 perspective about Region 2020. And I was a little
- 10 bit confused and a little more dense, I quess,
- 11 than I am this morning. But it took me a while to
- 12 <u>really connect as to what issue we had.</u>
- 13 Q Now, you were Chancellor of Birmingham
- 14 Southern College for how long?
- 15 A Let's see. Two and a half years. Till
- this past December 31st, '06.
- 17 Q And you have been in the education
- business a number of years, haven't you?
- 19 A I have.
- 20 Q Are you aware of a situation where
- 21 schools sometimes change their names to reflect
- the influence of financial support of Donors?
- 23 A I am.

1	Q Can you give me an example of some of
2	those?
3	A Well, I mean, there are all sorts of
4	motivations for changing names. Southwestern
5	University certainly did that.
6	Q What about Duke University?
7	A Duke did that, certainly. Babson
8	College up in New York State. I mean, there are a
9	number of schools.
10	Q Did Oral Roberts do that?
11	A Sure.
12	Q Now, if a school if a college changed
13	its name to Wachovia University or SunTrust
14	University, would you think or wonder if those
15	schools were associated with the banks by those
16	respective names?
17	MR. HUDSON:
18	Object to the form of the question.
19	THE WITNESS:
20	I would. I mean, those are those
21	are direct links to very visible
22	corporate entities. So so I
23	would.

- with Dr. Turner,
- 3 - have you had any chats with anybody else about
- 4 - this deposition today or about this lawsuit?
- A I did call Ann Florie, who was the 5
- 6 - former-Executive Director, since I'm in the same
- 7 - building with her, and asked her if she had been
- 8 - subpoenaed. And she said she had not been.
- 9 And we both sort of agreed we wouldn't talk
- 10 - further. And she said, you really need to talk to
- 11 - Dalton to get a copy of that form that I raised
- 12 - with her that I said back in the back of my mind.
- 13 - And so I called then Dalton who was down at
- 14- the beach, Dalton Smith. And he said he would
- 15 - have his secretary fax me a copy, and she did.
- Q Have you talked to anyone else about it? 16
- 17
- -----Q Have you talked to Mr. Hudson, here? 18
- 19 - A - I'm sorry. He called - I called him
- 20 - the other day because I couldn't figure out what
- 21 - was going on. His secretary said something about
- 22 - I was going to get a subpoena.
- 23 And my secretary didn't ask enough questions

- that I thought, well, this is a bit of -- I have 1
- 2 - no idea what this is about. So I called back and
- 3 <del>-asked.</del>
- 4 - Q Did Tom tell you what the case was
- 5 <del>-about?</del>
- A Yeah, I mean 6
- Q What did he tell you? 7
- 8 ----A Just --
- 9 - Q In your own words.
- 10 A Just that it would be helpful if I would
- 11 - testify as one of the persons involved in the
- 12 - carly operation of Region 2020.
- 13 Q Did he ask you to testify to any
- 14 - particular thing or anything like that?
- 15 A He did not.
- 16 MR. PATERSON:
- 17 I don't have any further questions.
- Thank you so much though. 18
- 19 ---EXAMINATION
- 20 - BY MR. HUDSON:
- 21 Q I've got just a couple and then we'll be
- 22 - through. Do you recall that when Dr. Turner
- 23 - called you that you told him that you were unable

- 1 - to connect Region 2020 with Regions Bank?
- 2 A Well, I said, "I'm having difficulty
- 3 - trying to figure out what this is really all
- about." And then I finally did as we talked 4
- 5 further. But I wasn't even clear then other than
- 6 - in the back of my mind.
- 7 And when I hung up the phone, I talked to my
- 8 - secretary, who's been with me for thirty one
- 9 - years. And I thought that's what it was.
- 10 Q Before you talked to your sceretary, did
- 11 you even remember that you had signed Exhibit One
- 12 -Thirty seven?
- 13 A I remembered that there was some
- 14- conversation, some issue back there early on. But
- 15 - I'll be honest with you, until I sat and thought
- 16 - about it, I didn't - didn't put together the - I
- 17 - didn't remember the agreement. And so
- And do you remember after the date that 18
- 19 - the agreement was signed, anything coming up about
- the subject of the agreement at all at any time? 20
- 21 A I don't. And I think I would have known
- 22 - if Regions was upset with Region 2020. I think I
- 23 - would have known about that.

11	EXAMINATION
12	BY MR. PATERSON:
13	Q. Ms. Fulghum, as I indicated to you, my name
14	is Charlie Paterson. I'm a lawyer for
15	Regions Bank, and I've got a series of
16	
17	through this rapidly because we're taking a
18	telephone deposition and taking up
19	
20	else's.
21	A. Okay.
22	Q. If you have any questions or you - if I'm
23	unclear or you don't understand a question,

- 2 A. All right.
- 3 Q. I need you to state your whole name for the
- 4 record and then your residence address,
- 5 please.
- 6 A. Patsy Mott Fulghum. And my address is 62
- 7 Wateree Key Drive, Greensboro, South
- 8 Carolina 29180.
- 10 A. I'm at home.

2		me about that.
3	<u> </u>	Just if we have students with problems and

13	<u></u>	address and help them with it.
14	<del>Q.</del>	Tell me what the appeals committee is.
15	A.	The appeals committee is basically for
16		students when they need assistance and no
17		one - due to policy, someone cannot do
18	<del></del>	anything about it and then they go to the
19		appeals committee to appeal any problem

What I'm 20 trying to figure out, have they shipped you 21 any materials in addition to what you can 22 - download or view on the Internet? 23 A. By mail or UPS - no, I haven't that I can

- 1 remember. I mean, over the past year or
- 2 so, there could have been something sent to
- 3 me by mail. Sometimes I get mail there and
- they send it, but I don't remember anything 4
- 5 \_\_\_\_specific. I mean, I could have. I just --
- --- I just don't remember. 6
- 7 Q. How do you get your paycheck?
- 8 A. I get it by mail.
- 9 Q. Does it come from Montgomery?
- A. Yes, it does. 10
- 11 Q. Does ever a part of your job -- Does your
- 12 job ever include talking to prospective
- 13 students and trying to sell them on the
- 14 school or convince them that it's a good
- 15 thing to do, enroll in the school?
- 16 MR. HUDSON: Object to the form.
- 17
- 18 -A. I'm sorry. I didn't hear that.
- 19 Q. Do you ever have occasion in the course of
- 20 your job duties to try to convince somebody
- 21 to attend Regions University?
- 22 A. As a recruiter, yes, I have.
- 23 Q. Do you have any recruiting tools other than

Τ		what you may get off the internet, the
2		school's Web site?
3	Α.	I primarily go by the Web site.
4	<del>Q,</del>	Do you keep either some kind of record,
5		either paper or electronic, of the number
6		of calls you get from prospective students?
7	<u> </u>	-No, I don't.
8	<del>Q</del>	If you wanted to try to figure out how many
9	<b>#</b>	prospective students that you've helped get
10	<del>garanta ta t</del>	enrolled there, how would I go about doing
11	<del></del>	<del>that?</del>
12	<u>A</u>	The students generally fill out a request
13		for information on the Web or we will fill
14		it out for them, and the request for
15	<del></del>	information is the only way I can go back
16		and access that.
17	<del></del>	Would any request for information have a
18		reference to someone like yourself they've
19	•	talked to?
20	·····	In other words, if the school has a
21		record like if I have a request for
22		information, me personally, at the school
23		and I've talked to someone like you, would

- 1 it make reference that I had spoken with a
- 2 ----representative of the school?
- 3 A. I don't know. I don't know. I don't get
- that information, so I don't know. 4
- Q. Do you help prospective students fill in 5
- this form online when they call you? 6
- 7 A. At certain times. If they have not filled
- it out, I do. 8
- 9 - Q. And when you're filling it out, do you ever
- 10 - make reference to the fact that they've
- 11 --- talked to you?
- A. There may be times -- certain times on the 12
- 13 - comment section that I may say that I spoke
- 14 with that student on the telephone and that
- they are interested in an advisor calling 15
- 16 them, and I will put my initials on there,
- 17 but that's only if I -- if they want to
- 18 talk with an advisor.
- 19 Q. Now, if someone just - do you have caller
- 20 - ID on your phone?
- 21 A. Yes, I do.
- 22 Q. What does it show where does it show
- 23 this call was initiated from today we're

- 1 ---making?
- 2
- 3 --- Q. Do you have a caller ID record of the
- 4 people that call in there? Does the phone
- 5 — company print that out for you at the end
- of the month, anything like that? 6
- 7 -- A. No.
- 8 Q. Do you keep a record of it?
- 9 --- A. I'm sorry?
- 10 - Q. Do you keep a record of the date and time
- and numbers of calls that come in? 11
- A. No, I don't. 12
- 13 Q. So you can't you have no record am I
- 14 - correct in understanding, you have no
- 15 records that show how many calls you field
- 16 ----per week?
- 17 A. No, I don't have that record, no.
- 18 - Q. I mean, is there such a record?
- A. I don't know. 19
- 20 - Q. If you wanted to figure out how many calls
- 21 you fielded last week, what would you do?
- 22 A. The only thing I would do is my
- 23 telephone does keep the caller ID for so

1		many - for a certain number of calls and
2		then it will drop the calls. So I can look
3		back, but it only records a certain number
4		of calls as far as I know. I've never had
5		to do that, so I really don't know.
6	<del>Q.</del>	Nobody at the school has ever asked you to
7		go back and say, how many people did you
8	<del>- , , , , , , , , , , , , , , , , , , ,</del>	talk to last month or last week?
9	A.	<del>No.</del>
10	Q.	And am I right in understanding that the
11		information you give to prospective
12		students about the school you get off the
13		school's Web site?
14	Α.	Generally, yes, either the Web site or the
15		catalog that's on the Web site.
16	<del>Q.</del> -	If I was a prospective student and called
17	<del></del>	you and asked you the question how many
18		undergraduate students were enrolled in the
19		school last year, how would you go about
20		finding that answer?
21	A.	I would probably contact someone at the
22		college and try to get that number.
23	<del>Q.</del>	Who would you call?

- 1 A. I'd probably call Barbara Turner in the
- 2 <del>business office.</del>
- 3 Q. Do you know how many undergraduates were
- 4 enrolled last year at the school?
- 5 A. I really don't.
- 6 Q. Have you got any judgment? I mean, is it a
- 7 <u>hundred or 500 or a thousand?</u>
- 8 A. I don't I don't know.
- 9 Q. Do you know how many are enrolled right
- 10 now?
- 11 A. No, I don't.
- 12 Q. Do you know what the current tuition is for
- 13 a prospective student in the undergraduate
- 14 <del>program?</del>
- 15 A. Yes, I do.
- 16 Q. How much is that?
- 17 A. 250 per credit hour.
- 18 Q. And where do you get that information from?
- 19 A. It's on the Web site.
- 20 Q. So you don't have any judgment at this time
- 21 <u>about how many undergraduate students there</u>
- 22 <del>are?</del>
- 23 A. I don't.

1	Q. If a student asked you about what the
2	admission standards are, what do you tell
3	<del>them?</del>
4	A. I direct them to the Web site. And on the
5	Web site it's got four steps, and they are
6	to follow those four steps of admission.
7	MR: PATERSON: Let me ask you
8	this. We have another I'm
9	just about I'm almost done
10	with you, a few more
11	
12	another telephone deposition
13	of Mrs. Carolyn Hughes, and
14	she's at another number.
15	- I think what I need to do
16	is call Mrs. Hughes and tell
17	her we're going to be a few
18	minutes late, so can we take a
19	quick break and or, Tom, do
20	you want to do that?
21	MR. HUDSON: No, that's fine.
22	Somebody needs to do it I
23	suppose.

-		THE WITHESS. IT you don't mind,
2	<del></del>	can do that. I can just pause
3		this and call her.
4		MR. PATERSON: Pause it and do
5	***************************************	that and tell her it will be
6		about 15 to 20 minutes and
7	<del></del>	we'll be in touch with her.
8		(Brief recess was taken.)
9	Q.	So if a student calls and asks what type
10		of you know, are any high school grades
11		required or any standardized test scores,
12		anything like that required, how would you
13		answer those kind of questions?
14	Α.	All of that is on the Web site. And they
15		could go to the Web site and see what the
16		admissions requirements are and register
17		they can register online. They find out
18		all that information there.
19	Q.	Do you typically get calls from prospective
20		students at some times of the year more
21		than others? Like now it's August now. Do
22		you get more calls, say, this time of year
23		for people trying to enroll in the fall?

- 1 A. Yes, we do.
- Q. So there's some times of the year more
- 3 active than others with prospective
- 4 students?
- 5 A. Oh, yes.
- 6 Q. What are your most active times?
- 7 A. Generally, it's the fall of the year
- 8 because everybody looks at that as the
- 9 beginning.
- 10 Q. Okay. Do you typically get those calls
- 11 <u>from prospective students during the day?</u>
- 13 the day, don't you?
- 14 A. Yes.
- 15 Q. If I called your number after hours, would
- 16 I get an answering machine and you'd call
- 17 <u>me back?</u>
- 18 A. Well, since I'm at home, I do answer the
- 19 phone at times. But if I'm not logged in
- 20 and you called the general number, it would
- 21 <u>not go through. If you called my number</u>
- 22 direct, I would answer it if I was in the
- 23 house.

- 2 <u>in the yard and you go walk to the</u>
- 3 mailbox and your number, you know, rings,
- 4 will it roll over to someone else?
- 5 A. Yes, it will roll over.
- 6 Q. Who does it roll over to?
- 7 A. I'm not sure, but I think it goes to the
- 8 basic operator.
- 9 Q. All right. And do you know where that
- 10 person is located?
- 11 A. Well, the main operators are on the main
- 12 <u>campus in Montgomery.</u>
- 13 Q. Now, do you know when the school advertises
- 14 on TV or radio?
- 15 A. I don't.
- 16 Q. Do you know who determines what schedule
- 17 the advertisements will be placed?
- 18 A. I think it's our marketing director.
- $19 \quad \overline{Q}$ . Who is that?
- 20 A. Laina Costanza.
- 21 Q. Do you typically field more calls from
- 22 <u>prospective students after advertising has</u>
- 23 been run?

- 1 A. I really don't know. A lot of times they
- 2 don't say, so I couldn't answer that. I
- 3 - don't know.
- Q. Are you advised by the school prior to the 4
- time ads are going to be run? 5
- 6 - A. No.
- 7 Q. Now, let me call your attention to calendar
- year '07, which is this year, as opposed to 8
- 9 - calendar year of last year. In your
- 10 judgment, have you received more calls from
- 11 - prospective students this year or last
- year? 12
- 13 A. I really haven't noticed any difference.
- 14Q. Is it fair to conclude -- In your judgment,
- 15 - it's about the same each year?
- 16 A. I just can't remember last year as opposed
- 17 to this year, so I really couldn't answer
- 18 <del>----that.</del>
- 19 - Q. Did you tell me previously there are no
- 20 logs or records that would show the volume
- 21 -- of calls that you receive?
- 22 A. Actually, I don't I don't know if there
- 23 are records. I don't get those records, so

- 1 ----I don't know.
- 2 - Q. Like if I was trying to figure out did you
- 3 talk to more prospective students in August
- 4 of this year or August of last year, do you
- 5 know how I might go about figuring that
- 6 ----out?
- 7 - A. I really don't know.
- 8 Q. Who would you contact if you wanted to
- 9 ----know?
- 10 A. Probably either Barbara Turner at the
- 11 business office or we have an enrollment
- 12
- 13 Q. Has anyone at the school ever told you how
- 14to reply to someone that asked if there was
- 15 -----a connection between Regions University and
- 16 ----Regions Bank?
- 17 --- A. Not that I remember.
- 18 Q. What I'm trying to figure out is, have you
- 19 gotten any instructions on how to field a
- question like that? 20
- 21 A. We pretty well field the question with --
- 22 stating that we're Regions University. I
- 23 don't know that it's -- we haven't had any

1	 ~ -	່ຳກ	· i ->	<u>-</u>		th > +
1.	 TC	CT1	LTT	9 -	T.T.T	CHULT

- 2 Q. Let me review my notes. I think we're
- ----about done. 3
- 4
- 5 whether or not there was some connection
- 6 between Regions University and Regions
- 7 Bank, did you report this to anyone at the
- 8 ---school?
- A. I didn't report it. It was just mentioned 9
- 10 in a general conversation.
- O. Who did you tell about that? 11
- A. Dr. Rex Turner. 12
- 13 - Q. What did you tell him?
- 14 - A. Just in a general conversation, I told him
- 15 --- that we had received a call that someone
- asked if we were affiliated. 16
- 17 Q. And what was his reply to you?
- A. He just he didn't really have much to 18
- 19 say. He just didn't reply - I mean, he
- 20 didn't really say much of anything.
- 21 - Q. Was that a face to face conversation with
- Dr. Turner or over the telephone? 22
- 23 A. No, that was on the phone.

1	MR. PATERSON: I think that's all
2	I've got, and I sure
3	appreciate your help.
4	THE WITNESS: Okay.
5	MR. PATERSON: Tom?
6	MR. HUDSON: I don't have any
7	<del>questions. Thank you.</del>

Green, 7 Registered Professional Reporter and Commissioner for the State of Alabama at Large, without the 8 formality of a commission, that objections to 9 10 questions other than objections as to the form of 11 the question need not be made at this time but may 12 be reserved for a ruling at such time as the said 13 deposition may be offered in evidence or used for 14 any other purpose by either party provided for by 15 the Statute. 16 It is further stipulated and agreed by and 17 between counsel representing the parties in this 18 case that the filing of said deposition is hereby waived and may be introduced at the trial of this 19 case or used in any other manner by either party 20 hereto provided for by the Statute regardless of the waiving of the filing of the same. 22 It is further stipulated and agreed by and

PATERSON: 13 Q. Ms. Hughes, would you state your whole name 14 and your residence address, please, ma'am. 15 Carolyn Delight Hughes, 72 Military Road, Α. 16 Marion, Arkansas. Zip Code is 72364. 17 Q. And where are you now, please, ma'am? 18 Α. I am at my residence at the section in the 19 house where I have the computer set up. 20 Ο. And have you got an in-house office there? 21 Α. Yes. 22 Q. Are you employed by Regions University?

23

Α.

Yes, sir.

- 1 Q. How long have you been employed at Regions?
- A. Since, I would say, November of 2005.
- 3 Q. What is the mailing address where you
- 4 receive any kind of mail for your Regions
- 5 University job?
- A. Well, if the school mails me anything, they
- 7 mail it to probably Post Office Box 209,
- 8 Marion, Arkansas.
- 9 Q. Is that where you get your paycheck?
- 10 A. I believe so, yes.
- 11 Q. And how often are you paid?
- 12 A. Once a month, I believe. I really don't
- 13 handle that. My husband handles all that,
- 14 and he picks up the mail. And I believe
- 15 it's once a month.
- 16 Q. Are you on salary or are you on -- do you
- work by the hour?
- 18 A. I work by the hour.
- 19 Q. And tell me what your compensation
- 20 <u>arrangement is. Do you get overtime or do</u>
- 21 <u>you how many hours a week do you work?</u>
- Let me back up and start over. How
- 23 many hours a week do you work?

- 1 A. I work 40 hours a week.
- 2 Q. All right. And what are those typical
- 3 <u>hours?</u>
- 4 A. On Monday, Tuesday, and Thursday, I work
- 5 from 2:00 to 10:00 p.m. On Wednesday, I
- 6 work 2:00 to 5:00 p.m., and on Friday, I
- 7 work I work noon to 10:00 p.m. And
- 8 then That's not quite 40 hours. I round
- 9 out the 40 hours on the weekend by things
- 10 that come in over the computer.
- 11 Q. Do you spend most of your time on the
- 12 <u>telephone or on the computer?</u>
- 13 A. Well, most of the time on the computer.
- 14 Q. If you happen to work more than 40 hours in
- 15 any one week, are you paid overtime?
- 16 A. Well, if I if I put it down on my time
- 17 sheet. I basically keep it at 40 hours a
- 19 Q. Have you ever had occasion to where you
- 20 <u>were paid overtime by the school?</u>
- 21 A. I really don't know.
- 22 Q. Have you ever applied for overtime pay?
- 23 A. Well, I just turn in a time sheet at the

- 1 end of the month. And like I said, I
- 2 really don't keep up with that. My husband
- 3 handles all the finances. I just fill out
- 4 a time sheet and turn it in, and I think
- 5 basically it's just 40 hours a week.
- 7 A. To Barbara Turner.
- 8 Q. Is that something you e-mail to her?
- 9 A. Yes, sir.
- 10 Q. Do you keep a paper record of your hours
- 11 that you've worked?
- 12 A. Well, I just keep documents on the
- 13 computer.
- 14 Q. But you could print something out showing
- 15 how many hours you've worked, I guess,
- 16 every month since you've been there, right?
- 17 A. Yes, sir.
- 18 Q. Have you ever had occasion where you've
- 19 worked over 40 hours in any one week?
- 20 A. I would have to go back and check.
- Q. What are your duties? What's your -- Do
- 22 you have a job title?
- A. I'm a recruiter.

1	Q.	And	what	does	а	recruiter	do	for	Regions
2		Univ	zersit	cy?					

- 3 Well, what I do is, I answer the phones Α. 4 for -- when the advisors -- when the 5 advisors leave at 5:00, I answer the phone 6 for people calling in to the school 7 requesting information or that have 8 questions. And the request for information 9 forms that come in over the computer, I 10 will look at those and see what needs to be 11 done with those.
- Q. When requests for information come in, how do you typically process those?

15

16

17

A. Well, if they come in from our Web site, I may try to contact the person to set up a time for an advisor to give them a call.

If the form comes in from another

- company, I will have to transfer that
  information onto our form, and I will still
  try to give them a call to set up a time
  with an advisor.
- Q. Give me just your own version of how you spend your typical working activities.

1		What do you do? You come in and log you
2		go into your home office, and you log in?
3		Is that the first thing you do?
4	А.	Yes, I log in to the computer system, and
5		then I log in to the queue to be able to
6		answer phone calls that come in to the
7		school. I check through the archives that
8		have come in to keep track of those, just
9		whatever needs to be done, you know, that
10		particular day.
11	<del>Q</del>	And is that what some people refer to as an
12		internet, that everybody that's employed
13		or a number of people that are employed
14	<u> </u>	there at Regions University can log in and
15		get online and be online together?
16	<u>A</u> .	I-don't understand the question.
17	<del>Q</del>	Is your When you say you log in, do you
18		become part of the computer system or share
19		part of the computer system at Regions
20		<del>University?</del>
21		Well, when I log in, I log in to the e-mail
22		system. I log in to the system that will
23		allow me to check, well

- 1 Q. Do you have to go on the internet to do
- 2 that?
- 3 A. Yes, I have to be on the internet to get to
- 4 the school.
- 5 Q. And then you just log in, and you've got
- 6 <u>your account there. That's how you</u>
- 7 communicate with the school, right?
- 8 A. Yes.
- 9 <del>Q. Most --</del>
- 10 A. Through e-mail or telephone.
- 11 Q. What percentage of your communication with
- 12 <u>either the school or with prospective</u>
- 13 students or anybody is done on the phone as
- 14 opposed to the internet? I'm trying to
- 15 <u>figure out how much of your work is phone</u>
- 16 work as opposed to computer work.
- 17 A. I guess I would say the phone work is a
- 18 minor you know, unless I get, you know,
- 19 a student that really has a lot of
- 20 questions or, you know, something, the
- 21 phone calls that I get are limited because
- 22 they are in the evening.
- Q. Do you have occasion to talk to prospective

- 1 students about enrolling in the school?
- 2 A. Yes, sir.
- Q. Do you make an effort and try to recruit
- 4 them as enrollees of the school?
- 5 A. Yes.
- 6 Q. What are some of the things you tell them
- 7 to try to recruit them?
- 8 A. Well, usually, they ask me questions about
- 9 particular things. I try to answer their
- 10 questions as far as I know. But basically
- 11 what I try to do is set up a time when an
- 12 advisor can call them because the advisors,
- they know all the answers to all the
- 14 questions.
- 15 Q. Do you rely upon the school's Web site for
- 16 information?
- 17 A. Yes, sir.
- 18 Q. Do you have anything else like a manual or
- 19 a book or anything there in your home
- office that you rely on?
- A. Not a manual so to speak.
- Q. Anything in writing there you rely upon?
- 23 A. Not really. Basically, what I use, you

- 1 know, comes from the Web site or, you know,
- what I have heard from the other advisors
- 3 over -- you know, over the year and a half
- 4 that I've been with the school.
- 5 Q. What did you do before you became employed
- 6 <u>at Regions University?</u>
- 7 A. Immediately before, I was unemployed. The
- 9 operator at the local hospital.
- 10 Q. What is your educational background?
- 11 A. I have a bachelor's degree in human
- resource leadership.
- 13 Q. From where?
- 14 A. From Regions University. I just graduated.
- 15 Q. And what's your degree in? I'm sorry.
- 16 A. Human resource leadership.
- 17 Q. Any other What was your high school
- 18 education?
- 19 A. I graduated.
- 20 Q. Where did you go to high school?
- 21 A. Pine Forest High School, Fayetteville,
- 22 North Carolina.
- 23 Q. How did you become aware of Regions

L	 Uni	ver	sity?
L	 UIII	VCI	SIEY?

- 2 A. Through my husband.
- 3 - Q. What's his connection with Regions?
- 4 A. Well, he attended he's been a student
- 5 from years ago and has known Dr. Turner and
- 6 his dad. And he graduated. He has
- 7 - received a degree from Regions and
- 8 - presently is a professor for Regions
- -- University. 9
- 10 - Q. The phone faded out a little bit. What
- 11 does your husband currently do?
- A. Well, currently, he's a minister, a Church 12
- of Christ minister here in Marion, 13
- 14 Arkansas, and he also is a professor for
- 15 Regions University.
- 16 Q. Does he teach courses online?
- 17 - A. Yes, sir.
- 18 Q. And where did you tell me what is his
- 19 - educational background?
- 20 A. He has a master's -- well, I don't know
- 21 exactly what they're in or - I do know he
- 22 has a master's degree.
- 23 Q. From Regions University?

- A. He has a degree from Regions. I'm not I 1
- 2 believe that's his master's.
- 3 Q. Does he have any other degrees other than
- 4 Regions?
- 5 A. He has a bachelor's degree from Troy
- 6 - University.
- Q. Is that in Alabama? 7
- 8 - A. Yes, sir.
- Q. Did he attend Troy in person or did he 9
- 10 - attend Troy online?
- 11 A. I believe we attended - I was over there
- 12 for some of my time. I believe if I
- remember correctly we attended classes out 13
- 14 at Moody Air Force base in Valdosta,
- 15
- 16 Q. Have you ever lived in Alabama?
- 17 -- A. No, sir.
- 18 Q. What has been your success rate - I'm
- 19 trying to figure out what your success rate
- 20 is in recruiting students for Regions
- 21 University. If I wanted to find out how
- 22 -successful you've been and how good a job
- 23

1		<del>- that out?</del>
2		I don't really know. The advisors really
3	<u> </u>	are the ones who, I guess you would say,
4	***************************************	you would have to maybe get a success rate
5	,	from.
6	Q.	Do you keep a log of the contacts you
7		receive by telephone or by computer?
8	Α.	I have a notebook that I do keep notes in
9		as I speak with people. I don't always
10		have the same kind of thing written down
11		for each call. Sometimes I don't make a
12		note for a call because sometimes I put it
13		in the computer as I speak. Sometimes, you
14		know, it might not be required for an
15		individual call.
16	<del>Q.</del>	Have you ever worked in a call center
17		before where individuals call in, seeking
18		information about a company?
19	<del></del>	No, sir.
20	<del>Q</del>	Did you get any - What kind of training
21	* · · · · · · · · · · · · · · · · · · ·	did you get from Regions University to do
22	<del>712</del>	your current job?
23		I came down to the campus for basically

1	<del>about two days.</del>	
---	----------------------------	--

- 2 - Q. When was that?
- A. That was in June of 2005. 3
- 4 Q. And when you came down, it was called
- 5 Southern Christian University?
- A. Yes, sir. My husband and I both came down 6
- at the same time. 7
- Q: When your husband got his degree, was it 8
- 9 called Southern Christian University or
- 10 Regions University?
- 11 A. Southern Christian University. I believe
- that's He has a bachelor's and a 12
- 13 master's, and I think the master's is with
- 14 Southern Christian. I'm not positive.
- 15 Q. Is your degree from Regions University or
- 16 --- Southern Christian?
- 17 A. Regions University.
- 18 Q: What do you know, if anything, about why
- 19 Southern Christian changed its name to
- 20 ----Regions?
- A. Well, I know in a letter that was sent by 21
- 22 Dr. Rex the reason that the board of
- regents changed the name. 23

1	l <del>– Q. And</del>	h - +	+ ~	+ + -
_	y ma	WIICEL	-13	Cilut.

- 2 A. Well, they wanted to -- they felt --
- basically, I'm reading from the letter 3
- 4 which says: This name reflects the
- 5 founder's vision and goal of having a
- 6 school without walls that could provide
- 7 - accredited, quality academic and Christian
- 8 education to all regions of the world.
- 9 - Q. Do you have any other documents there
- before you there in your office that you're 10
- 11 using to - in connection with your answers
- ---today? 12
- A. No. I just pulled this out as you asked 13
- the question. 14
- 15 Q. Okay. Are you there by yourself, or is
- 16 someone there with you in your office?
- A. I'm the only one in the office. My 17
- 18 daughter is here in the house with me.
- 19 Q. Have you ever gotten Are you eligible
- 20 for carning any kind of bonus or anything
- 21 like that, bonus compensation based on the
- 22 - number of students you help recruit?
- 23 A. No, sir.

1	<del></del>	This question I want to be clear with
2		- you. I know you may have talked to
3		Mr. Hudson or any other lawyer for Regions
4	<u></u>	University
5		Have you talked with any of the
6	<del> </del>	<del>lawyers?</del>
7	A.	No, sir.
8	Q.	Who have you talked with about this case
9		that you're testifying in today?
10	Α.	Dr. Rex and Mr. Hudson.
11	Q.	You have talked to Mr. Hudson?
12	Α.	Yes, sir.
13	Q.	Okay. Have you ever talked to Dr. Rex in
14		person about this case?
15	Α.	Well, I talked with him about the phone
16		call I received before I knew anything
17		about the case.
18		MR. HUDSON: Ms. Hughes, just so
19		we won't make a mistake
20		everybody is trying to be
21		careful. But any conversation
22		that you had with me is
23		privileged, and Mr. Paterson

1	is not asking you about that.
2	Any conversation that you
3	had with me in which other
4	people from Regions University
5	
6	
7	asking you about that.
8	Now, he's entitled to
9	know if you had such a
10	conversation, but he's not
11	going to ask you to tell him
12	what was said in that
13	<del>conversation.</del>
14	Now, subject to that,
15	please answer his questions as
16	best you can.
17	THE WITNESS: Okay. Thank you.
18	Q. In your conversation with Dr. Rex about the
19	lawsuit or about anything to do with the
20	lawsuit, was Tom Hudson on the phone with
21	<del>you?</del>
22	A. Well, no, sir. The Could you ask the
23	<del>question again?</del>

- Q. Let me ask it this way. I believe you
- 2 testified or told me that you had a
- 3 conversation with Dr. Rex about a call you
- 4 received, right?
- 5 A. Yes, sir.
- 6 Q. Tell me about that conversation. Tell me
- 7 what you told Dr. Rex.
- 8 A. Okay. I don't remember exactly the reason
- 9 for -- or the initial reason for his phone
- 10 call, but I know in the -- in the
- 11 conversation that we had, I did bring up a
- 12 call that I had gotten the previous week
- 13 which was --
- 14 Well, I mentioned that phone call, and
- 15 then he -- we discussed that a little bit,
- 16 but I don't believe that was the purpose of
- 17 the phone call. I can't say what the
- 18 purpose of the phone call may have been
- 19 because it was quite some time ago.
- 20 Q. When was it? Was it this calendar year,
- 22 A. I really do not remember.
- 23 <del>Q. All right.</del>

1	<u></u>	It was after the name changed, but it could
2		have been, you know, before the beginning
3		of this year or it could have been after.
4		It's been so long ago, I really don't

- 5 <del>remember.</del>
- Q. That's fine. So sometime after the name changed, you got a call from a prospective student; is that correct?
- 9 A. Yes. I will say that it was maybe two or three months after the name change.
- 11 Q. And, what? Did that prospective student 12 just call in on your number, correct?
- 13 A. He called in on the queue which came to my
  14 extension.
- Q. Okay. And do you remember about what time of day that was?
- 17 A. It would have been, I'm sure, after five o'clock.
- 19 Q. And what did the person ask you?
- 20 A. Well, they were asking questions about -21 it was a typical prospective student
  22 calling in, asking questions about degree
- calling in, asking questions about degree
  programs. And we had probably talked about

- five minutes about, you know, different
- 2 questions, you know, transcripts and -- you
- 3 know, the questions that they generally
- 4 ask. And then he said, are v'all
- 5 affiliated with Regions Bank? And I said,
- 6 no, we don't have anything -- we're not
- 7 affiliated at all with Regions Bank.
- And then we probably had another five
- 9 minutes of his questions about the things
- 10 pertaining to school and the degree
- 11 program. And I probably set up a call back
- 12 with one of the advisors.
- Q. Do you remember who this person was?
- 14 A. I do not.
- 15 Q. Do you have any kind of records or phone
- log or caller ID that could tell you who
- 17 the person was?
- 18 A. No, sir. The notes that I do have, I have
- not been able to find anything in there
- 20 about that particular phone call.
- Q. So you've searched your notes, and you
- can't find anything about this call, right?
- 23 A. Right. As I said, it was a typical

1	prospective student call, and I don't I
2	don't keep the same type of notes, you
3	know, on each call because each call is
4	different, so I couldn't tell you what
5	Q. How did you know - when you talked to this
6	student, how did you know that Regions
7	University had no connection with Regions
8	Bank?
9	A. Well, I believe I was told that. You know,
10	it's my understanding of the history of the
11	school is there's no connection whatsoever
12	with Regions Bank.
13	Q. Did you answer that question for that
14	prospective student based on your own
15	knowledge or your own thoughts, or had
16	someone told you specifically in advance
17	that they were not connected?
18	A. Well, I'm sure that well, you know, when
19	the name was changed and we received the
20	letter from Dr. Rex, you know, maybe that
21	was that settled it. There was no
22	indication at all that there was any
23	connection with Regions Bank.

- 1 Q. When they changed the name, did you wonder
- whether it was connected with Regions Bank?
- 3 A. No, sir.
- Q. You're familiar with Regions Bank?
- 5 A. Yes, sir.
- 6 Q. They're in Arkansas, correct?
- 7 A. Yes, sir.
- 8 Q. Have you ever banked there?
- 9 A. We do.
- 10 Q. So you bank there now?
- 11 A. Yes, sir.
- 12 Q. Did you ever ask anyone at Regions Bank
- 13 whether or not the bank was connected with
- Regions University?
- 15 A. No, sir.
- 16 Q. Have you ever had any conversation with
- 17 anyone at Regions Bank, a teller or a loan
- 18 officer or anybody at Regions Bank, about
- 19 Regions University?
- 20 A. No, sir.
- 21 Q. I believe you said you came to Montgomery
- 22 <u>for some training. How many other times</u>
- 23 have you been in Montgomery to the main

	aamoua	Δ£	Pogions	University?
_	Campas	O.L	MCGTOH5	OHIT ACT STON.

- 2 - A. I believe two other times.
- 3 - Q: And what was the purpose of those visits?
- 4 A. Both were for training.
- 5 Q. I believe you told me I don't know
- 6 whether you told me or not. Tell me what
- 7 kind of training you have received here on
- 8 - the main campus.
- A. Well, the initial training was basically to 9
- 10 get familiar with the computer system that
- 11 they have and how the calls would be coming
- in and how I would answer them and where I 12
- could find answers to their questions. 13
- Q. Who provided that training to you? 14
- 15 - A. Rick Johnson mostly. While I was there, we
- did speak with the we did spend time 16
- with each of the other advisors to, you 17
- 18 know, just speak with them individually
- 19 about, you know, how they handle the job, I
- <del>guess.</del> 20
- Q. How many people attended this training 21
- 22 session with you?
- 23 A. That was just Michael and myself.

- 1 Q. Do you know how many other people work for
- 2 Regions University that do jobs like you
- 3 do?
- 4 A. As far as I know, just Patsy Fulghum as far
- 5 as not being on campus.
- 6 Q. Patsy Fortune?
- 7 A. Fulghum.
- 8 Q. Fulghum. Okay. The lady that transferred
- 9 the call to you?
- 10 A. Right. Yes.
- 11 Q. Now, the other two times you were on campus
- 12 <u>for training, what were you trained</u> what
- 13 <u>kind of training did you get then?</u>
- 14 A. I guess basically just more in-depth
- 15 <u>training of some of the same stuff, maybe</u>
- 16 some refresher, maybe some new things.
- 17 <u>Since I'm not on campus, there's still</u>
- 18 a lot to learn, you know, being there with
- 19 the other ones and picking up things of
- 20 maybe the way they do things or whatever.
- 21 Q. Has the school ever sent you any training
- 22 <u>materials by mail?</u>
- 23 A. I wouldn't say well, no. I would say

- 1 no.
- 2 Q. Do you get training materials over the
- 4 A. Well, basically, what I use is the Web
- 5 site, the Web site and the school catalog.
- 6 Q. Is part of your job to convince prospective
- 7 students to enroll in the school?
- 8 A. Well, if I can do that, that's a good
- 9 thing. Basically, I answer questions for
- 10 them and try to set up a call with an
- 11 advisor.
- 12 Q. Do you know how many different advisors the
- 13 <u>school has that might talk to students?</u>
- 14 A. Yes.
- 15 Q. How many?
- 16 A. Robert, Steve, Margaret, Joe. They're the
- 17 advisors. Then Rick is the head over them.
- 18 Q. So there are three?
- 19 A. Four.
- 20 Q. I didn't catch those names. Say those
- 21 names real distinctly.
- 22 A. Robert Holland, Steve Redding, Joe Zerk.
- 23 Q. Can you spell that for me?

- $1 \frac{\lambda}{\lambda} \frac{Z \cdot E \cdot R K}{\lambda}$
- 2 Q. Okay. Thank you.
- 3 A. And Margaret Newett.
- 4 Q. The last name?
- 5 A. Newett, N-E-W-E-T-T.
- 6 Q. Okay. Do you know where those people are
- 8 A. They're located on campus there.
- 9 Q. In Montgomery?
- 10 A. Yes.
- 11 Q. Thank you for spelling that. The court
- 12 reporter was having trouble getting the
- 13 spelling right, so thank you for doing
- 14 that.
- 15 A. You're welcome.
- 16 Q. In a typical week, about how many calls
- 17 from prospective students do you get on
- 18 average?
- 19 A. Maybe 20. Maybe 20 to 25, something like
- 20 that.
- 21 Q. When they call in, you answer their
- 22 questions and you get them to sign you
- 23 <u>help them go through the request for</u>

- 1 <u>information form online?</u>
- 2 A. Sometimes they have already filled one
- 3 out. I try to fill them out when I can to
- 4 make sure they have one.
- 5 Q. When you're not you know, the 20 or so
- 6 times a week when you're not talking on the
- 7 phone to somebody, what are you typically
- 8 doing in the course of your job?
- 9 A. Checking the request for information forms
- 10 that come in and trying to call those
- 11 people, or I may have projects I'm working
- 12 <u>on or ...</u>
- 13 Q. I'm sorry if I've asked you this, but who
- 14 is your boss?
- 15 A. Rick Johnson.
- 16 Q. Have you ever met Rick in person?
- 17 A. Yes, sir.
- 18 Q. When is the last time you've met him in
- 19 person?
- 20 A. The last time was June of this year.
- 21 Q. Where were you?
- 22 A. I was on campus. I had come down for
- 23 graduation and then I stayed over for a

- couple of days of training. 1
- 2 Q. So you went through the graduation ceremony
- 3 that was held here in Montgomery in June,
- 4 ---right?
- A. Yes, sir. 5
- 6 - Q. Where was that held?
- A. At Davis Auditorium. 7
- 8 Q. At the Davis Auditorium in downtown
- Montgomery? 9
- A. Yes, sir. 10
- 11 Q. That's on Troy State Montgomery's campus?
- 12 --- A. I believe so.
- 13 - Q. When you were in school When you were
- 14down here in Montgomery in June of this
- 15 year, did you see any advertisements either
- 16 on billboards or hear any radio or TV ads
- 17 for Regions University?
- A. No, sir. 18
- 19 Q. Do you know how many people were in your
- 20 graduating class?
- 21 - A. No, sir.
- 22 Q. Well, I mean, did you walk across the stage
- 23 with a bunch of people and get a diploma?

- A. Yes, sir. 1
- Q. About how many people do you think walked 2
- 3
- 4 mean, was it ten or a hundred? Give me
- 5 ----some judgment.
- 6 A. Maybe a hundred.
- Q. Okay. 7
- 8 A. I know they don't you know, all
- 9 graduates were not there.
- 10 - Q. Right. When you got your degree, were you
- 11 charged per semester hour tuition to go to
- ---school? 12
- -- A. Yes, sir. 13
- 14 Q. What did you pay per semester hour?
- 15 A. I believe it was - well, I went on a work
- study, so I'm not sure how all the 16
- 17 - financial
- 18 Q. So you got some credit for working?
- 19 A. Yes, sir.
- 20 - Q. If a prospective student calls in and asks
- 21 you the question of what does it cost to
- 22 - attend Regions University, what do you tell
- them? 23

- A. I usually refer them to the advisors or to 1
- 2 Phillip. I try not to get into the
- 3 financial aspects.
- 4 O. Do you know how much of your own money you
- spent getting your degree? 5
- 6 - A. No, sir.
- 7 Q. If a student asked you how many
- 8 undergraduates are enrolled in the school
- 9 at this time, how would you go about
- 10 finding the answer to that?
- 11 A. I would probably call one of the advisors
- 12 - and ask.
- 13 Q. Do you have any judgment about how many
- 14 people are enrolled at this time?
- 15 A. If I had to give a ballpark figure, I might
- -----would-16
- 17 MR. HUDSON: Don't speculate or
- 18 guess. That's not going to
- help us. 19
- 20 THE WITNESS: Okay.
- 21 - A. No.
- 22 Q: Well, just give us - if you have a
- 23 judgment about how many are enrolled, is it

1		a hundred or is it 500 or is it ten?
2	A.	I would say maybe between 700 and a
3		thousand.
4	<del>Q</del> -	Have you ever had any conversations with
5		prospective students or been asked
6		questions about admission standards?
7	<u></u>	I'm sure I have.
8	<del>Q.</del>	If someone calls and says what are your
9		admission standards, what kind of high
10		school scores grades do I need or what
11	•	kind of standardized tests do I need, what
12		would you do to answer those questions?
13	A	I would either refer them to the catalog or
14		I would try to find the answer in the
15		- Catalog.
16	Q.	Are there times of year that you get more

- Q. Are there times of year that you get more calls than others from prospective students? Like this is -- for example, this is August. Are you getting more calls now than, say, you would at another time of year because of the approaching fall semester?
- 23 A. We usually get more calls during the

- 1 registration period.
- Q. What are your typical registration periods?
- A. I think they usually run -- like this
- 4 registration period began, I think, July
- 5 27th and runs through the 17th. Then we
- 6 have late registration.
- 7 Q. So you typically get more calls during the
- 8 registration periods?
- 9 A. Yes, sir.
- 10 Q. If I wanted to find out what the
- 11 registration periods are, you could just go
- 12 online and do that?
- 13 A. Yes, sir. I would do it through the school
- 14 calendar.
- 15 Q. Are you aware that the school advertises on
- 16 TV and radio and billboards?
- 17 A. Yes, sir.
- 18 Q. How did you become aware of that?
- 19 A. Well, the RFI forms that come in, one of
- 20 the questions is how -- you know, how they
- 21 found out -- how they discovered Regions
- University.
- Q. So some of those reply that they have seen

- 1 advertisements?
- 2 A. Yes, sir.
- 3 Q. Does the school tell you when they are
- 4 prepared to run advertisements so you can
- 5 <u>be expecting more calls?</u>
- 6 A. No, sir.
- 7 Q. Do you know anything about the advertising
- 8 <del>schedule?</del>
- 9 A. No, sir.
- 10 Q. Who would you think might determine the
- 11 <u>advertising schedule?</u>
- 12 A. Laina Costanza is the only one I would
- 14 Q. Do you have a judgment about whether -- I'm
- 15 trying to contrast 2007, which is this
- 16 <u>year, to 2006, which was last year. Do you</u>
- 17 <u>think you've gotten more calls from</u>
- 18 <u>prospective students this year or last</u>
- 19 <u>vear?</u>
- 20 A. I really don't know about that at all.
- 21 Q. Do you have any judgment—let's say from
- 22 August of this year as compared to August
- 23 of last year, do you think you've gotten

- 1 more or less calls this year?
- 2 A. I really don't know.
- Q. Okay. Are there any logs or records there 3
- 4 that you could look at that would that
- 5 you might be able to get an answer for
- 6 ---that?
- 7 A. Not that I know of.
- 8 - Q. You said you keep some notes on people who
- 9 call. Do you think you have more notes
- this August than you had last August? 10
- 11 A. Well, no, because, actually, I take less
- notes now than I did when I first started, 12
- 13 so I couldn't really go by the notes.
- 14Q. How did you find out that Regions Bank and
- 15 -- Regions University were in a lawsuit?
- 16 A. We were notified at the school.
- 17 - Q. How were you notified and what were you
- ---told? 18
- 19 - A. Well, it's been some time. I think we
- 20 received a phone call saying that the
- 21 school was notified that a lawsuit was
- 22 being brought.
- 23 Q. Do you remember what they told you about

	 		+	_
<u>.</u>		.T.	C	•

- 2 A. Not really.
- 3 Q. Has anybody -- anybody told you what this
- 4 lawsuit is about?
- 5 A. I'm sure they did at that time. The only
- 6 thing I can say is just the fact that the
- 7 names are the same.
- 8 Q. The names are the same?
- 9 A. You know, they both have Regions in the
- 10 name.
- 11 Q. That's your knowledge of what you think the
- 12 <u>lawsuit is about?</u>
- 13 A. Yes, sir.
- 14 Q. Did anybody tell you what to tell someone
- 15 <u>if they called in and asked if there was a</u>
- 16 connection between the school and the bank?
- 17 A. Well, we got this letter from Dr. Rex, you
- 18 know, explaining why the name was changed,
- 19 and we were told that if anyone calls to
- 20 <u>that letter would be -- you know, would</u>
- 21 have the information that we needed to give
- 22 them.
- Q. Well, were you ever told to tell anybody

- 1 there was no connection?
- 2 A. I don't know.
- Q. Other than that one -- we've talked about a
- 4 phone call you got from a prospective
- 5 student where they asked if there was any
- 6 connection and you told them no, correct?
- 7 A. Correct.
- Q. And you don't remember exactly when that
- 9 was, right?
- 10 A. No, it's been so long ago.
- 11 Q. Have you ever gotten any other phone calls
- of that nature?
- 13 A. No, sir.
- 14 Q. Have you ever gotten any e-mail inquiries
- of that nature?
- 16 A. I never got any e-mail inquiries.
- 17 Q. Anybody ever ask you personally a question
- 18 like that?
- 19 A. Do you mean like here in Arkansas?
- Q. Yes, ma'am.
- 21 A. No, sir, not that I recall.
- Q. Have you ever heard any employee of Regions
- 23 University ask you if there was any

- 1 connection between the two?
- 2 A. No, sir.
- 3 Q. So other than the one call we've talked
- 4 about, am I right in understanding you
- 5 never have gotten any other calls from
- 6 anyone that mentioned Regions Bank?
- 7 A. No, sir.
- 8 Q. Is that right?
- 9 A. Yes, sir. That's right.
- 10 Q. When you got the call where the person
- 11 asked about Regions Bank, did I hear you
- 12 correctly that you told Dr. Turner about
- that call?
- 14 A. Yes, sir.
- 15 Q. What occasioned you to talk to Dr. Turner
- 16 about that call?
- 17 A. It's hard to remember. And probably the
- only reason I remembered is -- is because I
- 19 think he called, like, about the week after
- I had received the call, and so it was kind
- of fresh on my mind.
- Q. Well, I mean, have you ever gotten any
- instructions from the school or Dr. Turner

1	or anybody that if somebody calls in and
2	asks about Regions Bank to report that to
3	somebody?
4	A. I don't think so.
5	Q. What occasioned you and Dr. Turner to talk
6	about that?
7	A. Well, like I said, I don't remember the
8	reason for the phone call. It's been so
9	long ago that I just know that we had we
10	had the conversation and discussed the
11	phone call. And I probably only remembered
12	it because it had just been so recent.
13	Q. Have you ever talked to Anita Crosby about
14	this lawsuit?
15	A. No, sir.
16	- Q. Has anybody ever showed you any documents,
17	anything in writing about this lawsuit?
18	
19	MR. PATERSON: I think that's all
20	
21	it.
22	Tom, have you got any

Ţ	MR. HUDSON: I don't have any

- 1 EMMETT M. POLLARD, having been first duly
- 2 sworn to speak the truth, the whole truth, and
- 3 nothing but the truth, testified as follows:
- 4 EXAMINATION
- 5 BY MR. HUDSON:
- 6 Q Mr. Pollard, would you please state your
- 7 name for the record?
- 8 A Mike Pollard.
- 9 Q Where are you employed, Mr. Pollard?
- 10 A Regions Bank.
- 11 Q In what capacity?
- 12 A Director of Organization Development.
- 13 Q How long have you been in that position?
- 14 A Officially, since the merger, which
- 15 would be November of last year.
- 16 Q The AmSouth merger?
- 17 A Yes.
- 18 Q And what position did you hold prior to
- 19 the AmSouth merger?
- 20 A It was called the Director of
- 21 Organizational Development Learning.
- Q Why was the name changed?
- 23 A We took the responsibilities and split

- 1 them in half so that the person that essentially
- 2 had the kind of job I did at AmSouth and I -- you
- 3 know, they put the two banks together, just kind
- 4 of separated the collective training and
- 5 development functions for the company.
- 6 Q Perhaps you could explain the difference
- 7 to me between organizational development and
- 8 learning as those terms are used by your banks.
- 9 A Okay. Organizational development is
- 10 kind of used to kind of focus on the systems that
- 11 are in place, and HR, such as performance
- 12 management, talent management, leadership
- development, executive development, employee
- 14 selection and assessment.
- The learning part is focused on technical
- 16 training.
- 17 Q Would it be fair to say that and any
- 18 <u>time somebody says "fair to say," get ready</u>
- 19 because that's some kind of leading question. In
- 20 this case, it's not. But would it be fair to say
- 21 that the organizational development part is more
- 22 <u>traditional HR functions?</u>
- 23 And if not, let's just find some

- 1 - classification so I can get my arms around it.
- 2 A They would be, yes. It's probably more
- 3 of the cutting edge kind of things you find in HR
- 4 - today. When you use the word "traditional",
- 5 - that's not what you would have found fifteen or
- 6 - twenty years ago necessarily.
- 7 Q I didn't mean it that way. I meant if
- 8 you went to a modern day HR department, you'd find
- 9 -those things.
- 10 --- A That's right.
- 11 0 And the learning aspect, how do you
- 12 classify that?
- 13 A The corporate training.
- 14 Q Okay. And did AmSouth Bank have a
- 15 - program of its own for corporate training prior to
- 16 - the merger?
- 17 -----A Yes.
- 18 Q What, if any, name was given to their
- 19 - program?
- A All I know is that the function was 20
- 21 - called corporate training.
- 22 Q I'm hard of hearing. I'm sorry?
- A It was called corporate training. 23

- 1 Q Corporate training. Now, was any part
- 2 - or all of the AmSouth corporate training program
- 3 - adopted by the new bank after the merger?
- 4- A It depends on which systems are
- 5 - surviving in the new company. And so you would
- 6 - say that the training programs that were
- 7 - associated with the bank, the system that
- 8 - survived, would have that training survive with it
- 9 - because it supports it. And so it would be
- 10 - somewhat of a mix between both Regions and
- 11 -AmSouth.
- 12 Q Okay. Sometimes in mergers, you tend to
- 13 take the best of both and put them together. Was
- 14 -that what was accomplished here?
- 15 A I believe that was the attempt, yes.
- 16 And I gather that prior to the merger,
- 17 Regions had its own corporate training program.
- 18 Α Yes.
- 19 And by what name, if any, did Regions
- 20 refer to its corporate training program as?
- 21 Α Regions University.
- 22 Okay. Whose idea was it to use that
- catchy name to describe the Regions corporate 23

1 training program? 2 The director of HR. 3 Q What was his name? 4 John Daniel. A And when did he do that? When did that 5 Q 6 occur? 7 A John was the surviving head of HR out of 8 the Regions/Union Planters merger. Union 9 Planters' training function was UP University. 10 Q I'm sorry. I didn't hear. What 11 university? 12 A Union Planters -- UP University. And 13 that survived then into Regions. So it became 14 Regions University at the merger between the two 15 companies. 16 Q And what was the approximate date of 17 that merger? 18 A I believe it was May of 2004. 19 Okay. Was any authority required by 20 - someone senior to him in order to use that name? 21 A I'm-

- Q Don't know?

A not aware. Don't know.

- 2 - training. And it would be easier if you did it in
- 3 -a narrative way. And what I'd be interested in
- 4 - hearing is your college education and then your
- 5 - training and work experience.
- 6 A Okay. Graduated from East Carolina
- 7 - University in 1972 with an undergraduate degree in
- 8 - Psychology, pursued a Master's degree in
- 9 - Psychology and Counseling and Management Sciences
- 10 from the University of Memphis and graduated in
- -1991.11
- 12 Started a professional career with Cannon
- 13 - Mills in 1972 as a Management Trainer. I left
- 14 - Cannon Mills and went to work for Menica Bank &
- 15 - Trust out of Berkford in '76 as a Human Resource
- 16 - Specialist that focused on leadership training.
- 17 I joined First Oklahoma Bank Corporation in
- 18 - '79 as their Director of Training. I had the
- 19 - opportunity in '80 to go over to the First Bank of
- 20 - Memphis and head up their training function.
- 21 In 199, I left First Tennessee and consulted
- 22 for about two years. In September of 2000
- Q Excuse me just one second. You 23

- 1 -consulted in what?
- 2 A Human resource practices, leadership
- 3 - development, executive coaching assessments.
- 4 And then in September of 2000, I went to work
- 5 - for Union Planters as their Director of Career
- 6 - Management. And then in 2003, I moved into the
- 7 - Director of Organizational Development Learning
- 8 -position.
- Q Was there any practical difference, 9
- 10 - speaking in generalities, between being the
- 11 - Director of Career Management in 2000 with one
- 12 - company and in 2003 holding the position that you
- 13 -held with Regions?
- 14
- 15 MR. PECAU:
- 16 Object to the form of the question.
- 17 - BY MR. HUDSON:
- 18 Q The answer is yes?
- 19 A Yes.
- Q What would the difference be? 20
- 21 A Scope of the job.
- 22 -- Q Sir?
- 23 A Scope.

1	1 — 0 —	And would you	describe	+ho	difference	<del>in</del>
	~		~~~~~~~	<b>-11</b>	GIII CI CIICC	

- 2 - the scope?
- A The Manager of Career Development was an 3
- 4 - individual contributor position. The Director of
- 5 - Organization Development and Learning had, you
- know, several dozen reports and responsibility for 6
- 7 -the University.
- Okay. Now, I may go through those 8
- 9 - several dozen but I may be able to short circuit
- 10 - it. With regard to the learning part, the
- 11 - Director of Organization Development and Learning
- 12 - that you had in 2003 - with regard to the
- 13 -learning aspect, was that substantially the same
- 14 as the job that you had in 2000 where you were the
- 15 - Director of Career Management?
- 16
- 17 Q Okay. It might serve if you explained
- 18 - the function of what you had in 2003, Director of
- 19 ----what was it?
- 20 A Organization Development and Learning.
- 21 Q If this were a jury case and you were
- 22 explaining to a layman what your job was, would
- 23 - you please explain it in those terms so that a

1	- layman would understand what a Director of
2	- Organization Development and Learning is?
3	A It had the responsibility for
4	- understanding the skill development needs of the
5	- workforce and working on putting programs in place
6	to address those skill needs, responsibilities for
7	- understanding the systems that were needed out of
8	- HR, to provide management with information on
9	— performance and talent.
10	
11	of HR. And then what was the next thing you said?
12	A Information on performance and talent.
13	Q If you left out the systems part, would
14	- what you were doing be to identify the skills that
15	- you needed to train your workforce to be able to
16	- accomplish and then develop a method of training
17	- your workforce to accomplish those skills?
18	MR. PECAU:
19	I object to the form of the
20	
21	<del>you can.</del>
22	THE WITNESS:
23	I don't knew how you can do that. I

- <del>don't know.</del> 1
- 2 - BY MR. HUDSON:
- Q Well, when you say that you wanted to 3
- 4 - identify the skills needed, what does that mean?
- 5 A Well, what we did was develop competency
- 6 - models on positions, understand the competency
- 7 requirements of jobs. We would go in and study
- 8 - then those competencies to understand high
- 9 - performer behaviours.
- 10 And then we would develop our training
- 11 - programs to try to replicate what a person needed
- 12 to learn to be a high performer.
- 13 Q Okay. How would you develop the
- 14 - competency models?
- 15 A We developed a process that would take
- 16 - about three months per model. It began with basic
- 17 - job analysis work, where you would go out in the
- 18 field, talk to folks to try to determine, you
- 19 -know, the --
- Q I'm going to interrupt you only because 20
- 21 - I asked a question that I don't need an answer to
- 22 - and it's going to require a lot of time. Which
- jobs within Regions did you develop competency 23

1	- models	£	or?

- 2 A At last count, it was about sixty jobs
- 3 - that covered eighty percent of what we'd call high
- 4- incumbent positions.
- Q What positions? 5
- 6 A High incumbent. It would be the jobs
- 7 that you had the most folks in. So tellers,
- 8 - customer service representatives, assistant branch
- 9 - managers, branch managers, group sales managers,
- 10 - relationship bankers, commercial bankers, trust
- 11 - administrators, IT systems programmers, HR
- 12 - managers, accountants, auditors. I don't think we
- 13 - got into the legal force though.
- 14 They are hard to train, aren't they?
- 15 MR. PECAU:
- Like cats. 16
- 17 - BY MR. HUDSON:
- 18 Q Was it your job attempt to improve,
- 19 through training, the competency of variably all
- 20 of the Regions employees?
- 21 Α I would classify that as management's
- 22 job. I supported management in that effort.
- 23 Q And was the training that you oversaw,

- 1 coordinated or whatever you did with respect to
- 2 that training designed specifically to increase
- 3 the competency of the Regions workforce?
- 4 A Yes, sir.
- 5 Q Was it designed for any other purpose?
- 6 A No.
- 7 Q Okay. Was Regions University purely a
- 8 corporate training program?
- 9 A I'm not sure what you mean by "corporate
- 10 training program".
- 11 Q Well, you had used that term earlier and
- told us, as I remember, of a man who now has come
- over from AmSouth and was in charge of their
- 14 corporate training program.
- 15 A You can, you know, kind of use corporate
- 16 training to -- I just want to make sure we didn't
- say corporate training is just over the corporate
- 18 part of the bank. "Corporate" in this case would
- mean the whole bank.
- 20 Q The whole bank.
- A Yes.
- 22 Q And is that purely what this program
- 23 was, was a bank training program for bank

1	employees?
2	A That's right.
3	Q And has Regions University ever offered
4	any training or service of any kind or nature to
5	anyone who is not an employee of the bank?
6	A There would be various outreaches from
7	the organization that would provide training.
8	Q Okay.
9	A Not out of my area though. This would
10	just be individuals that were asked to, you know,
11	step into a civic responsibility and provide a
12	program to a local school or to an organization
13	that wanted to know more information about
14	banking.
15	——————————————————————————————————————
16	- characterization. But it seems to me that's more
17	— sort of a show and tell kind of presentation. Is
18	— that correct?
19	MR. PECAU:
20	I object to the form of the
21	<del>question.</del>
22	THE WITNESS:
23	No. I think it was I don't know

1	how to answer that.
2	BY MR. HUDSON:
3	Q Okay. Would it be your testimony that
4	Regions University would actually go out into the
5	public and use the name Regions University and
6	offer educational training services to the public?
7	A No. That was not the purpose of it.
8	Q Is Regions University accredited in any
9	state as an educational institution?
10	A I don't believe so.
11	Q Has Regions University applied for and
12	received an exemption from any state in order to
13	- conduct its affairs?
14	MR. PECAU:
15	Object. I object to the form of the
16	question.
17	THE WITNESS:
18	I don't know how to answer that.
19	BY MR. HUDSON:
20	Q Well, to your knowledge, has Regions

11	THE WITNESS:
12	I have no knowledge.
13	- BY MR. HUDSON:
14	Q Okay. You had mentioned some outreach
15	programs. Do you recall when we talked about
16	those?
17	A Uh-huh.
18	Q I've changed the subject. Can you give
19	me the names, titles or descriptions of the
20	outreach programs to which you refer?
21	A The ones that I remember were designed
22	by the American Bankers Association. And they

23 were built in modules.

- 1 Q I'm sorry?
- 2 A They were built in modules, learning
- 3 modules.
- 4 Q Modules.
- 5 A So they would have kind of a complete
- 6 package, would have facilitator's guide, probably
- 7 a video, handouts, et cetera.
- 8 And the subject matter I remember was around
- 9 personal banking, you know, what was a checking
- 10 account, what was the life of a check, the general
- 11 products that a bank offers; loans, checking
- 12 accounts, investments. Another one was, you know,
- how to save money. Those are the ones I recall.
- 14 0 Do those modules still exist?
- 15 A I don't know.
- 16 Q I don't want to limit my question. So
- 17 I'm really looking for some descriptive term to
- 18 describe the training materials to which you have
- 19 referred. Is there a descriptive term that I
- 20 could use that, if I asked for them in an
- 21 appropriate request for production, you would know
- 22 what I was asking for?
- 23 Let me tell you what I'm driving at. In the

- 1 -case, I may ask your lawyers to let me see these
- 2 - materials. And when I ask for them, I want to ask
- 3 - for them in a way that you'll know what I'm
- 4 -talking about.
- 5 A All I would know is that they would be
- 6 - materials produced by the American Bankers
- 7 - Association.
- Q And if we call them that, you would know 8
- 9 - what we are talking about, these materials that
- 10 - you and I are conversationally discussing now?
- 11 A That's what I remember, yeah.
- Okay. Good. Are there any other 12
- 13 - programs you've used in outreach that occur to you
- 14 - other than the American Bankers Association
- 15 -programs?
- 16 A It wasn't my job to be involved in
- 17 - outreach. So, not to my knowledge.
- 18 Okay. Whose job would outreach have
- 19 been? And I know I've asked -- when I've asked
- 20 that question, I guess I would begin in 2004 and
- 21 not go back farther than that.
- 22 You know, the way I remember that
- 23 working is, it was mainly done by folks that had a

- 1 relationship with the community. So it would be a
- 2 branch manager or a regional sales manager with
- 3 branches reporting to them.
- 4 That person probably -- it wasn't all of
- 5 them, but for some that also had a relationship
- 6 with the state banking association, or that would
- 7 be called upon by a member of the ABA. It's all
- 8 volunteer. So there wasn't any form or fashion,
- 9 if you will.
- 10 But those who had a desire or, you know, saw
- it as something that they could do to contribute
- 12 back to the community would be the ones that would
- 13 usually tend to step up. So passed down by word
- of mouth, passed down by relationships, passed
- down by association, newsletters.
- So, you know, the materials are the ones that
- were kind of passed around. I mean, there wasn't
- any kind of system that I'm aware of.
- 19 Q Sure. In any event, that wouldn't have
- 20 <u>been either under the auspices of Regions</u>
- 21 <u>University or under your supervision or control.</u>
- 22 <del>A No.</del>
- 23 Q Actually, it was a double negative. So

- 1 I guess the answer would be yes. It wasn't under
- 2 your control and it wasn't under their auspices.
- 3 Is that right?
- 4 No. That's correct.
- 5 Q Thank you. We have marked deposition
- 6 notices as Exhibits Seven and Eight. Have you had
- 7 an opportunity to see these before today?
- 8 One is your individual deposition notice and
- 9 the other is what lawyers refer to as a 30(b)(5;)
- 10 30(b)(6) notice. And the one that is the
- 11 30(b)(5;) 30(b)(6) notice has a list of things
- 12 that we want to ask you about.
- 13 A Mr. Pecau, you know, showed me some
- paperwork so I didn't have it in my hand.
- 15 Q I'm just asking you if you've seen it
- 16 before.
- 17 A I don't know.
- 18 Q Okay. I believe that you are being
- 19 designated on the categories listed on Exhibit
- 20 Eight except for category Six. Is that correct?
- 21 MR. PECAU:
- 22 I'll answer that question. That's
- 23 correct.

- 1 - BY MR. HUDSON:
- 2 - Q Did you review documents in preparation
- 3 for your deposition here today?
- 4 A I did go back and look at my own files
- 5 - that I've had over the years.
- O Did you bring those files with you 6
- 7 -today?
- 8 -----A No.
- 9 Q Did you realize that they had been
- 10 requested that you bring them here today?
- 11
- Q Can you describe to me the files that 12
- 13 you looked at? Let's do something as a shorthand
- rendition. I'm going to take that question back 14
- 15 - just for a moment.
- We were given what was marked as Exhibit 16
- 17 - Four. And my guess is that it probably came from
- 18 <del>- your files.</del>
- 19 A These would be the files.
- 20 Q Were there any files that you looked at
- 21 that are not included in Exhibit Four?
- 22 A I'm sorry. I don't understand the
- 23 <del>question.</del>

- 1 Q Your testimony, as I recall it, is that
- 2 - in preparation for your deposition today, you
- -looked at your files. And I've shown you Exhibit 3
- 4 - Four. And my question is, is Exhibit Four the
- 5 entirety of the file that you looked at before you
- 6 - came here to testify today?
- A Yes, sir. 7
- 8 - Q Okay.
- A These are the files I looked at. 9
- 10 Q Okay. And did you look at anything else
- 11 - before you came here to testify today in
- 12 - preparation for your testimony?
- 13 A No, sir.
- 14 Q Did you discuss your testimony, your
- 15 - proposed testimony or any aspect of your testimony
- 16 - with anyone except your lawyers?
- 17 - A No, sir.
- 18 Is there any plan or proposal to market
- 19 Regions University outside of the bank?
- 20 MR. PECAU:
- 21 I object to the form of the
- 22 question.
- 23 THE WITNESS:

- I don't know.
- 2 BY MR. HUDSON:
- 3 Q If there is, you don't know about it?
- 4 A I don't know what you really mean by
- 5 "market" outside the bank.
- 6 Q Is there any plan or proposal to use
- 7 Regions University for anything except the bank's
- 8 internal corporate training program?
- 9 A Not that I'm aware of.
- 10 Q Do you advertise in any way the
- 11 existence or services of Regions University?
- 12 A Would you define the word "advertise?"
- 13 Q I don't know if I can. What I would do
- is ask you what your understanding of the word
- 15 "advertising" is. And you can tell me that and
- 16 then we can work with that.
- 17 A If it's to communicate and display
- information about the bank in order to attract
- individuals to join the bank, the answer would be
- 20 yes.
- 21 Q All right. And how do you do that and
- 22 where do you do that?
- 23 A There are brochures that are used by

- 1 recruiters as they, you know, market the bank to
- 2 prospective candidates for hire.
- 3 Q I'll mark these in a moment. But just
- to get us on the same track, are these examples of 4
- 5 - the sort of brochures you're speaking of?
- 6 A I don't see what I was speaking of in
- 7 <del>here.</del>
- 8 • Q Would you describe the brochures that
- 9 - you're speaking of so that we can ask for them to
- 10 be produced, as well? If we just called them
- 11 - brochures, would that be enough?
- MR. PECAU: 12
- 13
- 14
- 15 Have they?
- MR. PECAU: 16
- 17 -----Yeah.
- 18
- 19 ----- And I didn't recognize them. Okay.
- 20 -BY MR. HUDSON:
- 21 - Q Then would you describe to me the
- 22 -brochures?
- 23 A It's been so long since I've seen those

- 1 -- I remember on the phone -
- 2 MR. PECAU:
- 3 <u>Let's go off the record.</u>
- 4 WHEREUPON, THERE WAS AN OFF THE RECORD
- 5 DISCUSSION.
- 6 BY MR. HUDSON:
- 7 Q Mr. Pollard, to your knowledge, has
- 8 Regions ever been approved by a regional
- 9 accrediting body recognized by the U.S. Secretary
- of Education or the U.S. Department of Education?
- 11 A Not to my knowledge.
- 12 Q To your knowledge, has Regions ever
- 13 filed for recognition or exemption under the post
- 14 secondary education laws of any particular state
- 15 to use the term "Regions University" or to operate
- it's program for Regions University?
- 17 A Not to my knowledge.
- 18 Q To your knowledge, has Regions ever
- sought or obtained authorization from any state to
- 20 use the term "university" for its training
- 21 program?
- A Not to my knowledge.
- 23 Q To your knowledge, has Regions ever

- 1 sought or obtained authorization from any state to
- 2 publish the use of the term "university" as it
- 3 apparently has done in Exhibits Nine, Ten and
- 4 Eleven?
- 5 A Would you repeat that question, please?
- 6 Q Sir?
- 7 A Would you repeat the question?
- 8 Q To your knowledge, has Regions ever
- 9 obtained authority from any state to authorize it
- 10 to publish the term "university" as it apparently
- has done in Exhibits Nine, Ten and Eleven?
- 12 A Not to my knowledge.
- 13 Q Okay. In fact, do Exhibits Nine, Ten
- and Eleven reflect that Regions Asset Company
- 15 and/or Regions Financial Corporation have
- published to the public the fact that it is using
- 17 the term "university?"
- 18 A If that question is to mean by the fact
- 19 that those brochures are passed out to non-bank
- 20 people in an effort to solicit, you know, them to
- 21 consider joining the bank, making them public
- 22 solicitations and awareness, then, yes.
- 23 Q Has the bank made any effort to limit

- 1 <u>its publication of its use of the term</u>
- 2 "university" such as is reflected in Exhibits
- 3 Nine, Ten and Eleven, or elsewhere, to trying to
- 4 attract new employees to the bank?
- 5 MR. PECAU:
- 6 I object to the form of the
- 7 question.
- 8 THE WITNESS:
- 9 I don't understand the question.
- 10 BY MR. HUDSON:
- 11 Q To the extent that the bank has made
- 12 public its use of the term "university", has the
- use of that been limited to its attempt to attract
- 14 new hires?
- 15 A I don't know.
- 16 Q Do you know of any other reason that the
- 17 bank has made public its use of the word
- 18 "university" except in an attempt to attract new
- 19 hires as is reflected in Exhibits Nine, Ten and
- 20 Eleven?
- 21 A That would be what I would think would
- 22 be -- that would be what I'm aware of. I'm not
- aware of any other efforts that they've used the

- word "university" outside of recruiting.
- Q Outside of trying to attract new hires?
- 3 A To my knowledge.
- Q Okay. Now, please, if you will,
- 5 identify for us Exhibits Nine, Ten and Eleven.
- 6 A Nine is a recruiting brochure. Ten is a
- 7 brochure, I believe, that's used in new employee
- 8 orientation.
- 10 A In new employee orientation.
- 11 Q So Ten would not be publicly
- 12 disseminated. That would be used within the bank?
- 13 A My knowledge is that it was used for
- orientation programs. It could have been used for
- 15 something else but I'm not aware of it.
- 16 Q All right, sir. But Nine would have
- 17 been used publicly?
- 18 A Yes.
- 19 Q Okay.
- A And Eleven is a copy of a web page.
- 21 Q And is that publicly available?
- 22 A Yes.
- Q Okay. Now, your attorney was kind

- 1 enough to give us Nine, Ten and Eleven because I
- didn't have them here this morning, and
- 3 represented that this may or may not be all of the
- 4 brochures that were distributed outside the bank.
- In your recollection, were there brochures
- 6 distributed outside the bank touting the existence
- of Regions University other than Exhibit Nine?
- 8 A I believe that there have been other
- 9 brochures that I have seen over the last three or
- 10 four years that communicate, you know, Regions
- 11 University, especially in its connection with
- 12 careers at the company. And they could have been
- 13 used for recruiting.
- 14 Q Could have been? Sir?
- 15 A Could have been used for recruiting.
- 16 Q Okay. And if they were used in any
- 17 respect, in conjunction with somebody who is not
- an employee of the bank, the purpose would have
- 19 been recruiting. Is that correct?
- 20 A Yes, to my knowledge.
- 21 Q Okay. Now, when I'm looking at Exhibit
- 22 Nine, the reference I see and there may be
- 23 more. I just skimmed it. The reference I see to

- 1 - Regions University is on what has been Bates stamp
- 2 numbered 12341. Do you see that?
- 3 A Uh-huh.
- 4 MR. PECAU:
- 5 He can't take down "uh-huh". So
- 6 could you say it?
- 7 THE WITNESS:
- 8 Yes. I see that. Yes.
- 9 BY MR. HUDSON:
- 10 Q Thank you. Would you quickly thumb
- 11 - through there and just see if you see any other
- 12 - reference to Regions University or RU?
- 13 A That's the one notice of Regions
- 14 - University that I see.
- 15 - Q And would you please look at Exhibit
- 16 - Eleven, Bates stamp number 126, that says
- 17 - "Regions1Source and RU Learning (Regions
- 18 - University Learning) " on it? Do you see that?
- A Yes, sir. 19
- 20 Q Is there any other place to your
- 21 - recollection as you sit here today where RU
- Learning or Regions University appears on a 22
- 23 - website that is available to the public?

- 1 A Yes, sir.
- Q Where is that? 2
- A It's on a link off of Regions -- Life at 3
- 4 Regions. There's a place, I think that you click
- 5 - where it says "Training." And then it will take
- you to another place where you can click on a link 6
- 7 for RU Learning.
- 8 Q And as you recall, when you click that
- 9 -link, what does that bring up?
- 10 A As I recall, it brings up - I believe
- 11 - it's the RU Learning site page.
- Q RU Learning what? 12
- 13 --- A The site page, the home page.
- 14- MR. PECAU:
- 15 - I think there is some confusion
- going on. 16
- 17 MR. HUDSON:
- 18 I think there is too.
- 19 - BY MR. HUDSON:
- 20 The testimony yesterday, as I understood
- 21 it -- and it may be inaccurate. But as I
- 22 understood it -- and my understanding may be wrong
- 23 -- was that the Regions University home page, the

- training that is available online is available to
- employees and it's password protected. Is that
- 3 correct?
- 4 A It's -- well, my understanding is it's
- 5 available 24/7.
- 6 Q Right.
- 7 A And you can access it from your home.
- 8 Q If you're an employee of Regions.
- 9 A If you're an employee of Regions, yes.
- 10 Q What I'm really asking about is what the
- 11 general public can get to.
- 12 A Okay. Yeah. I'm not aware of anything
- 13 that the general public can see then.
- 14 Q All right. And is there, in your
- 15 recollection, any reference to Regions University,
- 16 RU Learning or RU that the general public's eyes
- would see except for perhaps this reference on
- 18 Defendant's Exhibit Eleven?
- 19 A That would be my understanding.
- 20 Q Okay. And does Regions have web pages
- 21 and links to its human resources department?
- 22 A I believe so.
- 23 Q At one point, did your responsibilities

## - also include human resources?

2 A Not at Regions.

- 3 Q Okay. What I'm curious about -- and
- 4 maybe you can help me with it -- on Exhibit Eleven
- 5 -- I think you told us it was your belief that
- 6 Exhibit Eleven is available to the general
- 7 public. And I don't want to be argumentative.
- 8 But Exhibit Eleven looks like something that
- 9 would go to the employees that says "Let's Get
- 10 Started", and it tells employees how to go about
- 11 doing things. Is that correct?
- 12 A It looks like it's information about the
- 13 company, www.regions.com. I believe
- www.regions.com is a public website.
- 15 Q Okay. I'm no tech guy. I'm in real
- 16 trouble with it. You may be too. And I guess
- 17 we'll ultimately just get somebody in front of the
- 18 computer and pull up what they can. But what it
- says is "regions.com" and then it says "/welcome/
- 20 lets\_get\_started". It has more than that in that
- 21 address.
- Do you know as you sit here today whether or
- 23 not that full address on this page, in fact, is

- 1 available to the general public or is something
- that is available to Regions people?
- 3 A No, not for sure.
- 4 Q Okay.
- 5 A I'd have to go on there to see. What I
- 6 do know is that usually when you see -- when
- 7 you're looking at something like that -- and
- 8 again, I'm not a tech person either -- it's
- 9 usually HTTPS, which indicates it's a secured
- 10 server. That doesn't have an S beside the P.
- 11 Q So that normally wouldn't be a secure
- 12 server?
- 13 A That address would be -- if it had an S
- on it, it would be a secured server.
- 15 Q And just assuming that this may be
- 16 publicly available, Exhibit Eleven, in your
- 17 capacity as operating the Regions University and
- 18 being in charge of learning -- I don't want to
- 19 mischaracterize it -- but as you previously
- 20 testified, can you think of any reason that you
- 21 would make available to the general public
- information about how to get started as an
- 23 employee at Regions?

- 1 A I think it would be a good way to show
- the general public that the bank has a process in
- 3 which, you know, if you come join the bank, that
- 4 we can take care of you from day one. So it would
- 5 -- you know, I could see where it could be used as
- 6 a good recruiting tool.
- 7 Q And we'll just have to find out what it
- 8 is. You can't tell us. Is that correct?
- 9 A That's correct.
- 10 Q Okay. Now, when we looked at Exhibit
- 11 Eleven earlier, I asked you to look at Bates stamp
- 12 126 where it says "Human Resources and training
- 13 systems. Two of these systems you will find
- 14 particularly helpful is Regions1Source and RU
- 15 <u>Learning (Regions University Learning)</u>. Is there
- 16 any link from that to anywhere else?
- 17 A On that page?
- 18 <del>Q Yes.</del>
- 19 A I don't know.
- Q Okay. If somebody wanted to test me on
- 21 this, I'd fail miserably. We'll just have to ask
- 22 somebody that knows about it. I gather from your
- 23 testimony that Regions University conducts some of

- its training online. Am I correct in that?
- 2 A Yes, sir.
- 3 Q Is training also conducted by your
- 4 corporate training program that is not online?
- 5 A Yes, sir.
- 6 Q And where is that training conducted?
- 7 A It would usually be within the footprint
- 8 of the company. And so Regions is in sixteen
- 9 states. And so the training could be delivered
- 10 anywhere within those sixteen states.
- 11 Q Okay. What physical locations are
- typically used?
- 13 A For the instructor-lead training, there
- are quite a few, we'd call, training labs. They'd
- 15 have classroom spaces so they would have your
- 16 classic teller training.
- 17 Q Owned by the company?
- 18 A Owned by the company. We also use
- 19 external sites, like the Marriott Conference
- 20 Center here in Prattville. So we've got -- we've
- 21 probably used that several times in the last
- 22 couple of years to deliver executive leadership
- courses.

- 1 Q Are there any other places that you can 2 - think of that are used? I'm not asking for every 3 - conference center that you rent. But I gather you 4 - rent conference centers for that purpose. A Yes, sir. 5 6 Q Is there any other place other than 7 - these company owned facilities or facilities that 8 -you rent specifically for the purpose of training 9 - your employees that are used? 10 - A Yes, sir. 11 A Well, the conference centers. 12 13 Q My question was so awkward, I 14 apologize. Am I correct in saying that you 15 operate this corporate training program when you 16 teach physically and not online either at company-17 owned facilities or at facilities you specifically 18 rent for that purposes? 19 Α Yes, sir. 20 And there aren't any other places that
- 22 A Not to my knowledge.

21

Q Okay. Are your employees required to

you do it that you can think of today?

- take corporate training?
- 2 A There are mandatory curriculum that must
- 3 be completed for some job families. And then I
- 4 guess everyone is -- is subjected to having to
- 5 complete compliance training. So, I guess the
- 6 answer would be yes.
- 7 Q Do you issue any diplomas or
- 8 certificates upon completion of any course or any
- 9 part of the training?
- 10 A Yes, sir.
- 11 Q Which? Diplomas or certificates, or
- 12 both?
- 13 A Certificates.
- 14 Q And would you tell me the typical form
- of the certificate, what it would say?
- 16 A It would say something, in recognition
- of completion of a certain course, you know, this
- 18 certificate is presented to, the person's name,
- 19 and it would be signed by the instructor. You
- 20 know, it could be signed by the chairman of the
- 21 bank. Just depending on what the course is.
- Q All right. Capable of being framed?
- 23 A Yes, sir.

- 1 And does the bank intentionally prepare the certificates in a way that they would be 2 3 attractive if framed? 4 Α Yes, sir. 5 And have you seen them framed and hung 6 on walls? 7 A Yes, sir. 8 Have you seen that frequently? 9 A Yes, sir.
- 10 Q Have you seen people display them
- 11 outside the bank?
- 12 A I'm not I don't remember seeing any
- 13 outside the bank.
- 14 Q Does the bank allow its employees to 15 represent to others that they have completed
- 16 courses of study at Regions University?
- 17 A I would answer that as, we have produced
- 18 transcripts for folks that have needed to prove to
- 19 an association that they have completed certain
- 20 numbers of hours of course work to keep their --
- 21 whatever it is, you know, like a CPA, valid.
- 22 Q So would you please tell me more about
- 23 the transcripts that are produced? Would you

- describe one such transcript?
- 2 A The ones I've seen would have their
- 3 name. Below their name, they would have the list
- 4 of courses that they would have completed, the
- 5 dates that they would have completed and the
- 6 amount of contact hours that that course consisted
- 7 of.
- 8 Q And those transcripts might be used, for
- 9 instance, in aid of obtaining a CPA? Is that what
- 10 you said?
- 11 A Well, the CPA -- to maintain the CPA
- 12 license, you have to have so many hours of --
- 13 Q Continuing learning?
- 14 A Yes, continuing learning on a one-year
- or three-year basis. So some courses we offer
- have satisfied those requirements in the past.
- 17 Q And for what purposes other than these
- 18 CPA Requirements have you produced transcripts?
- 19 A That's -- that's -- that's pretty much
- what I remember that we've done for folks that
- 21 have said, I need to have a record of course work
- 22 that I've taken. It's usually for some kind of an
- 23 association licensure that they have to provide

1 recognition of training taken. 2 And in conjunction with their 3 professional licensure? 4 A Yes, sir. --- Q Have you provided transcripts to schools 5 6 -or colleges? 7 A Not that I'm aware of. 8 Q Are any steps taken by the bank, to your 9 - knowledge, to prevent such transcripts from being 10 - presented by graduates of Regions University to 11 - schools or colleges? 12 MR. PECAU: 13 I object to the form of the 14 - question. 15 THE WITNESS: Could you repeat that, please? 16 17 THE REPORTER: 18 "Are any steps taken by the bank, to 19 your knowledge, to prevent such transcripts from being presented by 20 graduates of Regions University to 21 22 schools or colleges?"

THE WITNESS:

PECAU: 5 I object to the form of the 6 question. 7 THE WITNESS: 8 It's not been brought to my 9 knowledge. 10 - BY MR. HUDSON: 11 — Q Would you be surprised to learn that? MR. PECAU: 12 13 Object to the question. 14 THE WITNESS: 15 - I'm not sure what "surprised" would ----be. 16 17 BY MR. HUDSON: 18 Q Good answer. If you want a break at any 19 -time, just say so. 20 A Thank you. 21 Q Am I correct that the bank's Regions 22 University does not offer educational services of 23 any kind to the general public?

- 1 A If I understand that to mean Regions
- 2 University, Regions University does not offer
- 3 courses to the public.
- 4 Q Since you struggled, does the bank,
- 5 itself, in any way offer educational services to
- 6 the general public?
- 7 A Other than what we've already talked
- 8 about.
- 9 Q These American Bankers courses, that
- 10 sort of thing we talked about?
- 11 A Yeah.
- 12 Q Okay. Has anyone brought to your
- 13 attention, any bank employee brought to your
- 14 attention, that they were confused about whether
- the bank's corporate training program was the same
- as Regions University being operated by the school
- 17 that was formerly Southern Christian University?
- 18 A No associate has brought that to my
- 19 attention.
- 20 Q Sir?
- 21 A No employee has brought that to my
- 22 attention.
- 23 Q The transcripts that you described

- 1 - carlier in your testimony, does the name "Regions
- 2 - University" appear on the transcripts, or do you
- 3 <del>-recall?</del>
- A I don't recall. 4
- 5 Q If we would like to see those
- 6 transcripts, if we just describe them as
- 7 - "transcripts", would you know what we were
- 8 -speaking of?
- 9
- Okay. Do you maintain copies of them 10
- after they're issued? 11
- 12 A No.
- 13 Q Does the bank maintain copies?
- 14 No. Those transcripts are created off
- 15 - of the Learning Management System.
- Q The what? 16
- 17 A The Learning Management system.
- <del>Q Okay.</del> 18
- A And so it maintains the information on 19
- 20 - the associate. But there's no hard copies kept.
- Q Is there an electronic copy of the 21
- transcript that was issued? 22
- 23 A I don't think so. I think what you do

- 1 -- you create a report and that is essentially a
- 2 - transcript. And then once you create it, it
- 3 - disappears. You create it, print it off and it
- 4 - docsn't exist anymore.
- 5 Q I'm just trying to visualize this. But
- 6 I gather that there is a central place where
- 7 - electronically, the training records of every
- 8 - employee are maintained. Is that what you're
- 9 - saying?
- A That's the Learning Management System, 10
- 11 <del>yes, sir.</del>
- 12 Q So what you would do, if, for instance,
- I wanted a transcript, you would call up Victor 13
- 14 - Hudson in your computer and push a button and it
- 15 - would print my training transcript.
- 16 A Yes, sir. You would put in some
- 17 - parameters, like courses from this date to this
- 18 -date.
- Okay. And it would print those. And 19
- 20 - that's what would be used by somebody, for
- 21 - instance, for their CPA Licensure?
- 22 - A Yes, sir.
- 23 Q Has it ever been brought to your

- 1 attention that either any employee or former
- 2 employee has used those transcripts or information
- 3 from those transcripts on any resume?
- 4 A I think it would be smart if they did.
- 5 But I don't know if I've ever seen a resume from
- 6 someone who had a transcript that used it to
- 7 create it.
- 8 Q They wouldn't give you the resume, would
- 9 they?
- 10 A You know, it would be like, you mean
- 11 you're looking for a job outside the bank now?
- 12 Q That makes good sense. But it's the
- 13 kind of information you would expect them to use
- 14 on a resume?
- 15 A I have personally used some of the
- 16 courses that I've taken in the past in a similar
- 17 kind of situation on a resume. So I would only
- 18 say, you know -- you know, we have offered, in the
- past, four-week executive development courses.
- You know, when you complete that, it's a
- 21 pretty big deal. And some folks would recognize
- 22 that.
- Q And you get a certificate for that also?

- 1 A Yes, sir.
- 2 Q And that's the sort of certificate that
- 3 you might well attach to your resume.
- 4 A Yes, sir.
- 5 Q And would the certificate that is issued
- 6 now have the name "Regions University" on it?
- 7 A Not today.
- 8 Q And I wish I hadn't asked the question
- 9 that way. At any point in time, did the
- 10 certificates have "Regions University" on them?
- 11 A I don't know. I'd have to go back and
- 12 look at them to answer that.
- 13 Q Well, do you have any certificates with
- 14 Regions University on them?
- 15 A I mean, they are around the company.
- So, you walk into an office, you're likely to see
- one, as well as not see one. So when you walk in
- an executive's office, if they've been through any
- of the executive, you know, workshops, you may see
- 20 it. I would have to go around and look.
- 21 Q Well, I'm really being awkward in my
- 22 question. At any time if you looked at a typical
- 23 certificate, would it have on its heading or

- 1 - somewhere else, the words "Regions University"?
- A I'd have to go look. 2
- You don't remember? 3
- 4 A I don't remember.
- Q Fair enough. 5
- A I do remember that some of the 6
- 7 - certificates had colleges on them. Now, whether
- 8 - they would have actually said "Regions
- 9 - University", I don't know. But I know a lot of
- 10 - them had like "Retail College", "Commercial
- 11 - College". Now, if it would have said of the
- 12 - University, I don't know.
- 13 - Q Each certificate would have on it at
- 14least the college, Retail College, or one of the
- 15 - others, and may also have Regions University on
- 16 -it. Is that correct?
- A It could. There was also another 17
- 18 - component of the University called the Leadership
- and Sales institute. It could have had that on 19
- 20 -it.
- 21 Q Well, let's look. This may help us a
- 22 little and make it easier for us. Look, if you
- 23 will, please, sir, at Exhibit Twelve marked for

- 1 identification and tell me if you can identify
- 2 that.
- 3 A Yes, sir.
- 4 Q And it's several pages long. You might
- 5 want to thumb through it. The Bates stamp numbers
- 6 go from 1403 through 1407.
- 7 A It brings back memories.
- 8 Q Pleasant ones. What is it? I don't
- 9 know what it is.
- 10 A This was the original artist renditions
- of Regions University logos.
- 12 Q I think what you just looked at is Bates
- stamp number 1404. Is that correct?
- A All right. This -- that's what all this
- 15 is.
- 16 Q All right. All of that -- this entire
- 17 exhibit is the original artist renditions of the
- 18 logos?
- 19 A That we had to choose from.
- 20 Q All right.
- 21 A And then we had chose the ones that are
- 22 on page 1403.
- Q Okay.

- 1 A I haven't seen these in years.
- Q But in any event, the ones on 1403 are
- 3 the ones that have been chosen?
- 4 A Yes, sir.
- 5 Q All right. Now, let me show you Exhibit
- 6 Thirteen marked for identification and ask you if
- 7 you could tell me what that is.
- 8 A I recognize the logos but I don't
- 9 recognize the pictures.
- 10 Q Let me tell you, I'm not all that
- interested in knowing whether you remember this
- 12 particular picture or anything like that.
- I would think your recollection of what I'm
- driving at might be more general and it might be
- something like, well, this is typical of the sort
- of thing we used for such and such, whatever. But
- 17 that's the kind of thing I'm going to ask you
- 18 about.
- 19 A Yeah. That would be my assumption, that
- 20 these were, I guess, the ability to start the
- 21 development of brochures or it could have been web
- 22 pages for the University website. Here's one for
- 23 a leader's guide.

- 1 So that would have been the front cover of an
- instructor's manual. That would, you know,
- 3 signify the college that it represented within the
- 4 University.
- 5 O And those all would have been
- 6 distributed internally. Is that correct? Or used
- 7 internally and solely internally?
- 8 A These would be used internally, yes,
- 9 sir.
- 10 Q Look, for instance, at Exhibit Thirteen,
- 11 the top one, which is 1300. You see "Regions
- 12 University" and under that in smaller letters,
- 13 "Retail College". And if you look at Exhibit
- 14 Twelve, you find the same logo. Do you see that?
- 15 A Yes, sir.
- 16 Q Now, unless it's changed, it looks to me
- 17 like the logo that's used when you refer to the
- 18 Retail College would be in the format that you see
- on Thirteen, Exhibit Thirteen, Bates stamp number
- 20 1300. Am I correct in that?
- 21 A Yes, sir.
- 22 Q And has that logo changed?
- A Today?

- 1 Q Yes.
- 2 A All of them are changes.
- 3 Q But has it changed yet?
- 4 A No, sir, it hasn't changed yet.
- 5 O Okay. That's good enough. Now, the
- 6 logos that are set forth on Exhibit Twelve, 1403
- 7 are those logos that have been used consistently
- 8 since the coming into existence of Regions
- 9 University as a name for the corporate training
- 10 program? I'm speaking only of 1403.
- 11 A Yes, sir.
- 12 Q Okay. And so, for instance, if a
- 13 certificate had Retail College on it, now that you
- 14 look at this, would you expect it to have Regions
- University Retail College in the format of this
- 16 logo?
- 17 MR. PECAU:
- 18 I object to the form of the
- 19 question. If you know, answer. If
- 20 you don't --
- 21 THE WITNESS:
- 22 Yeah. My understanding would be
- 23 that if it would have Retail College

1 -- if it be a Retail College2 certificate, this would be what

3 would be displayed as a logo.

4 BY MR. HUDSON:

6

14

5 Q On that Exhibit Twelve, would you please

circle what you're indicating would be the logo

7 that you expect would be displayed on a

8 certificate from the Retail College?

9 A Yes, sir.

10 Q Okay. And similarly, if the certificate

11 were issued by the Operations College, the

12 Mortgage College, the Corporate Support College,

13 the Trust College, the Commercial College or the

Leadership and Sales Institute, would you expect

the certificate to bear the corresponding logo

16 that appears on Exhibit Twelve, Bates stamp number

17 1403?

18 MR. PECAU:

19 Object to the form of the question.

THE WITNESS:

21 We would like for it to have had

22 that.

23 BY MR. HUDSON:

1 These three leaves that appear on the logo that are depicted on Exhibit Twelve, 1403, 2 are those similar to the three leaves that are 3 depicted in the triangular logo that's used by 4 5 Regions Bank? 6 A Yes, sir. Q Earlier testimony, as I understood it to 7 -be - and I'm just asking you if you have the same 8 - understanding is that that was adopted to 9 10 - depict the joinder between Union Planters and 11 - Regions. Do you have any recollection about that? MR. PECAU: 12 Object to the form of the question. 13 14 - BY MR. HUDSON: - 0 When was the triangle with the three 15 - leaves first used as a part of the Regions logo? 16 17 - I'm speaking now of the bank, or the Regions - companies, the Regions logo, in your recollection. 18 - A In my recollection, it would have been 19 -in-2004.20 \_\_\_\_\_ Q And was there any seminal event that was 21 22 -associated with that? - A I don't recall. 23

- Q Okay. Do you have any understanding of
- 2 - what the significance of these three little leaves
- 3 - in-this column is that's depicted on Exhibit
- Twelve, 1403? 4
- 5 A You know, I've seen things where they
- 6 - represented just different concepts, different
- perspectives. But none that I would say would be 7
- 8 <del>- official.</del>
- O Sir? 9
- A None that I'm aware of that, you know, 10
- 11 - the company puts forth.
- 12 - Q Okay. Look, if you would, please, sir,
- 13 - at Exhibit Two that was previously marked in
- 14- another deposition, and also Exhibit Three that
- was previously marked in another deposition. 15
- 16 --- Do you recognize a sign like the one depicted
- 17 - in Exhibit Two? I'm not asking you to identify
- Exhibit Two. I'm just asking you to look at the 18
- 19 -picture.
- 20 A I'm not sure what you're asking.
- 21 Q Yeah. It's a picture of a bank sign.
- 22 Have you seen one that looked like that before?
- 23 A Yes, sir, I've seen this before.

- Q Okay. And is that typical of the signs 1
- 2 - that Regions Bank uses to identify its banks?
- 3
- Object to the form of the question. 4
- 5 THE WITNESS:
- This is an old sign, I believe, 6
- 7
- 8 BY MR. HUDSON:
- Q Now you're pointing to exhibit what, 9
- 10 <del>Three?</del>
- 11 ----A Three.
- 12 Q And with the changeover, do you now have
- 13 - on your signs Regions and that little triangle?
- -----A Yes, sir. 14
- 15 Q Now, when I drove into Montgomery, I saw
- 16 -a big tall building that had Regions on the top
- -and it was written just like it is on Exhibit 17
- Two. Have you seen that? 18
- 19
- ---- Q You didn't look to see it? 20
- A I didn't look to see it. 21
- 22 O Well, if I'm wrong, you tell me. But I
- 23 think I see a lot of them still that look like

- 1 Exhibit Two. Do you?
- A That's not something I pay attention to, 2
- 3 - to be honest with you.
- 4 O That's fair enough. But in any event,
- 5 - they are supposed to either look like Two or
- Three, one or the other? 6
- 7 MR. PECAU:
- Object to the form of the question. 8
- 9 THE WITNESS:
- 10 - I know that Exhibit Three is what
- 11 the corporate standard has been
- that's been what the company has 12
- 13 <u>been working towards.</u>
- 14 - BY MR. HUDSON:
- 15 Q Right. And they've told you that in
- 16 <u>your training programs?</u>
- 17 - A No, sir. That comes from management
- 18 -communications.
- Okay. In any event, upper management 19
- 20 has told you that.
- ---- A Yes, sir. That's 21
- 22 O Okay. And they've told you they're
- 23 working to move from the depiction in Exhibit Two

- towards the one in Exhibit Three? 1 -----A Yes, sir. 2 MR. PECAU: 3 - Object to the form of the question. 4 5 -BY MR. HUDSON: - Q The answer is yes? 6 A Yes. 7 O Thank you. I don't intend to make this 8 a memory contest so I'm asking you to just do as 9 10 best you can. Would you please, as you can, 11 recite for me the courses or subjects that are offered by the bank's corporate training program, 12 13 Regions University? 14 In the areas of leadership, you would 15 have Management Foundations. You would have 16 Exceptional Practices for Managerial --17 Q Sir? Exceptional Practices for Managerial --18 for Managers. You would have the Senior 19 Leadership Workshop. You would have Behavioral 20 Interviewing. 21 Sir? 22 Q

A Behavioral Interviewing. Performance

- 1 Management Workshop. Executive Coaching Workshop.
- 3 A Coaching.
- 4 O Coaching.
- 5 A Internal Consulting Workshop. Teller
- 6 Training.
- 7 Q Sir?
- 8 A Teller Training. Teller, as in bank
- 9 tellers.
- 10 Q Tellers.
- 11 A Yes. There are multiple courses within
- 12 the teller training curricula.
- 13 Q Okay. I don't need to hear those. Just
- 14 whenever you can do it generically such as telling
- me Teller Training, that's fine.
- 16 A FSR training, Financial Services
- 17 Representative training, Branch Manager training,
- 18 Sales Management training for retail, Commercial
- 19 Loan Officer training, Commercial Admin training.
- 20 There's a Trust Administrator curricula.
- 21 Mortgage Loan Originator currícula. Those are the
- ones that come to mind. And there are, you know,
- 23 three or four or five hundred online courses.

- 1 Q Yeah. I don't need to hear about them.
- 2 I think if you could just describe them in general
- 3 categories for me as you did with teller training,
- 4 that would be helpful. And let's try to cover all
- 5 of the general categories.
- 6 A Yeah. Financial -- Finance and
- 7 Accounting would be one. Communication Skills.
- 8 Supervision. Human Resources. Team Building.
- 9 Sales. Customer Service. Those are the ones that
- 10 come to mind.
- 11 Q Is advancement in the bank tied in any
- way to the successful completion of these courses?
- 13 A There's -- there's a strong attempt to
- manage that for entry level positions. And so you
- 15 have to complete certain criteria, certain
- 16 curricula before you're eligible for promotion,
- and, you know, strongly encouraged and supported.
- There's a lot of recognition given to folks
- 19 who do complete courses. And so, you know, I
- 20 wouldn't say we're mandatory in a lot of cases as
- 21 much as I would that it's looked on very
- 22 positively.
- 23 Q Is it taken into consideration in salary

- 1 advances and promotions?
- 2 A Some of it is, yes, sir.
- 3 O And are completion of these courses and
- 4 dedication to this training program something that
- is promoted as a tool that an employee should
- 6 utilize in order to advance within the
- 7 organization?
- 8 A That's the type of culture we've tried
- 9 to create.
- 10 Q That's the purpose of it, isn't it?
- 11 A That's the purpose, yes, sir.
- 12 Q Okay. I'm looking at what we've
- 13 previously marked as Exhibit Four. And you've
- 14 identified that earlier as your file that you
- 15 <u>reviewed in preparation for your deposition</u>
- 16 today. I don't have a lot of questions about it.
- 17 I'm going to skip around.
- 18 <u>If you feel like you need to read something</u>
- 19 in detail before you answer it, do that. I'm not
- 20 trying to sneak up on you. And I don't think my
- 21 —questions are that tough.
- 22 <u>I find under Strategic HR Initiatives this</u>
- 23 phrase "to interact with business partners and

- 1 college learning officers". And my question
- 2 simply is, what is this document-referring to when
- 3 it refers to "Business Partners" and what it is
- 4 referring to, in your understanding, when it
- 5 refers to "College Learning Officers?"
- 6 A The Business Partner would be a position
- 7 held by a senior HR manager.
- 8 O Within the bank?
- 9 A Within the bank, yes, sir.
- 10 Q Okay.
- 11 A The College Officer would be the person
- 12 who managed that particular line of business
- 13 training within the University.
- 14 Q Also within the bank?
- 15 A Within the bank, yes, sir.
- 16 Q Okay. When you look at Exhibit Four --
- 17 this isn't Bates stamp numbered. But the first
- 18 page isn't numbered and the next are. So it would
- 19 be effectively numbered one through eight. Do you
- see that collection? Pages one through eight.
- 21 A Yes, sir.
- 22 O Is that current? Is this a current
- 23 doctrine or policy or is this an older one?

1 A This is a document that was put together

- 2 in the summer of 2004 to represent the area of
- 3 responsibility that I had to the Management
- 4 Consulting Group within the company. And it is
- 5 what we've operated under until the merger with
- 6 AmSouth.
- 7 O If I say this wrong, you tell me. At
- 8 that time, the organization development part was
- 9 severed from the learning part and you took the
- 10 learning part.
- 11 A I took the organization development
- 12 <del>part.</del>
- 13 Q I'm sorry. Okay. But notwithstanding
- 14 that, you are sufficiently familiar with the
- 15 learning part to still testify here today in a
- 16 <u>knowledgeable way?</u>
- 18 <del>- 0 Sir?</del>
- 19 A I understand the basics of it, yes, sir.
- 20 Q When you say "basics", I'm not asking
- 21 questions about the fine points of some course.
- 22 Have you been comfortable in your testimony so
- 23 far?

- 1
- 2 Q Okay. Now, if you would, please, sir,
- move forward in this collection of documents until 3
- 4 you get to the page once again unnumbered that
- 5 - says "Top 100".
- A Yes, sir. 6
- 7 - Q Now, if you would, would you please go
- forward, thumb forward and tell me when you get to 8
- the end of the group of documents that go with 9
- 10 -that cover page?
- 11
- Q Would you be so kind as to put in the 12
- 13 - lower right-hand corner of that group and start
- 14 - with the one that says "Top 100," put a "1" and
- 15 - then just number the rest all the way through
- 1.6 <del>- that?</del>
- A On the inside too? 17
- O No. Just on the front so that later we 18
- can figure out what we're talking about. 19
- 20 ----A Okay.
- MR. HUDSON: 21
- Thank you. Let's take a break just 22
- ----a moment. 23

- 1 WHEREUPON, A RECESS WAS TAKEN.
- 2 BY MR. HUDSON:
- What is Training Top 100?
- 4 A It's an annual competition you can enter
- 5 in to have your learning organization judged to
- 6 see how it stacks up with other companies'
- 7 training functions across -- most of this is U.S.
- 8 Q When you say "stacks up" against other
- 9 training, is that other corporate training
- 10 programs?
- 11 A Yes, sir.
- 12 Q And you may not be aware of this. But
- if there's an allegation in this lawsuit that
- 14 Regions University has been recognized by Top 100
- training, has that been recognized among corporate
- 16 training programs?
- 17 A Yes, sir.
- 18 Q Does Top 100 training recognize anything
- 19 except, in your knowledge, corporate training
- 20 programs?
- 21 A Would that include non-profit in your
- definition of "corporate"?
- 23 Q Yes, sir.

- A I think that would be the case. 1
- 2 - Q Is the name of the magazine Training
- 3 -- Magazine?
- A Yes, sir. 4
- Q And is Training Magazine, in your 5
- understanding, devoted to profit and non-profit 6
- 7 — corporate training programs?
- A I have no knowledge of that. 8
- Q Do you have any understanding of that at 9
- 10 <del>--all?</del>
- 11 A No, sir. You're saying, would it apply
- 12 for folks in educational settings?
- 13 Q No. Actually, I'm not asking for you to
- 14 testify about what Training Magazine is. I'm
- simply asking you for your understanding of what 15
- 16 Training Magazine is. And you might not have any
- at all. 17
- My understanding, it would be for folks 18
- that have an interest in education and training of 19
- the workforce. 20
- Q For the workforce. 21
- A Yes, sir. 22
- 23 And you don't know whether that's just Q

- 1 corporate training programs or not?
- 2 A No.
- 3 Q You just don't know?
- 4 A Don't know.
- 5 Q Did you participate in the initiative to
- 6 apply for this award?
- 7 A Yes, sir.
- 8 Q Were you the one who, in fact, took the
- 9 initiative?
- 10 A I requested that we do it, yes, sir.
- 11 0 And was it necessary to pay a fee in
- 12 order to do that?
- 13 A I believe there was an application fee.
- 14 Q An application fee that was paid to
- 15 Training Magazine?
- 16 A I didn't handle it so I don't know the
- 17 details. But I would assume it would have been
- 18 paid to Training Magazine.
- 19 Q Who would have handled that?
- 20 A The individual's name is Todd Massey.
- 21 Q And what is his job?
- 22 A He is an Organizational Development
- 23 Consultant.

- Q I'm just curious. Why would he have 1
- handled the fee payment part of it and you would 2
- have handled other parts? Is there any reason for 3
- 4 - that division of responsibility?
- 5 A He handled the development of the whole
- application. I requested it. I provided input 6
- 7 -into it. But I didn't prepare it.
- Q I understand. And he would work under 8
- 9 - your supervision?
- Yes, sir. 10
- 11 And your direction.
- A Yes, sir. 12
- 13 - O And whatever mechanical things were
- 14- required such as getting a check to pay the fee,
- that would have been delegated to him. 15
- -----A Yes, sir. 16
- O But it would have required your 17
- approval, would it not? 18
- -- A Yes, sir. 19
- 20 Q I'm not going to fly speck this. If you
- want to read it all, that's fine. But my question 21
- is, would this document which is captioned 22
- "Training Top 100" and runs through the twenty 23

- 1 numbered pages fairly describe the corporate
- training program as it existed on October 3, 2005,
- 3 the date of this document?
- 4 A Yes, sir.
- 5 O Do you see this page? Tell me which
- 6 number it is. It says "Return On Investment" at
- 7 the top of it.
- 8 A Page nine.
- 9 Q All right, sir. Looking at page nine of
- 10 this exhibit captioned "Return On Investment",
- 11 what was meant, in your understanding, of "Return
- 12 On Investment"?
- 13 A The extent to which the company is able
- 14 to see some type of monetary or non-monetary
- 15 effect based on the resources that were allocated
- 16 to training.
- 17 Q A measurable benefit to the company,
- 18 either monetary or non-monetary. Would that be
- 19 correct?
- 20 A Yes, sir.
- 21 Q And did the Regions corporate training
- 22 program referring to it as Regions University
- 23 result by October 3, 2005 in generating a

- 1 corporate benefit to Regions Bank?
- 2 A Yes, sir, in many ways.
- 3 Q All right. And did it do so in a
- 4 monetary way?
- 5 A We've always tried to, you know, see if
- 6 we can't document the impact of the training that
- 7 we've offered. And in some cases, we've been able
- 8 to.
- 9 O And did you attempt to reflect those
- 10 cases in this document at page nine?
- 11 A Yes, sir. I think one of the projects
- 12 we were working on.
- 13 Q And what was the monetary benefit that
- 14 you were able to document with respect to a
- 15 portion of this Regions University corporate
- 16 training program?
- 17 A There's a statement in this document in
- 18 paragraph four, page nine that says "applying a
- 19 conservative five percent value estimate, the
- 20 increase in profitability would exceed one point
- 21 nine million".
- 22 One point nine million dollars?
- 23 A Yes, sir.

- 1 -Q Okay. And at the top, referring just to
- 2 - Executive Coaching, as I read it, you said that
- 3 — you've invested thirty thousand dollars in your
- corporate executive coaching program and that's 4
- resulted in a documented two hundred and fifty 5
- thousand dollars in additional revenue for the 6
- —bank. 7
- Is that correct? Have I read that correctly 8
- 9 - or do I understand that correctly?
- 1.0 - A No, sir.
- 0 Would you straighten me out? 11
- A I believe the top of the page where it 12
- 13 - says "describe your best return on investment
- outcome. For example " 14
- 15 Oh. I see. That's their example?
- 16 A That's their example.
- 17 Q I'm sorry. Do you see this page, sir?
- A Did that come before or after? 18
- 19 - Q It comes after this one. There it is.
- A It's page twelve. 20
- All right, sir. If we can look at page 21 Q
- twelve, please, sir, of Exhibit Four, a portion of 22
- Exhibit Four, it says at the top "Top 100 23

- 1 Training", what do those blocks in that diagram at
- 2 Number Eleven signify?
- 3 A They would signify the change in the
- 4 composition of training that you would -- that we
- 5 had offered from 2004 to 2005.
- 6 O When I look at that block that starts at
- 7 the top "Percentage of learning content (provided)
- 8 devoted to the following areas", and then it lists
- 9 areas A through M, would that be descriptive of
- 10 the areas of training that were offered by Regions
- 11 University during that time period, the bank's
- 12 corporate training program?
- 13 A Yes, sir. That, I believe, was our best
- 14 attempt to try to document the training that we
- offered and to fit it into the categories that the
- 16 application asked us to fit it into.
- 17 Q And that would have been all of the
- 18 categories using their format?
- 19 A Yes, sir.
- 20 Q Do you see this page?
- 21 A Yes, sir. It's page thirteen.
- 22 Q Sixteen?
- 23 A Thirteen.

- 1 Q Thirteen. Please look at the document
- 2 marked at its top "Top 100 Learning", page
- 3 thirteen, and look at the back side of thirteen,
- 4 Section 2.1.6. It says "To better describe your
- 5 Corporate University -- ", and it goes forward.
- In your understanding, are there other
- 7 corporations that refer to their internal training
- 8 programs as universities?
- 9 A Yes, sir.
- 10 Q Is that frequently done in your
- 11 understanding?
- 12 A It's common.
- 13 Q Okay. Would you tell me those of which
- 14 you are aware?
- 15 A Motorola University; McDonalds Hamburger
- 16 U, University; Delta University, Delta Airlines.
- 17 Q Delta University?
- 18 A Yes, sir. I believe Delta Airlines
- 19 University. SunTrust University. Those are the
- 20 ones that come off the top.
- 21 Q I notice that you told me that there
- 22 was, for instance, Delta Airlines University,
- 23 McDonald's Hamburger University. Is there any

```
1
      reason that your corporate training program isn't
 2
      referred to as Regions Bank University?
 3
                MR. PECAU:
 4
                I object to the form of the
 5
                question.
 6
                THE WITNESS:
 7
                I don't know how to answer that.
 8
    BY MR. HUDSON:

           0
                Was the name Regions Bank University
10
      considered by you, by the bank or by anybody?
           A No, sir, not to my knowledge.
11
    - Q Would you please look, sir, at Exhibit
12
13
    - Four, the pages that follow the one that you had
14
    - marked with a twenty? And they start at the top
15
    - "2006 CLO Award".
16
    --- A Yes, sir.
17
    - Q Do the next four pages go together?
18
        <del>- A - Yes, sir.</del>
                Would you please label them at the
19
20
      bottom A, B, C and D? Thank you. What is the CLO
21
      Award?
22
                It's the Corporate Learning Officer
```

Award that is managed by CLO Magazine, similar to

- 1 Training Magazine, that recognizes that function
- 2 within companies.
- 3 O This is an individual award?
- 4 A Yes, sir. But in many cases, the
- 5 individual award is substantiated based on the
- 6 work that's done in the function.
- 7 Q Have you been the recipient of this
- 8 individual award?
- 9 A Yes, sir.
- 10 Q And were you the recipient of that award
- 11 in 2006?
- 12 A 2005, I believe, sir.
- 13 Q Is that something you also make
- 14 application for?
- 15 A Yes, sir.
- 16 Q And with whom do you make application?
- 18 <u>firm.</u> But it's the magazine that sponsors the
- 19 award. It's something Media. I don't remember
- -the name.
- 21 Q And I think you said that that would
- 22 have been in part because of the work that you've
- 23 done with the corporate training program for the

- 1 bank.
- 2 A Yes, sir.
- 3 Q Was there any other basis other than the
- 4 work you've done with the bank's corporate training
- 5 <del>program?</del>
- 6 <del>A No.</del>
- 7 Q Okay. If you look, please, sir, at page
- 8 B, under item number 3, "Describe the impact of
- 9 the initiative on the company and its
- 10 stakeholders", do you see that?
- 11 A Yes, sir.
- 12 Q Is that an accurate statement of the
- impact of the corporate training program at
- 14 Regions Bank referred to by the bank as Regions
- 15 University that was administrated by you during
- 16 this relevant time period?
- 17 A Yes, sir.
- 18 Q And did you help in the preparation of
- 19 that statement?
- 20 A I reviewed it.
- 21 Q And approved it?
- 22 A Yes, sir.
- 23 Q The statement I asked you about the

1	statement on B, page B. But, in fact, it carries
2	- over to page C. So you might look at C also to be
3	-sure that we're still in accord on your answer.
4	MR. PECAU:
5	Do you want the question read back
6	<del>to you?</del>
7	THE WITNESS:
8	——————————————————————————————————————
9	MR. HUDSON:
10	Let me ask another one.
11	BY MR. HUDSON:
12	Q I was unfair to you and it wasn't on
13	purpose. When I asked you a series of questions
14	about whether or not item number 3 on page B is
15	accurate and reflects the program and its impact
16	on the company at the time this statement was
17	written, I asked you just to look at page B. But,
18	in fact, it carries over to page C too.
19	So my question is, does the statement on
20	pages B and C accurately reflect the impact of the
21	corporate training program known as Regions
22	University administrated by you as to its impact

on Regions Bank during the time period reflected

- 1 in this document?
- 2 A The thing that we were the proudest of
- 3 in looking at this, the approach was a very
- 4 efficient use of training. And so that when it
- 5 comes down to it, we reduced the number of
- 6 training hours required to fulfill the strategy
- 7 and that resulted in a return on investment of
- 8 over seven hundred percent. That was right on
- 9 target.
- 10 Q Well, if there's any trick in this
- 11 question, I don't know what it is. Under your
- 12 supervision and direction, was this document which
- is captioned at its top "2006 CLO Award"
- 14 prepared? Was this prepared under your
- 15 supervision and direction?
- 16 A Yes, sir.
- 17 Q And the assessment of the impact of the
- initiative on the company and its stakeholders as
- 19 what was being referred to as the initiative in
- 20 that sentence, was that the corporate training
- 21 program?
- 22 A Yes, sir.
- 23 Q And so was the impact of the corporate

- training program referred to as Regions University
- on Regions Bank and its stakeholders at the time
- 3 this document was prepared reflected in the answer
- 4 set forth under Exhibit Three?
- 5 A Yes, sir.
- 6 O Okay. I'm not going to mark this yet.
- 7 Do you see that budget or whatever that is, that
- 8 spreadsheet? Do you recognize that and know what
- 9 it is? It's with other documents.
- 10 A It looks like a budget document, Regions
- corporate training, October of 2006.
- 12 Q Well, let me make it simpler. It could
- 13 be a lot of things. One thing it could be is a
- 14 budget for Regions University. If it's not that,
- 15 I'm not interested in asking you about it.
- 16 A Okay. I believe this is maybe the last
- 17 report that we had prior to the AmSouth merger.
- 18 So that would probably be a valid snapshot of the
- 19 corporate University.
- 20 Q Okay. I'll mark that as Exhibit
- 21 Fourteen, what we referred to just a moment ago.
- 22 And in my understanding, that would be a valid
- 23 snapshot of the expenditures for corporate

- training by the corporate training arm of Regions
- 2 Bank just prior to the AmSouth merger. Is that
- 3 correct?
- 4 A Yes, sir.
- 5 Q Now, look, please, sir, at page 30356.
- 6 A 30356?
- 7 Q Yes, sir. Do you see up at the top
- 8 where it says in bold, "NewRegions-Corporate
- 9 Training" with the words "new" and "Regions"
- 10 merged into one word?
- 11 A Yes, sir.
- 12 Q What is that referring to?
- 13 A I don't know.
- 14 Q Are you familiar with the term
- 15 "NewRegions" in any context?
- 16 A Yes, sir. It would be, I believe, a
- 17 recognition of the company after the Regions/
- 18 AmSouth merger.
- 19 Q Has that term been used with any degree
- of frequency after the merger?
- 21 A Yes, sir.
- 22 O And how and where has it been used, to
- 23 your knowledge?

1 A Just as a way to signify the operations of the new company, the combined efforts between 2 AmSouth and Regions. 3 — 0 Has it been used publicly? 4 ----A I don't know. 5 6 — Q Please look at Bates stamp number 30353. 7 - A Yes, sir. — Q What sort of legal and professional fees 8 - would the corporate training department have? 9 10 - That line item is about four down. 11 A Legal and Professional would be a 12 general ledger account line that would be used to - house expenses that the function would have for 13 14- external consultants that are used to deliver 15 - programs for the company. - O So if you hire somebody to come in and 16 17 - put on a special training program, that would be - the line item to show what you paid? 18 - A Yes, sir. 19 Q Okay. Now, there's also a line item for 20 - Outside Services. How is that different? 21 22 - A I don't know all that goes into Outside

- Services. But some of that that goes into there

- could be catering. It could be purchase of 1
- materials. It just depends on how something gets 2
- 3 - classified in accounting.
- O Okay: Travel & Business Development. 4
- 5 - Do you see that?
- 6 - A Yes, sir.
- 0 What would that be? 7
- A That would be mainly for instructor 8
- 9 - travel. So where we have folks that are going
- out, you know, into the footprint delivering 10
- 11 <del>-courses.</del>
- 12 — Q The corporate training program known as
- 13 - Regions University wouldn't have any business
- 14 - development, per se, would it?
- 15 A No, sir.
- 16 — Q Okay. Now, Miscellaneous Expense, de
- 17 you see that?
- A Yes, sir. 18
- Q It's a huge item. I'm just wondering 19
- 20 how does a banker get away with lumping a million
- 21 - dollars into miscellaneous expense. You don't
- 22 have to answer that.
- A Buy a lot of miscellaneouses. 23

- 2 MR. HUDSON:
- 3 Let us spend a few minutes.
- 4 WHEREUPON, A RECESS WAS TAKEN.
- 5 BY MR. HUDSON:
- 6 Q Does the corporate training program,
- 7 Regions University, utilize any outside media to
- 8 promote itself to the public?
- 9 A Nothing other than the logo that you've
- seen in trying to go over the artwork. No, sir.
- 11 O Now, when I say "outside media," I mean
- television, radio, that sort of thing.
- 13 A No, sir.
- 14 Q Do you charge tuition?
- 15 A Some of the courses require managers and
- departments to pay for their folks to attend.
- 17 Q To personally pay?
- 18 A No. The company pays. Our cost center
- 19 will budget for folks to go through training.
- 20 Q But except for accounting and cost
- 21 centers, there's no tuition charge?
- 22 A No, sir.
- 23 Q Do you give grades?

- 1 A No, sir.
- 3 A In some courses.
- 4 Q So is there any testing associated with
- 5 many of the courses?
- 6 A Courses where you have to prove
- 7 proficiency, for example, compliance, there's a
- 8 pass/fail cutoff score that's established. But
- 9 those are few, compared to all that are offered.
- 10 Q And would you please tell me which those
- 11 are?
- 12 A There's a series of, you know,
- 13 regulation law courses. I can't tell you
- 14 specifically all of them.
- 15 Q But they're all required as part of the
- bank's compliance with regulatory requirements?
- 17 A Yes, sir.
- 18 Q Do you teach in Spanish?
- 19 A We have converted some of our course-
- ware to Spanish to recognize some of the markets
- 21 that we're in.
- Q Do you offer any courses in English to
- 23 Hispanic speakers?

- 1 A No, sir.
- 2 Q And the English language I'm speaking
- 3 of.
- 4 MR. PECAU:
- I object to the form.
- 6 BY MR. HUDSON:
- 7 Q Do you teach Spanish-speaking people how
- 8 to speak English?
- 9 A No, sir.
- 10 Q And vice versa. Do you teach English-
- speaking people how to speak Spanish?
- 12 A We have had some self-study courses in
- 13 the past on languages, Spanish being one of them,
- on a volunteer basis.
- 15 Q And have you done that under the
- 16 auspices of Regions University?
- 17 A The materials were delivered by Regions
- 18 University, yes, sir.
- 19 Q And from whom did you obtain the
- 20 materials? You don't need to tell me the name of
- 21 the company. Was it an outside vendor?
- 22 A Outside vendor, yes.
- 23 Q I'm going to show you Exhibits Fifteen

1 and Sixteen that I've marked for identification. 2 And I want to ask you about something in 3 particular about them. Each of them has at the 4 bottom "https". Do you see that? 5 Yes, sir. A 6 In the web address or whatever you call 7 that. Is that the "S" that you referred to as a 8 secure site? 9 A Yes, sir. 10 Q And so both Fifteen and Sixteen would be 11 available only to bank employees who had a 12 password in order to access it? 13 A Yes, sir. MR. HUDSON: 14 15 - Thank you, sir. 16 MR. PECAU: I have no questions. 17 18 19 FURTHER, DEPONENT SAITH NAUGHT. 20 \* \* \* \* \* \* \* \* \* 21 22 23

- 1 SAMUEL E. UPCHURCH, JR., having been first
- duly sworn to speak the truth, the whole truth,
- 3 and nothing but the truth, testified as follows:
- 4 EXAMINATION
- 5 <del>BY MR. HUDSON:</del>
- 6 Q Mr. Upchurch, would you please state
- 7 your name for the record?
- 8 A Samuel E. Upchurch, Jr.
- 9 Until recently, where were you employed?
- 10 A Regions Bank. Regions Financial
- 11 Corporation.
- 12 Q In what capacity?
- 13 A Most recent capacity, I was in charge of
- 14 general bank.
- 15 Q Can you tell me in layman's terms what
- 16 that means?
- 17 A That means all of the banking -- all the
- 18 people that work for the bank, as opposed to lines
- of business, directly or indirectly reported to
- 20 me.
- 21 Q And what would be the definition of the
- 22 lines of business?
- 23 A Retail, commercial. Commercial's broken

- down into several different lines, private
- 2 banking. Regions runs a matrix system where they
- 3 have general bank officers and they have lines of
- 4 business that work together in matrix. So the
- 5 people who worked in the general bank reported
- 6 directly or indirectly to me.
- 7 Q And being in charge of the bank, would
- 8 that be for the bank and all of its locations?
- 9 A Yes, it was.
- 10 Q All right. And previous to that, what
- 11 was your job?
- 12 A Previous to that, I was the director of
- 13 corporate strategic initiatives for Regions Bank.
- 14 Q Did you hold an office?
- 15 A Yeah. I was Executive Vice President.
- 16 Q And when you were in charge of all of
- 17 the bank, were you also an Executive Vice
- 18 President?
- 19 A I was Senior Executive Vice President
- 20 then.
- 21 Q Okay. Prior to your corporate strategic
- 22 position, what was your position?
- 23 A I was the -- I've forgotten what they

- 1 call it. It was either President or CEO -- I've
- 2 forgotten what they call it -- of the Central
- 3 Region, which was comprised of Alabama, the
- 4 Panhandle of Florida and east -- all of Tennessee
- 5 besides Memphis.
- 6 Q And prior to that, what was your
- 7 position?
- 8 A Prior to that, I was Executive Vice
- 9 President, General Counsel and Corporate
- 10 Secretary.
- 11 Q What was the period of time that you
- were the General Counsel?
- 13 A I'd say from 1994 to 2004, something
- 14 like that. I don't remember the exact end date.
- 15 Q Close enough. What responsibility did
- 16 you have at any time for the enforcement of the
- 17 trademark name "Regions" or "Regions Bank"?
- 18 A I had direct responsibility for all
- 19 legal oversight for the company, which would
- include the enforcement of marks.
- 21 Q Did you still have that oversight after
- 22 2004?
- 23 A I did not have the oversight after I

- left, after I left the position as General
- 2 Counsel.
- 3 Q Did you have any responsibility in that
- 4 regard after you left the situation of General
- 5 Counsel?
- 6 A Did not.
- 7 Q Can you tell me what the criteria was
- 8 for the enforcement of the mark that was utilized
- 9 from a corporate standpoint from 1994 through
- 10 2004?
- 11 A Well, we had trademark counsel so we
- 12 would follow their responsibilities. But it
- 13 was -- it was just a general knowledge of
- 14 protecting the mark. You know, we had a mark and
- it needed to be protected.
- 16 And, you know, if we -- if we did not protect
- the mark, we would lose the ability to protect
- 18 it. So just general corporate knowledge of
- 19 protection of the mark.
- 21 particular third party use of the name was a
- threat to the mark or not?
- 23 A I don't know if there was any one person

- 1 who made the decision. But, I mean, generally it
- 2 would be -- we would talk with counsel about it
- 3 and it would be decided to proceed or not.
- 4 O And who would make the business decision
- 5 about whether to pursue it?
- 6 A Oh, probably -- from a business decision
- 7 perspective?
- 8 Q Uh-huh.
- 9 A I don't -- I don't recall a business
- 10 decision. It was always a legal decision.
- 11 Q Well, I mean, you agree with me that
- 12 lawyers can recommend but lawyers ultimately have
- to act upon whatever the business people tell them
- 14 to do or not to do.
- 15 A But in this instance, that would have
- been totally delegated to the lawyers.
- 17 Q Totally.
- 18 A Totally.
- 19 Q So the lawyers made the decisions as
- 20 well as listened to the recommendations from
- 21 others?
- 22 A Well, whether or not to enforce the mark
- 23 would have been -- would have been a legal

- 1 decision.
- Okay. At least from 1994 to 2004.
- 3 A When I was there. Correct.
- 4 Q And to your knowledge, did that change
- 5 at any time after you left?
- 6 A Not to my knowledge.
- 7 Q Okay. Now, was there any particular
- 8 criteria that were utilized by the legal
- 9 department in determining whether or not to
- 10 challenge a third party use?
- 11 A I can't -- once again, I can't recall
- 12 any specific criteria other than -- than someone
- using a mark that was deceptively similar and the
- 14 need to protect the mark on Regions.
- 15 Q Have you recently seen what was marked
- 16 as Exhibit One-O-nine?
- 17 A No. I haven't seen this recently.
- MR. PATERSON:
- What is that, Tom?
- MR. HUDSON:
- 21 Here.
- MR. PATERSON:
- We've got so many papers in this

- 1 case, it's hard to keep up.
- 2 MR. HUDSON:
- 3 Sure.
- 4 THE WITNESS:
- 5 Yeah. To answer your
- 6 question, no, I've not recently seen
- 7 this.
- 8 BY MR. HUDSON:
- 9 Q Now that you've read it, do you recall
- 10 the letter?
- 11 A I do not.
- 12 Q Is that your signature?
- 13 A It is.
- 14 Q Is the content of the letter true and
- 15 correct?
- 16 A I assume it is. I don't remember the
- 17 circumstances. But I assume it's correct.
- 18 Q Well, you would have endeavored to make
- 19 it true and correct at the time that you wrote
- 20 it?
- 21 A That's correct.
- 22 Q Do you recall there being other third
- 23 party uses of the name "Regions" that came to your

- 1 attention that involved third parties that were
- 2 not in the same business as the bank?
- 3 A Yes, I do.
- 4 Q And do you recall whether or not the
- 5 bank challenged those third party uses?
- 6 A Yes, I do.
- 7 Q And what is your recollection?
- 8 A I recall several challenges. I don't
- 9 remember the specifics. I remember them being
- 10 discussed at a Board meeting of the subsidiary
- 11 company that owned the marks. The marks were
- 12 transferred. But I don't remember the specifics.
- 13 The only one I really remember specifics about was
- 14 Regions 2020.
- 15 Q Okay. We'll talk about that in a
- 16 moment. You say that you remember several. Would
- the several include this Regions Propane?
- 18 A I don't remember the Regions Propane but
- it very -- very possibly could have.
- 20 Q And you do remember Region 2020.
- 21 A I do.
- 22 Q And within the period of 1994 to 2004,
- 23 there are several that you recall, and one in

- 1 particular is the name Region 2020?
- 2 A I have a recollection of it being
- discussed. I would say several. More than one.
- I can't tell you how many because I don't have
- 5 specific recollections of any besides Regions
- 6 2020.
- 7 Q Okay. And the best you can do is that
- 8 it was more than once?
- 9 A Yes.
- 10 Q Okay. Was this something that came up
- 11 frequently, this sort of topic, or it came up
- infrequently?
- 13 A Oh, it would only came up when somebody
- identified something they thought was an
- 15 infringement.
- 16 O Okay. During that period of time, was
- 17 there any outreach that was being done by your
- department to determine whether or not third
- 19 parties were using the name "Regions"?
- 20 A We were more reactive. When we would
- see it or when someone would -- would send
- 22 something to the legal department that showed a
- usage, that would be how we would get involved.

- 1 Q Reactive as opposed to proactive?
- 2 A That's correct.
- 3 O So you were not proactive?
- 4 A We were not proactive to my knowledge.
- 5 Q Okay. You spoke of Region 2020. Let me
- 6 show you what was previously marked as Exhibit
- 7 One-ten and Exhibit One Thirty-seven that's in
- 8 front of you there, and ask you if you recall
- 9 seeing those before today.
- 10 A Yes, I do.
- 11 Q When did you see them last?
- 12 A Oh, probably -- I can't recall when I
- 13 saw them last. Years ago.
- 14 Q Do you want to take a moment and read
- 15 both of them, please?
- 16 A Okay.
- 17 O All right, sir. If we can look first at
- 18 Exhibit One-ten --
- 19 A All right.
- 21 been drafted by Stephen Leara, addressed to Ann
- 22 Florie and copied to you, together with an
- 23 enclosure which is a draft of the Non-exclusive

- 1 License Agreement. Have I correctly characterized
- 2 that?
- 3 A It appears to be that, yes.
- 4 O Do you recall, now that you've looked at
- 5 this letter and the attached draft license
- 6 agreement, this transaction?
- 7 A Yes.
- 8 Q Tell me what you recall about the
- 9 transaction.
- 10 A I recall being familiar with Regions
- 11 2020, that Regions 2020 -- from what I recall,
- raising an issue with their use of the name. I
- 13 recall asking counsel, outside counsel, to draft
- 14 the agreement. I recall speaking with Ann Florie
- 15 about it.
- 16 I recall receiving it, having it -- reviewing
- 17 the draft. I recall receiving the finally
- 18 executed copy. Just the general -- general
- 19 situation around the execution of the document.
- 20 O Look, please, sir, at the document,
- 21 itself that is attached to the October 20, 1997
- 22 letter, being the first draft of the Non-exclusive
- 23 License Agreement. And if you'd look at the third

- whereas clause, do you see where it says "Whereas,
- the Licensee's mark is deceptively similar to the
- 3 Licensor's Registered Marks so as to be likely to
- 4 cause confusion in the marketplace"?
- 5 A I see that.
- 6 Q Okay. Now, would you please look at the
- 7 next draft that is attached to the November 11,
- 8 1997 letter?
- 9 MR. PATERSON:
- 10 That's the signed copy?
- MR. HUDSON:
- 12 No.
- MR. PATERSON:
- 14 Okay.
- THE WITNESS:
- 16 Okay.
- 17 BY MR. HUDSON:
- 18 Q Do you see that same provision in that
- 19 draft?
- 20 A Yes, I do.
- 21 Q Now, would you please look at the
- 22 executed copy, Exhibit One Thirty-seven?
- 23 A Okay.

- 1 Q Has that provision been removed from
- 2 that draft?
- 3 A It is not in that draft.
- 4 Q Can you tell us why it was removed?
- 5 A No, I cannot.
- 6 Q Do you recall that there was a
- 7 negotiation between the lawyers for Region 2020
- 8 and either you or the lawyers you employed over
- 9 the terms of this license agreement?
- 10 A I recall some drafts going back and
- forth but I don't recall the specifics of any of
- 12 it.
- 13 Q But in any event, drafts going back and
- 14 forth constitutes negotiation over the language,
- 15 does it not?
- 16 A I don't know that I would term it
- 17 negotiations. Some discussions went on.
- 18 Q Well, is it fair to say that the first
- 19 draft would have been the proposal of the bank?
- 20 A It is.
- 21 Q And the final draft that was executed
- would have been the proposal of Region 2020?
- 23 A Not necessarily.

- 1 Q That's true. The final agreement that
- 2 was executed would have been what both sides
- 3 agreed to do rather than what just the bank
- 4 proposed.
- 5 A Correct.
- 6 Q I think your testimony is that you don't
- 7 have any particular recollection why this clause
- 8 was removed. All you can tell us is that in order
- 9 for the copy to be executed, it had to be removed.
- MR. PATERSON:
- 11 Object to the form.
- 12 THE WITNESS:
- 13 Really, all I could tell you is that
- it was removed in the executed copy.
- 15 BY MR. HUDSON:
- 16 Q Okay. Now, if you'll look, please, sir,
- 17 at One-ten at Section 2.1, the royalty payment for
- the first draft, which appears after the October
- 19 20 letter, it says in pertinent part "Licensee
- shall pay to Licensor a royalty of \$1,000.00 per
- 21 year until the expiration of the Registered Marks,
- or any renewals thereof."
- 23 And then the next draft which is attached to

- the October 20, 1997 agreement says at 2.1,
- 2 "Licensee shall pay to Licensor a royalty of
- 3 \$100.00 per year until the expiration of the
- 4 Registered Marks, or any renewals thereof."
- 5 The cover letter that goes with that second
- draft, October 20 cover letter says "At the
- 7 request of Sam Upchurch, I have drafted, and am
- 8 enclosing herewith, a licensing agreement setting
- 9 forth the terms and conditions under which Regions
- 10 Financial Corporation will allow Region 2020, Inc.
- 11 to use its registered name. Please review this
- document and call me if you have any questions."
- Do you recall why the change was made from a
- 14 thousand dollars per year to a hundred dollars per
- 15 year?
- 16 A I don't recall specifically why except
- that it was requested by -- it was a request by
- 18 Regions 2020.
- 19 Q Okay. And if you would, look at the one
- 20 that was executed, please, sir, at 2.1 which is
- One Thirty-seven. Take a look at 2.1.
- 22 A Right.
- 23 Q The final agreement for payment turned

- out to be a one-time one hundred dollar payment.
- 2 Do you see that?
- 3 A Yes, I do.
- 4 Q If you'd just read into the record that
- 5 sentence.
- 6 A It says "Royalty Payment". "Licensee
- 7 shall pay to Licensor a total royalty of \$100.00,
- 8 which shall be the total payment due from Licensee
- 9 during the duration of this license."
- 10 Q All right, sir. Do you recall that that
- would have been requested by Region 2020?
- 12 A Yeah. Regions 2020 at the time was a
- fledgling, kind of start up 501(c)(3) charity. I
- 14 do recall them raising the point that they didn't
- 15 have a lot of money and so they didn't want --
- 16 yes.
- 17 Q Okay. Now, the license agreement
- purportedly was signed on December 3, 1997. After
- 19 the date of its signature, do you recall anything
- 20 that Regions Bank did to police the mark or police
- 21 the licensing of the mark?
- 22 MR. PATERSON:
- 23 At any time, Tom?

```
1
                THE WITNESS:
 2
                Well, I was familiar with what
                Regions 2020 did because I was
 3
                actively involved with them many
 4
                times. So policing the mark -- I
 5
                was familiar with what they did so I
 6
                was familiar that they were not
 7
 8
                violating the terms of the
 9
                agreement.
      BY MR. HUDSON:
10
                How many times did you attend meetings
11
12
      of Region 2020 after 1997?
13
                I can't tell you. I worked on task
      forces with them, both in my capacity as a Regions
14
      executive and my capacity in the Chamber of
15
      Commerce. And Florie lived next door to me. I
16
      knew Dr. Berte well. So I can't tell you how many
17
18
      times.
           And it was also very public what they were
19
      doing, particularly during this time frame. It
20
      was very public, in the newspapers a lot. So --
21
                Was it public from 1997 through 2004?
22
           0
                Yeah. I think -- I think so. I think
23
           A
```

- even today, they're still public. Their purpose 1
- 2 is to be kind of a public forum for change in the
- city. 3
- Q When you were General Counsel, were you 4
- involved with the selection of a logo? 5
- A I was not. 6
- 7 Who had that responsibility?
- A That would have been through the 8
- marketing department. Probably Bill Askew would 9
- 10 - have been the principal person.
- 11 — 0 Were you involved at all with the
- 12 registration of the logo?
- A Peripherally. A lawyer who worked for 13
- me. I was aware of it but I was not directly 14
- <del>-involved.</del> 15
- Q Did the lawyers that worked for you 16
- 17 - report to you with regard to the logo and its
- 18 -selection?
- A I don't recall any specific I mean, 19
- other than just generally aware that the legal 20
- 21 matters had been covered.
- 22 O Were you aware that there were companies
- that used the name "Regions" that were registered 23

- with the United States Trademark Office?
- 2 A I recall one specific company that used
- 3 -- that I think had had it reserved or had used it
- 4 that we ended up negotiating with and buying it
- 5 back from, and then later bought the company. So
- 6 I thought that was kind of clever.
- 7 O That would have been at the time that
- 8 you wanted to register your mark?
- 9 A That's correct.
- 10 Q And they would have used it in
- 11 relationship to banking or financial services?
- 12 A I don't recall whether or not they
- 13 actually used it. But, yes, in connection with
- 14 banking and financial services.
- 15 O And were you aware that there were other
- 16 companies that had registered the Regions
- 17 trademark for services outside of banking and
- 18 financial services?
- 19 A I don't recall that but it wouldn't
- 20 surprise me.
- 21 Q Okay. In any event, was it your
- 22 understanding that your mark had been registered
- for banking and financial services?

- 1 A Yes, it was.
- O Okay. Were you aware that there was a
- 3 company called Regions Beyond International that
- 4 had a Registered Mark?
- 5 A I don't recall.
- 6 Q That there was a Regions Air that had a
- 7 Regions Registered Mark?
- 8 A I don't recall.
- 9 Q That there was a Regions Hospital that
- 10 had a Registered Mark?
- 11 A No. The only one I recall was a mark
- 12 registered by First Commercial Corporation.
- 13 Q Is it fair to say that that wouldn't
- 14 have troubled you as long as those companies
- weren't involved in banking and financial
- 16 services?
- MR. PATERSON:
- 18 Object to the form.
- THE WITNESS:
- I really can't say whether it would
- 21 have troubled me or not. It would
- 22 not have troubled me if our
- 23 trademark counsel said it was not

- something we had to worry about.
- 2 BY MR. HUDSON:
- 3 Q Did you ever get any suggestion or
- 4 advice that you should be concerned with companies
- 5 who used the name "Regions" but were not involved
- 6 in banking or financial services?
- 7 A Yes, I did.
- 8 Q Okay. I think you said during the time
- 9 you were General Counsel, the bank was not
- 10 proactive in seeking out the names of others who
- used the name "Regions" as third party names for
- 12 third party companies.
- 13 A We did not proactively search for people
- 14 using the names.
- 15 Q Okay. And that would mean that you
- 16 wouldn't have searched the records of the
- 17 Secretary of State of Alabama --
- 18 A That's correct.
- 19 Q Nor for domain names on the web.
- 20 A I don't recall any search for domain
- 21 names.
- 22 Or for the U.S. Trademark Office.
- 23 A Right. Typically, as I said earlier, we

would -- when we would become aware of any usage, 1 that's when it would be referred to the legal 2 department. 3 4 MR. HUDSON: 5 THE WITNESS: 6 7 Thank you. EXAMINATION 8 9 BY MR. PATERSON: Mr. Upchurch, let me look at my notes 10 0 and see if I can confirm a couple of things. When 11 12 you were associated with Regions Bank or Regions 13 Financial in any capacity, be it General Counsel and your other executive capacity, were you aware 14 of any violation of this license agreement with 15 Region 2020? 16 17 No, I was not. 18 If Region 2020 had violated the license or used the name in a way that was offensive to 19 Regions Bank, would you have expected to hear from 20 21 someone at Regions Bank? 22 -MR. HUDSON: -----Object to the form. 23

1 THE WITNESS: 2 Yes. BY MR. PATERSON: 3 To your knowledge, has Regions Bank 4 0 always, and continuing to this day, been a 5 financial supporter and contributor to Region 6 7 2020? A Yes. 8 At the time that the license was entered 9 into, what was Stan Mackin's role at Regions Bank? 10 Stan Mackin was the CEO. 11 A 12 Q Of Regions Bank? Of Regions Bank and of Regions Financial 13 A Corporation. 14 - O And are you aware of whether or not he 15 - was on the board of directors of Region 2020 at 16 17 - the time the license agreement was signed? A I don't recall. 18 If his name is on the letterhead -- do 19 you recognize his name on the letterhead there? 20 A Yes, I do. 21 Okay. And I guess at the time, he would 22

have been ultimately your boss. Correct?

- 1 A That's correct.
- 2 Q And do you have a recollection whether
- 3 or not he was on the board of Region 2020?
- A Based on this, it appears he was.
- 5 O Okay. And there's a lady named Sheila
- 6 Blair on there, as well. Was Sheila Blair a
- 7 director of Regions Financial at the time?
- 8 A She was.
- 10 Sheila Blair or Stan Mackin about the license
- 11 agreement that you have been asked about today?
- 12 A I don't recall any specific
- 13 conversations with either one of them.
- 14 Q When did you become aware that Southern
- 15 Christian University had changed its name to
- 16 Regions University in August of '06?
- 17 A I was never aware of the name, any name
- 18 change.
- 19 Q Have you talked to anybody about this —
- 20 I called you yesterday. Have you talked to
- 21 anybody about this litigation or about the fact
- 22 that you would be giving a deposition here today?
- 23 A Oh, my wife. No.

1	
2	- affiliated with Regions University?
3	A I have not.
4	Okay. Do you know anything about why
5	- they changed their name to Regions University?
6	A I have no idea.
7	Q-Okay.
8	MR. PATERSON:
9	I don't believe I have any more
